It was a great summer, and now that it is over I look forward to 1996!

Many thanks to all the people who made it possible - to Brian Bloch for his planning all winter and for double duty as Program Director and Waterfront Director - couldn't have done it without him; to Billy Faria for his excellent work and patience as Assistant Program Director and for setting up Intercamp Games; to Eric Wilensky and Adam Barr for running a super Color War; to all the counseling staff for their help and cooperation and loyalty to the West End House; to Linda Jones for her great medical care at the infirmary - I am delighted she had an easy summer!; to Joe Day, assisted by Ben Sanborn, for fixing and keeping fixed all the things that needed fixing!; to Skip, Joe and Paula for their hard work in the kitchen during an especially hot summer; to the West End House Camp Committee, especially Mike Cataldo, Henry Barr, Jimmy Stoller and Kevin Lustig for their support, guidance and advice 52 weeks a year; to the parents for their faith in us to provide a safe, happy and quality camping experience for their children; and to the campers for making all of this possible

Special thanks to my wife, Bryna, for her volunteer help this summer with trips to the clinic, to the bank, help with the accounts, advice, and patience.

Congratulations to Nick Brown for producing a first class Spirit in just a matter of days.

The staff arrived on June 20th and the summer just flew by. It was a safe and happy one, no major medical problems, good weather, experienced staff, outstanding Color War, delightful Visiting Day! I hope many of us will return to ensure that 1996 turns out the same way!

Every year we have a Camp Reunion Breakfast in Allston. Plan on attending - it will be in January and you will get a notice.

Think about some of your friends who would like to attend and encourage them to contact me during the winter. I am always available at the West End House in Allston.

When asked about a dedication for this year's Spirit, I thought long and hard about individuals worthy of this honor. Realizing that many of this year's Senior Counselors will be moving on for next summer, I would respectfully submit that the 1995 Spirit be dedicated to the 1995 Senior Counselors.

Stay well, keep in touch, drop by the Club to chat. Thanks for making 1995 so memorable.

A Letter From the Program and Waterfront Director

I guess one could say that camp seasons are like a box of chocolates, you never know what you're gonna get. This summer, with much apprehension and trepidation, I attempted to tackle two jobs here at West End. I used the word attempted, for anyone who truly understands this camp would know that there just aren't enough hours in the day for any one person to do both jobs successfully. Since this summer, in my estimation, was extremely successful, there are a bunch of people that I need to thank for pulling off this season in high fashion.

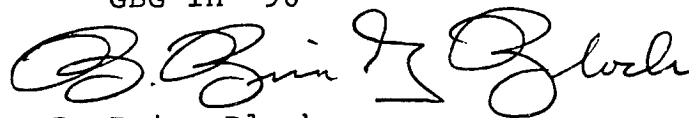

Billy Faria, this year's Assistant Program Director, assumed all of the responsibilities that the program director usually possesses during the day while I was busy down at the waterfront. Billy and I worked together in scheduling night activities and many of the other daily events as well; and when Billy wasn't busy accomplishing those tasks, he was on the phone scheduling the Intercamp games. Bill's contributions to camp this year were tremendous in quantity and quality, and were essential to the success of the 1995 camp season. I couldn't say enough about the job Billy did this summer.

Another set of guys who deserve extra praise as well are Josh Mendelsohn and Matt Wynn, the junior and senior waterfront commissioners. When Bill Margolin and I sat down prior to the start of the camp season, we reached the conclusion that if I were to serve as the Waterfront and Program Director, it would be best to have two separate commissioners to assist me down at the H-dock. Both Josh and Matt did an excellent job filling this position, and due to their efforts, my responsibilities at the waterfront were reduced to just lifeguarding and supervising swim classes. Without them, I would've never lasted down there!

Finally, it would be difficult to overlook the outstanding job that the junior counselors did as a whole. Before camp started, it was my belief that the camp season would only be as good as the JCs were as a group. I felt this way, for I knew that they were going to end up being assigned to many of the most difficult tasks -- i.e. writing, planning night activities, coaching teams -- that a counselor could be assigned to. Much to everyone's delight, the crew as a whole stepped up, acknowledged their position, and followed through consistently with an extremely high caliber of work. You guys are the future of this camp, so I hope you continue to progress as counselors in this way.

As for me, my job was similar to that of a referee. I kind of held the whistle to help the game move along smoothly. I believe we, the staff as a whole, were successful at moving this season's game along smoothly -- so I guess I can say the traditional "we all played well." After twelve seasons here at West End House Camp, I've learned many different things; but after this season, I've learned that there just isn't a better place in the world for a kid to spend his summer. I hope all of you feel as lucky as I do for having this unique luxury.

I hope to see you all again next summer --
GBG in '96

Junior League Festival

The first two weeks of junior leagues had the Old School Toy League. After a tough two weeks of competition, the Hungry Hungry Hippos went undefeated, led by Greg Dancey and Seth McPherson. The Play Dohs, led by Drew Caplin, came in second, followed by the Kyle Monahan-led Legos and the Eric Price-led Gobots. MVP Isak Mendes' Weeble Wobbles and Jed Friedman's Slinkys held up the rear.

The next two weeks was the Former Staffman League. The Tweetys came out on top, led by Drew Thomases and Marquise Corbin. The second place team was the Evan Lepler-led Cookers, followed by the Todd's Dads, with Dan Fitzpatrick and Tyke Williams, and the Frenchies, with Corey Shea and Juan Bascon. Other outstanding sportsmen were Walter Bullock, Al Allen, Seth Friedman, James Small, Mark Balmazi, Jeff Berger, John Florentino, Dan Fitzpatrick, Chris and Terry Gross, Andy Haight, Zach Kublin, and Roman Vaysman.

The final four weeks had an exciting ending. In the Old Timer League, the last-place Maos pulled together and had a strong playoff run to win the league title. Second place went to the Veggies, and the Tan Mans edged out the Hey Nows for third. Outstanding players included Mike Neimark, Mike Sherman, Mark Argir, Justin Kesner, Dan Shea, Greg Rohtstein, Brandon Grunes, Keith O'Riordan, Greg Hemm, Tyler Kaplan, Maurice Williams, John Keeler, and Jeff Craven. I would like to thank all the coaches and players for their great effort throughout the year. If I left out your name, I am sorry but everyone was excellent. Congratulations to Jared Auerbach for winning all three titles.

Sincerely,
Billy Faria
Jr. League Commissioner

1995 Intercamp Sports Report

The 1995 intercamp season was a fun and exciting one for West End House Camp. The summer included a 23-14 record, four tournament championships, and a game versus kids from Needham. Our intercamp games started with 10 & under and ended with 10 & under in unprecedented fashion. I would like to have my own "1995 was the intercamp year that...":

- Cody was the worst host
- Rude Dog won all of our tourneys and then left
- we were better behaved than Robin Hood
- Mendelsohn made new Italian friends
- Joey and Tim ruled the mud volleyball tournament, while Caleb and MacLean reffed every game
- Gui was unstoppable, and Evan & Steve were illegal
- Berny, Jesse, Eric, Tate, Nick, Mendel, and Caleb brought home hardware and Gorin didn't
- we had jacked trophies and bad tournaments
- we won a baseball tournament without equipment
- Maine Teen brought their Old Timers' Week team to 15 & under
- we almost beat Manitou in baseball, thanks to Wynnie
- Mike Kunnerth, Scott Sandler, Ben Rosen, Paul McAuliffe, and Trevor Moore were my most reliable helpers
- we almost had a 13&under road trip to RH & Cody in one day, and finally,
- for yet another year, we showed every other camp we played against what the heart, determination, and good sportsmanship the West End House Camp is all about.

I would like to thank all of the coaches, players, and people who helped make this intercamp season so successful.

Sincerely,
Billy Faria

COLOR WAR 1995

The entire camp gathered in the council ring for the much-anticipated trip to the Portland Sea Dogs game. Color War was grasping at the throats of all the campers. Hearts were beating a million times per minute, after riles such as: Dave Gorin's "Color War is fun!," Matt Wynn's "I have a better tan than Billy!," Bill's throwing of the ice, and Adam Barr's singing about cows.

Bryna handed out the money, and Bill slipped behind the 5's to get the van. Everything was going casually as Bill slowly pulled around. Suddenly, from behind 1A, fireworks went off. Bo-Bo and Adam jumped out of the back of the van and yelled the magical words, "Color War is now!" Everyone flocked up to the ballfields and waited to be put into teams. There was no Sea Dogs game, but Color War had started.

The White S.W.A.T. Team came out on top by 22 points after the first morning of games, but by the end of the second day, the Blue Riot was ahead by a menacing 83-point margin. The S.W.A.T. Team never gave up, but the blue was too much to handle. With only the alma mater left in Song Night, the entire war was tied; but the Riot sang that last, emotional song better, and won Color War by only six points, one of the smallest margins ever in one of the greatest wars ever.

Congratulations to all coaches and referees, and especially to Eric Wilensky and Adam Barr, for running an incredibly smooth six days. Not to mention the dedication and effort by the campers to make this one of the closest and most emotional battles ever. Thanks for a great war!

The West End House Camp Song Sheet

The House Song

Hundreds of hearts that beat as one
Grateful for all the House has done.
As long as the sun is in the sky
The Spirit of the House will never die.

James J. Storrow will always live
Our support we will always give.
As long as the sun is in the sky
The Spirit of the House will never die.

When you're one of the boys, you're always on of the boys
And here's one thing you'll do -
You'll always go through,
You'll always go through,
You'll always go through...

James J. Storrow will always live
Our support we will always give.
As long as the sun is in the sky
The Spirit of the House will never die.

West End House!!!

The Pledge of Allegiance

I pledge allegiance to the flag of the United States of America.
And to the Republic for which it stands, one nation, under God,
Indivisible, with liberty and justice for all.

The Star Spangled Banner

Oh say! Can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming!
And the rockets red glare, the bombs bursting in air,
Gave proof thro' the noight that our flag was still there.
Oh say does that Star-Spangled banner yet wave
O'er the land of the free and the home of the brave?

A Blue Team S-frit back again, doin a little West End swing
The Blue Riot's goin off, not too hard, not too soft

We are long overdue and now blue is slamin'
Minutemen, buccaneers, dynasty, to the family
Never skipped a beat, MAH(solo), while playin out in the heat
Just like that, plenty of friends.
(Solo)And the white will go down in defeat.

Back in school we used to dream about blue everyday
Could it really happen and could white just fade away
We were all just singin and we know it sounds cool
So we started a riot and here we are kickin it just for blue, ohh

A

The spotlight is on us now, watch us do this
(Cute patrol) Dada, dada, da dat dat datta da
Live and direct from West End House
We rappin hype and we can get down
We are ready to go, so now the white will know who we are.

Chorus

A

Cavern - Phish
Our time is here, our mission's clear, it's later then you think
After we smoke you here tonight, your ship is gonna sink
Run away into the dawn, the blue will have good news
And if you dread the riot's charge, you certainly will lose

We beat them in the fields and then in swimming they did tire
We cabsed them up onto the roof and blowin this place with fire
You drifted where the riot chose-no way you're comin back
And if the Swat team tries to fight, the riot will attack

You've lost to the riot, you're sirens are quiet
We've bust out of prison, the blue team has risen
Our cell bars are broken, the swat team is chokin'
We'll win in this rec hall, a plaque in the mess hall
You are over-rated, white's spirits have faded
A pris'ner no longer, we're just gettin stronger
There's no way you'll beat us, don't try to defeat us
We've won color war, so, yell GO BLUE GO!!!!

Chorus

Chorus

BLUE RIOT

song sheet

Self Esteem - ~~copy~~

We beat the white for the 10th time today
We've won this war so what else can we say
We pushed them over, they lost their nerve
We gave them all of the pain they deserve

Now they know, they're bein used, that's ok man cuz we like to abuse
We all know that blue's the best team, that is why white has no self esteer

A Oh white team, yeah, riot rules, ohh yeah
Oh white team, riot rules, ohh yeah

We have plans to beat them tonite
They've lost to blue and we've won the fight
This rejection's got them so low
They're confused, they don't know where to go

A

The more the suffer, the more it shows blue really cares,
Right?, Yeah!!!!

I Only Wanna Be With You - Heat and the Blowfish

Blue and white, we come from different worlds
We like to laugh at them cuz they act like little girls
Some call us crazy, and they wonder why
White team looks at us then runs away to cry
And there's nothin they can do, they really wanna be on blue

They look at us and fear the coming day
We don't get mad cuz we always get our way
Riot's strong, white can't win
They try to beat us but now we're here to sing
And there's nothin they can do, they really wanna be on blue

Riot's so cool, they really wanna be on blue

They always wonder, when will it end
They beg and pray for us to act like they're our friends
Some call us crazy, and they wonder why
White team looks at us then runs away to cry
And there's nothin they can do, they really wanna be on blue

Yeah, riot's so cool, the really wanna be on blue
They really wanna be on blue
They really wanna be on blue

You Gotta Be - D,inc

Listen white you're gonna fold, challenge what the blue team holds
Try your best to ahng with us and just get by
Swat team we will cause you tears, riot is your biggest fear
We'll stand up and defeat you and we'll make you cry

We gotta be,

We gotta be bad
bold
wiser
hard
tough
stronger
cool
calm

Chorus

We gotta stay together, (solo) All I know, all I know, blue will win
Judges, we have won the fight, we're gonna beat the white tonite
They tried solve our puzzles but they're still behind
Riot has more heart than you, no-one has a different view
Solo- My oh my, yeah yeah yeah

Chorus x 2

Bouncin' Round the Room - A,ah

Freedom is the dream we have, the riot's hard to beat.
And as their eyes were watching us they fell, another white defeat.
So as we sing these songs tonite, Swat team's hopes turn into smoke
Quickly beaten by the blue, the swat team is just a joke
Up in smoke, quickly beaten by the blue, the swat team is just a joke.

The plaque we sought was far away at the beginning of the fight
But now white's poor and we are sure we're gonna win this war tonite.
We sit above them as they weep, their dreams of winning are ablaze,
Quickly beaten by the blue, a never-ending losing daze.
Gone ablaze, quickly beaten by the blue, a never ending losing daze.

Then before and now once more we're bouncin' round the room.

That time then, once again we're bouncin round the room.(x alot)

Solo: Up in smoke, quickly beaten by the blue
The swat team is just a joke.(x alot)

I'll Never Get Over You Getting Over Me - E,fox

Another summer here at West End
Havin a good time with all our good time friends
And the memories will always be
Somewhere inside us, and they will never leave
This camp's such a part of our lives
That a summer without it could never be right

As long as the stars shine down from the heavens
As long as the rivers run to the sea
West End will always be a part of me

Chorus

We try to smile so the hurt won't show
Oh West End House, we'll be sad to see you go
But the tears just won't go away
Happiness found us, and now it's here to stay
We all know that our love will stay true
But all we find is ourselves always thinking of you

Chorus x 2

WHITE S.W.A.T TEAM SONG SHEET

I'll Be There For You - the Rembrandts

So no one told blue war was gonna be this way
Your team's a joke, you choked, the riots's D.O.A
It's like you're always stuck in second gear
When it hasn't been your day, your week, your
month or even your year

CHORUS { *We have beat the blue
(when the white makes you fall)
We have beat the blue
(now the white's won it all)
We have beat the blue
(and the blue knows it too)*

We beat them on the land-and beat them in the lake
Blue wasted 5 days so far-things are going great
The white team warned you there'd be days like
these

solo: *But we didn't tell you when the war
Has brought-you down to your knees*

CHORUS

Hold My Hand - Hootie and the Blowfish

solo 1: With a lot of force
And no tenderness
We'll walk all over blue team
We'll rise above the rest

solo 2: With a lot of force
And a victory
We'll beat the blue together
Tonight the riot ends

CHORUS { *Cause we're gonna rock the blue (S1-We're gonna rock the blue)
We're gonna run on blue (S1-Won't you let me run on blue and)
Hold my hand (S2-Want you to hold my hand)
Hold my hand (S2-We'll take white to the promised land)
Hold my hand (S2- We know we can win this war cause)
We're gonna beat blue-the best that, the best that we can*

Team: You see blue was wasted
And they were wasting time
Cause they thought they could beat Swat
team

They thought they had some pride
solo 3: Then I stood up, and then I screamed aloud

Team: We don't want to be part of your riot
Swat's gonna win this war tonight!

(Chorus)

The Only One - Melissa Ethridge

Please judges can't you see
The blue's a burning' hell
They got razors a rippin' and tearin' and strippin'
Their hearts apart as well
Tonight we'll show you
How we beat-up on the blue
And some other color is lookin' like something'
That might be strong and true

chorus:
*Go on and hold them till the screaming is gone
Go on believe them-when they tell you nothings wrong
But we're the only team who'll walk across the riot for you
And we're the only team who'll swat the riot down for you
It's only fear that makes them run
The white team's who they're hiding from
And all their chances are long gone
We're the only one*

Please judges can't you see
We're tryin' to explain
We've won this war and we're lockin' the door
And we're not goin' back again

(Intro)

(Chorus)

Basket Case - Green Day

We don't have the time
To listen to blue whine
About nothing and everything all at once
We are one of those
Un-stop-able white teams
We'll beat you to the bone no doubt about it

CHORUS { *Sometimes we give the blue the creeps
Sometimes they bore themselves to sleep
The wins keep adding up
We think blue's crackin' up
The S.W.A.T's just havin' fun-we're
number one*

We've won color war
And now we want some more
Blue says it's lack of fun that's bringin' them down
Blue can't take no more
The riot's in uproar
So keep on whining cuz we're takin' you down

(chorus)

Another Night - The Real McCoy

(chorus)

Another night another war we beat on blue
It's like a vision of white that seems to be true
Another night another war we beat on blue
So tonight we'll dominate the blue

(rap solo)

Just another night another vision of white
We feel joy,- you feel pain, and nothing we'll be the same
Just another night is all that it takes
To understand-The difference between white and fakes

(we talk symphony)

We talk, talk, we talk to you
And tonight-In this hall-we'll beat the blue
We talk, talk, we talk to you
And tonight-all our dreams-will come so true

So tonight the white will take the blue
Cuz they cry so much like riot's do
We feel joy they feel pain and it's still the same
And tonight the white will stand alone

(chorus)

(we talk symphony)

Lullabye - Billy Joel

Goodnight West End house time to close your eyes
And save this moment for another day
We think we know what you've been asking me
We think you know what we've been trying to say
We promise we would never leave you
And you should always know
Wherever we may go no matter where we are
We never will be far away

Goodnight West End House now its time to leave
And still so many things we want to say
Remember all the friends and memories
And now we've come upon our final day
And like a boat out on the ocean
We're rocking you to sleep
The summer's done and deep inside this aching heart
You'll always be a part of me

Do Do Do Do Do Do Do Do- Do Do Do Do Do Do Do-
Do

Goodnight West End House now its time to leave
And dream how wonderful next year will be
Someday we'll all be gone
But West End House goes on and on
It never dies
That's how you and I will be

All I Wanna Do - Sheryl Crow

solo 1: This ain't no disco
It ain't no country club either
This is West End

chorus 1:

All we wanna do-is have some fun
We got a feelin'-the white team is number one
All we wanna do-is have some fun
We got a feelin'-the party has just begun
All we wanna do-is have some fun
Until the SWAT team comes and rips apart the riot
tonight

solo 1:

All I wanna do is have a little fun before we die
Says a kid on that team over there
And he knows nothin'
He says he's on the riot
I'm sure he's sick and tired of losin' to us
And he's plain ugly to me
And I wonder if he's ever had a day of fun in this
whole war, cause

chorus 2:

All we wanna do-is have some fun
We got a feelin'-the riot's about to run
All we wanna do-is have some fun
We got a feelin'-their chances are next to none
All we wanna do is have some fun
Until the SWAT team comes and rips apart the riot
tonight

(chorus 1 again)
