**WEST END HOUSE CAMP
SPIRIT**

DEDICATION

The most important person at West End House Camp is the custodian. He is responsible for the upkeep and maintenance of this large operation - broken pipes, leaking faucets, mowing the grass, fixing the lights, painting the floors, and hundreds and hundreds and hundreds of other responsibilities. In the winter he checks on the camp and shovels the snow and ice off the roofs. It is a year round job and requires a very special person who not only needs to be talented but also should be pleasant.

Last May West End House Camp was indeed fortunate to hire such a person for this position. Norman Scott has worked countless hours, each and every day since last May, to make sure that the WEH Camp was opened on time and in good shape. . . . and remained in top condition. He faced each task in a professional and caring manner, and when something needed to be fixed, it was fixed right.

Through all of this, he remained cheerful and philosophical. For each and every one of us, it has been a pleasure to work with Norman and to know the camp is in the best possible hands. For each and every one of us, it is our hope and desire that Norman will be with us for many, many years to come. He is, indeed, the most important person at West End House.

It is with deep affection and sincere appreciation that the 1996 Spirit is respectfully and sincerely dedicated to

NORMAN SCOTT

IN MEMORIAM

Barney Yanofsky passed away in February 1996 at the age of 88. He was a lifelong member and supporter of the West End House Boys and Girls Club and West End House Camp. He loved the House and all it stood for.

Barney was a frequent visitor to the Club and to the Camp. Once each summer he would visit the camp during the regular season, and he always stayed for Alumni Week. He was a friend to countless youngsters and "oldsters" alike, and was a man truly appreciative of even the smallest favor or kindness that he would receive - whether it was a thank you note he received for a small donation to a program or a large donation to a fundraiser, a simple phone call or even someone holding the door open for him.

Barney Yanofsky was born and brought up in the West End of Boston. At an early age he contracted polio, but he never let the resulting disability stop him from traveling, working, and participating in events. If there was ever an inspiration to others, it was Barney. He was a friend to so many from all walks of life, and was loved and respected by his family and everyone else who had the privilege of knowing him.

Among his efforts was the establishment of the Martha and Barney Yanofsky Camp Scholarship Fund, which provides funds for worthy boys to attend our facility. Although Barney is gone, the Fund will live on forever.

We are all the richer for having known Barney Yanofsky and he will be genuinely missed. He was a true lover of people and benefactor of the West End House.

MESSAGE FROM THE DIRECTOR

1996 was an exceptional year - over 225 different boys enjoyed part of their summer at West End House Camp in a clean, safe and caring atmosphere. All of this would not have been possible without the help of so many people. My personal gratitude to Henry Barr, Jimmy Stoller & Mike Cataldo of the Camp Committee; to Michael Bourg, Executive Director of the WEH Boys & Girls Club and his staff for their support; to Jack Hornstein for the donation of three new, heavy duty water fountains; to Miguel Font for conducting the CPR and First Aid class for counselors before the opening of camp; to Mike Finn and the "Old Timers" of Cabin 2A for their financial support and purchase of new athletic equipment; to Bob Cohn for the donation and installation of new gym lights; to Bert Wynn for the donation and installation of new carpeting on the docks; to Neal Shrier & Bill Downey for their collaboration in producing our welcoming sign at the camp entrance; to Bobby Levine for driving the supply truck to camp; to Jeff Apotheker for arranging for - and driving - the truck filled with trunks on closing day; to Michael Berger, Debbie Berger, Marty Jacobs and Ace Recruiter Bobby Sherman for their help and guidance; to Frank Moy, Jr. and St. Elizabeth's Medical Center for the donation of medical supplies; and to Jimmy Snow, Mickey Chaet, and Seymour Oberman who helped immeasurably with many details and items on our many trips to camp during the fall and spring. My deep, personal gratitude to my wife, Bryna, for her assistance and support; I could not have done it without her.

The staff was great, and I truly thank them for their efforts. Space does not permit me to mention them all by name. Special thanks to Mike Santosuosso (Program Director) for heading up the staff, always being on top of the situation, and always performing in a most positive, caring and professional manner; to Adam Barr (Assistant Program Director) for his great and innovative work and just for being Ooba; to Matt Wynn for heading up the waterfront and to Caleb Englander for assisting there - the first time in awhile we have had such a strong waterfront staff headed up by two WSI's; to senior, senior, senior staff men Josh Mendelsohn and Michael Lamkin for returning and keeping the spirit and tradition live; and to the entire staff for their efforts and love for West End House - all of this is what makes West End House click so well!

I want to offer particular gratitude to all the people who worked behind the scenes to ensure the success of the season: Linda Jones returned for her fifth season as registered nurse, and even with many more campers attending kept our illnesses and injuries to a minimum and well under control. Chefs Norman Smith, Paul Chant, and Paula Sanborn (back for her second year) kept us well fed - best food in ages! Maintenance staff of Norman Scott, Roland Scott and Bill Reinsborough had their hands full with roofs, pumps, stairs and a host of other items - through it all they remained calm, competent, caring and cheerful - a really great and pleasant crew. A tip of the hat to Dr. Joel Alpert, our neighbor, for his medical assistance and visits.

This 1996 *Spirit* would not have been possible without the leadership and coordination of Nick Brown and the work of the Gottlieb (and other) reporters. It was put together in just a few days, although the printing was done after the close of camp.

As I said at the beginning, 1996 was great!. We were filled just about the whole summer and the weather, while not perfect, gave us only a few problem days. Indeed, we again lucked out during opening sessions, on Visiting Day, during Color War, and for the Funtown trip.

If you are ever in the Allston-Brighton area, I can be reached during the fall, winter and spring at the WEH Boys & Girls Club, 105 Allston St., Allston, MA 02134-5029 (617-787-4044). I would be happy to answer any questions you may have about camp or the club. We do have an Annual Breakfast/Reunion in January, and I hope to see many of you then. Invite a friend or two and encourage him or them to enroll or inquire about West End House Camp.

Notices about enrolling for next summer have been be mailed. Sign up early and plan on being with us in 1997 for the best summer of your life.

Stay well, study hard in school, and keep the West End House Spirit alive!

Bill

William Margolin, Camp Director

A LETTER FROM THE PROGRAM DIRECTOR

Well, once again the Summer has come to an end, and West End House has experienced another successful season. I feel confident saying this based on the attitude of the campers in response to having to say good-bye to one another. Although every year, the closing of camp is an emotional time for both campers and staff, too. This year seemed to be an exceptional one. Despite such obstacles, as poor weather, and some difficulties with the motor boat, the campers really were able to maintain positive attitudes, and looked at West End for what it was, the best place to spend a Summer.

Taking on the role as Program Director was not something that interested me in the past. It meant having to work full days, to assure a safe and exciting camp season. Witnessing some of the stressful days Brian Bloch had to face the last two years, made me appreciate my role down the docks even more. When Bill called me early May, and told me Brian Bloch, and Billy Faria were unable to return this Summer and asked if I would be interested in taking the role as program director, I accepted without hesitation. I knew that losing some very strong staff members this year, was only going to make this season a difficult one for all. We all approached this season with the same goal, to do whatever was possible to assure that the campers have the best time possible. In my opinion staff really pulled through.

At this time I would like to single out certain people and give special thanks to them. Adam Barr, the assistant program director, is tops my list. Thank You for always being on top of things and making my Summer alot easier. Your creativity added to the campers enjoyment. To Mtt Wynn and Caleb Englander for running a flawless waterfront. Ryan Wilensky and Danny Walsh, you really did a great job with the senior and junior league scheduling. Nick Brown for running a full inter-camp schedule. The kids really enjoyed the competition. Also, thanks for running a terrific color war, along with Ian Halbert. Congratulations go out to Eduardo Sastre for having a great rookie season. Your input proved to be invaluable to all. Thank You Josh "the Prime Minister" Mendelsohn, for returning this year. You were always there when I needed you. Keep up the good work next year. Last but not least, my special thanks goes out to Bill Margolin, for trust in me. We all appreciate what you do for us.

Finally, to the campers. You are the ones who deserve all the praise. You are a great bunch of guys who exemplify what West End is all about. Have a great Winter, and keep in touch with one another (don't sell out). I wish you all the best and hope to see you next year.

Your friend,

Michael "Santa" Santosuosso
Program Director

A WORD FROM THE WATERFRONT DIRECTOR

With so much working against us this year, I would have to say that the waterfront ran exceptionally well, in many regards. Firstly, and most important, everybody was safe. A Summer in which no injuries occurs, can be considered excellent no matter what. Unfortunately, the weather was not as cooperative with us. This was possibly one of the worst Summer's I've seen, weather wise. However, in the end, everyone made it through with their heads up, and their bathing suits wet. I was more than shocked, when on cold, rainy days, kids would come screaming at me for a general swim. Finally, the key to a good waterfront is a good boating program. After a minor set back, our motor boat tried a variety of sports from boogie boarding to knee boarding to waterskiing to sit skiing. Canoes and rowboats were taken out regularly, and many new people were introduced to sailing. Next year our hopes are for a stronger sailing program, where kids will be Red Cross certified. I hope to see you there!

Your Waterfront Director,

Senior League Fiesta

Senior leagues started with the New Camp League, in which the Norms dominated and won the championship in basketball over the Eduardos. The Norms were led by Dave Hahn and Nik Monahan. Other outstanding performers on the champions were Jared Wilk and Mike Harris.

The second two weeks had a new league called the Rookie League. The General Swims, led by Dave Hahn and Bobby Shifman, beat out the Sea Dog Hats, led by Nik Monahan and Andy Angoff, for the championship in softball. Ben Widlanski played a great game and Matt Neimark also did well for the winners.

The last four weeks was the Wrestler League. Despite the fact that the Macho Men had only one Gottlieber (Mike Gordon), their depth was the reason why they won their first seven games on the way to a championship. The Macho Men outscored the Iron Sheiks, led by Aaron Kesner and Fred Davidowitz, by 15 points. Campers like Ben Widlanski, Mike Sandler, Eric Greene, Matt Anderson, and Nandi Francis were reasons for their overwhelming success.

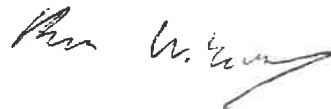

Outstanding performers all year included Danny Barr, P.J. Whittemore, Rich Melville, Kevin Walsh, Jason Kublin, and Adam Avakian. Here are the players of the week for the first six weeks of camp:

JUNIOR LEAGUE FESTIVAL

Junior leagues started with the "Old school camp league", in which the Cornish Fairs won the championship by defeating the Urinals in softball. The Cornish Fairs were led by Evan Lepler and Greg Hemm. The Urinals were led by Greg DiMarco.

In the second two weeks it was the Jim Carey league. The Cable Guys came out on top, led by Greg Dancey and Al Allen. In second place was the Robbie Gordon led Riddlers. Other outstanding sportsmen were Marc Balmazi, Jonathan Amaral, Brian Handell, and Joe Gauquier.

In the final four weeks it was the wrestler league. After a tough month of competition, the Doinks led by MVP Harris Friess and Greg Dancey defeated the Lyle Friess led 1 2 3 kids. Outstanding players included Jason Johnson, Conner Monahan, Andrew Haight, Drew Thomases, Daniel P₁/₄oster, and Robert Sampson. I would like to thank all of the coaches for their great effort throughout the year. I would also like to thank Robbie Gordon, who helped with scheduling and results. 1996 Intercamp Sports Report

Sitting here, the night before everyone goes home, it seems as if the intercamp season was ages ago. The games and tournaments are set apart from all other aspects of camp, on a separate level. I can't believe so much happened, considering my position eight weeks ago, sitting in the phone booth with just a calendar and a list of phone numbers.

The 1996 intercamp season was a strong one for West End. We started off with a 10 & Under team which simply dominated Robin Hood in newcombe and softball. Six tournaments and 32 games later, we wrapped up with the annual 15 & Under barnstorming day against Manitou. In between were three championship trophies, one runner-up, loads of athletic talent, and always the kind of hustle, determination, and sportsmanship which mark all West End teams. Gracious in victory and also in defeat, we can take pride in each and every effort our teams put forth on the courts and fields.

Hats go off to all coaches who brought home hardware this summer, including Ryan Wilensky, Caleb Englander, Steve Wynn, Joey Apotheker, Ian Halbert, and Steve Dancey. Our teams would go nowhere without the leadership and guidance provided by such able staffmen. I also have to thank all the campers who helped me out this summer, whether it was umpiring, serving food or water, or scoring a game. There are too many to mention here, but I truly appreciated all the assistance.

At some point in this message, I had to mention the Maine Teen Camp Olympics. Designed because of this year's Atlanta Games, there were various events in one evening, and West End came away with a bunch of 1st, 2nd, and 3rd place ribbons. While some mysterious events marred the closing ceremonies, an internationally good time was had by all (just ask Freddy D.).

Finally, an anecdote from the 13 & Under baseball tourney. In the midst of our 10-0 rout in the championship game, the coach of the other camp openly accused me of cheating (by bringing players two and three years too old). He stormed off afterwards without so much as a handshake. All of our players were perfectly legal; the fact of the matter was that West End can, as always put a dominating team on the field and still remain more gentlemanly than the competition. Everything that West End is all about really shone through this summer. See you all next year.

Go U Northwestern,

Nick Brown

COLOR WAR 1996

On Wednesday, August 7, camp gradually finished up their dinner around 5:30 PM. Waiters cleared the tables, which rumbled from time to time with the thunder of campers' chants for Color War. This particular summer, rumors had floated around West End which had much of the camp believing that the war would start on the previous Sunday or Monday. At this point, CW had to begin very soon, but campers still could not know what to expect. A couple counselors had apparently "left" to go out to dinner, so it did not seem like a plausible time for a start. However, when Bill rang the bell and the mess hall grew silent unusually quickly, firecrackers shattered the quiet moments later. Blue and white papers came flying in like snow through an open window at the top of the building, and the cry of "Color War is now!" sent everyone scrambling out of their seats and out towards the softball field.

The White Insanity scraped out a ten point lead after the morning of the first day of competition. They kept inching ahead of the Blue Regulators, but the cowboys did their best to stick with them. The Blue caught a couple bad breaks, and couldn't manage to complete a comeback. Fighting with everything they had, the Regulators just weren't able to prevent the White from building the lead until it proved to be an insurmountable margin by the end of the grueling five days. After a heartfelt Song Night, the Insanity finished with a 105-point victory, a deceptive figure given the close battle the two teams waged.

Congratulations must go out to all of the coaches and referees, for putting together a solid War and ensuring fairness, safety, and good competition. Kudos also to Nick Brown and Ian Halbert, who ran things soundly and evenly. However, the staff simply lays everything out on a table; the campers are the ones who take it all and execute, molding Color War each summer into the incredible event it has come to be. Thanks for a great war and a great job overall in 1996!
