

## **DEDICATION**

In 1916 Jack Burnes wrote of Mitchell Freiman, whom he was to succeed two years later as Superintendent (Director) of the West End House, the following: "To him all boys were potentially great. The only problem was to devise a sufficiently varied program that would encompass all the activities of a boy's life."

These words ring as true today as they did almost 100 years ago. West End House Camp, from its very beginnings in 1908 to the present, has consistently strived to run programs that bring out the best in each camper and to ensure that each youngster grows, matures, and performs to his full potential.

We are pleased and honored that our efforts have been recognized by the Marigold Charitable Trust, which since its founding in 2005 has been a steadfast and generous partner in our mutual efforts to identify individuals for whom a stay at West End House Camp would be memorable and positive. Together, West End House Camp and Marigold Charitable Trust have worked closely to select for our camp each summer youngsters from a multitude of different backgrounds. Funding from the Trust makes the dream of attending camp a reality for many a boy.

Our special gratitude to Marigold Charitable Trust founder Beverly Marram, whose personal knowledge of our organization goes back well before the founding of the Trust, and to Executive Director Susan Shamus and Program Director Don Moskowitz. We are truly honored and grateful to be a recipient of their support, which has added significantly to the success of our operations. The West End House Camp is pleased and honored to pay them special recognition by dedicating the 2010 SPIRIT to

## **ACKNOWLEDGMENTS**

There are many people whose assistance during this past year has been invaluable to the camp. We offer our sincere gratitude to the following individuals and institutions that contributed to the success of the season:

·Michael Berger, President of West End House Camp, Inc. for his tremendous enthusiasm, commitment and involvement throughout the year.

·Henry Barr and Marty Jacobs, Past Presidents of the WEHC Board of Directors, for their continued leadership, advice, and presence.

·Members of the Board, who oversee the operation and whose committees meet regularly to ensure that WEHC is the very best it can possibly be. These great people are listed elsewhere in the Spirit, and each has been tremendous in his or her own support of the Camp.

·Aaron Leppo (Full Line Graphics) – thank you for your patience and generosity in arranging for the printing of the Spirit for 2010 (and for many previous years, too!) and for all your printing favors!

·The Camp Breakfast is always a great time, and Bert and Esther Wynn continue to ensure its success by providing many raffle prizes for the children.

·Goroshko Moving Co. (Tony Goroshko) – deepest gratitude for picking up and bringing trunks and baggage back to Boston the last day of camp.

·Sheila O’Connell and St. Elizabeth’s Medical Center in Brighton for their donation of medical supplies.

·The fine folks at Franciscan Children’s Hospital in Brighton – we thank you for the use of your parking lot for bus departures and arrivals. It is an ideal meeting space!

·Sincere gratitude to the staff at the West End House Boys & Girls Club, especially Executive Director Andrea Howard, Director of Operations Kristen Rhuda, and Director of Support Services Karen Cyr, for their cooperation and assistance throughout the year.

·Brien Wong for meeting the returning buses at Franciscan Hospital and making sure that campers and luggage were picked up!

Kenny Klapman and Zoe Ellis – thanks for your help this summer. It was genuinely appreciated!

## **ABOUT THE COVER**

The front cover displays scenes from West End House Camp’s first annual World Cup. The top shows the coaches proudly wearing their countries’ flags and getting ready to be introduced to their teams at the start of the daylong event. The bottom is a great picture of our colorful dining hall as World Cup teams sat together next to their countries’ flags wearing the team shirts that each camper created.

The top back cover is graced with one of the amazing rainbows that emerged over Long Pond after one of the brief passing showers that occurred during the almost perfect weather of the 2010 season.

The bottom of the back cover depicts the “West End House Camp Heroes”: Senior Counselors Drew Moura, Danny Bernard, Andrew DeMarco, Jason Cohen, and Thibaut Rochette who on their day off in the White Mountains saved the life of a man who fell 60 feet from the top of a waterfall. All of us at West End House Camp were and are so proud of these and all of our high quality staff members who perform heroic deeds big and small each day for the benefit of our campers!

## MESSAGE FROM THE EXECUTIVE DIRECTOR

I am writing this message in December 2010 as winter approaches and thoughts of warm weather and green grass seem so far away.

The summer of 2010 was, perhaps, one of the finest seasons ever for WEH Camp. Exceptional weather, a talented and dedicated staff, a large number of different campers, and exciting programs, including World Cup Day (new), Desert War, and the closest Color War there will probably ever be (less than 1/3 of a point separating the two teams!) were just some of the factors that made this summer so memorable.

Although WEH Camp runs eight weeks for boys, the task of directing it encompasses a full 52 weeks each year. It is a commitment so ably handled by Steve Lepler. His dedication, energy, creativity, concern, and organizational skills are unmatched, and the success of the season is due to his leadership and tireless efforts. His fervent determination to ensure that West End House Camp remains *the* very best among all camps is evident. Thank you, Steve, for all you have done and continue to do, not only during the summer but all through the year.

Ryan Wilensky has been a most valuable and welcome addition. Since October of 2007 he has served as Director of Operations, a position whose responsibilities go beyond any job descriptions. His presence has truly made a positive difference at camp, and in true West End House tradition he goes over and above the call of duty to ensure success. Thanks, too, to his wife, Rachel, whose volunteer efforts in 2010 will be directed towards their newborn daughter, Whitney, in 2011!

We were fortunate to have veteran nurse Sandi Nelson with us for the entire summer. Her care and concern for the campers and staff is exceptional. She truly cared about each person.

Lee Russell returned as our head cook. Ably assisted by his wife, Linda, and by Tom Mercier, he kept the delicious food flowing from the kitchen and always accommodated special events. We are truly grateful to Lee, Linda and Tom for the quality and quantity of the food they prepared.

The Custodian is a vital part of the operations. John Fredette, assisted this summer by Steve Chamberlain, willingly faced any and all tasks. They made a great team and together made sure that the facility ran smoothly at all times.

Sincere appreciation to Ramie Lepler, who once again this summer volunteered and was always ready and willing to lend a helping hand. Thank you, Ramie, for all that you have done for us.

I am especially pleased to offer my thanks to my wife, Bryna. Her volunteer efforts keeping track of the campers' spending money, picking up the mail, making trips to the clinic or hospital, running the canteen, tutoring, helping in the infirmary, picking up supplies, etc., are truly invaluable. She is a remarkable person!

Most of all, I want to offer my gratitude to the staff and to the campers. Ultimately, the success of the season comes down to quality of campers and quality of staff – and once again both “categories” were of the highest level! Special thanks to Mark Sands for his efforts and friendship these past two seasons.

Don't forget to check out our fantastic website ([www.westendhousecamp.org](http://www.westendhousecamp.org)) and to let your friends know about us! We continue to attract new campers largely through word of mouth, and we welcome your referrals.

Please stay well and take care. Call (617-783-2267), email ([wehbgclub@aol.com](mailto:wehbgclub@aol.com)) or write (105 Allston St., Allston, MA 02134-5029) if I can help in any way.

Executive Director

## MESSAGE FROM THE DIRECTOR

It is Sunday afternoon, August 22<sup>nd</sup>. I just finished my end of camp walk, a leisurely 3-mile stroll down the Road between the Ponds, past West Pond, through the apple orchards, up the hill overlooking Long Pond, and then back to my cottage. For the first time it seems all summer, it is now drizzling. The sky is dripping mostly tears of joy for what has been a superlative 2010 West End House Camp season.

Two hundred sixty four boys were campers, most of the modern era. All headed home with exciting, fun, and memorable stories to tell about their experiences. Whether it was participating in the first ever "World Cup," or the closest Color War in history, jumping on the Bongo, tubing across the lake, scoring the game winning basket in the Rec Hall or making a diving catch on the big diamond, playing Rafterball with bunkmates or sharing a laugh before lights out, 2010 was truly special for us all.

The themes for the staff during training and set up week were professionalism, safety and positive interactions. Counselors at all levels implemented these themes continuously from day one until the closing ceremonies on the last night of camp. We have never had more campers begging us to stay longer or come back for Color War. Comments received back from happy campers and thoughtful parents have been so positive.

Our excellent staff, was very capably led by Ryan Wilensky, Director of Operations (and primary Editor of this outstanding yearbook!); Mark Sands, our passionate Waterfront Director; and of course Bill Margolin, Executive Director who has seen it all and has proclaimed this summer as the best ever. This is largely due to our terrific group of veteran Senior Counselors: Jason Cohen, Matt Shivers, David Voshchin, Danny Bernard, Thibaut Rochette, Justin Avergon, Josh Singer, Neil Sharma, Andrew DeMarco, Brion Rock, and David Lach. Three outstanding rookie Senior Counselors were major contributors to our success: Kabir Moss, Jeff Bernstein and Drew Moura. All of our younger staff were and are extremely valuable and committed to the camp and the campers.

West End House Camp has many themes and slogans. All are as relevant and inspirational now as the first time they were used many years ago.

**"The Spirit of the House Will Never Die"**

**"When You're One of the Boys, You're Always One of the Boys"**

**"Make Friends for Life"**

**"Affordable Excellence"**

A new theme has been recently introduced: **"West End House Camp First."** This has a couple of meanings. Our goal is to be the best camp. We are always working hard to maintain and improve upon the high quality of the West End House Camp experience. Secondly, we encourage all campers, both returning and prospective rookies, to make their plans for West End House Camp first. Book your slot for the 2011 season at WEHC if you have not yet done so. Then make your other plans around the WEHC schedule. We were full in 2010; we will be full in 2011 at an even earlier date. We want you to be part of the uniquely special West End House Camp Family. We support each other through all the ups, downs, and everything in between.

It is an awesome honor, privilege, and responsibility to be a leader of West End House Camp. I pledge to work tirelessly year round to make West End House Camp First, for the benefit of you all. Thanks for your collaboration, involvement, and support.

Best regards to you and your family,

Steve Lepler

### Message from the Operations Director

It is often asked, "Which summer at WEHC was the best?" Personally, I look at 1988 as the best summer ever. We won something like 90% of our Intercamp games, Color War was unbelievable as the Blue Machine outlasted the White Empire by 4 points and the staff was terrific as well. Now, 2010 has set the new bar, as far as I am concerned. The introduction of World Cup, great staff and campers, unbelievable weather and the single closest Color War of all time make 2010 unmatched.

First off, I'd like to thank everyone who made 2010 the "GOAT" (Greatest of All Time). Steve continues to deliver the campers who get better each year. Steve works tirelessly recruiting, re-recruiting and making sure that we have campers of diverse backgrounds who have high quality character. Although the World Cup event's success can be attributed to many people, it all started when Steve and I were watching Dan Bernard's Varsity Baseball game in Sharon and Steve mentioned the idea and asked me to take the lead. I am thankful he trusted me and a few counselors to work out the kinks and provide us with the resources we needed to make World Cup so memorable.

Bill's contributions to the camp cannot be overstated. Everywhere we go, whether it is in East Parsonsfield, other camps, or in the Boston area, everyone asks how Bill is doing. Bill Margolin IS West End House Camp and he continues to personify everything we are about. Whether it's his stories, the Sea Dogs and Fun Town trips, his serial, the Spelling Bees and his overall wisdom to me and others, Bill continues to be as valuable as ever.

There are many other people who made this summer the best ever. Special thanks to Mark "Li'l Abbott" Sands for being the Waterfront Director the last two summers. Mark always brought great enthusiasm, a safety first mentality, an amazing fishing program and the West End passion. Mark, Rachel and I will miss talking about Special Education with you during the meals and trying to convince you that Pizza Barn is better than Lynwood. Hopefully you can come visit camp in 2011, take some campers fishing and babysit for us. Also, Lee, Linda and Sandi have decided to retire this summer as well. Have a great time in your retirement and thanks for the many years of exceptional service to the camp. Also, thanks to John Fredette for taking care of the camp and new assistant custodian Steve Chamberlain, who was a terrific addition to the team and even helped us with the start of Color War. Also, thanks to Ramie for volunteering throughout the summer at the waterfront. I'd like to thank Bryna for continuing to do everything behind the scenes such as taking care of the laundry, the canteen and organizing the letters home. Lastly, I'd like to thank Rachel for supporting my efforts to do a job that is so important to me and being a great partner in Shuffleboard, Murder Mystery and helping with the Color War Start. It was Rachel who painted the "COLOR WAR IS NOW" sign on the Jai Alai board. We have a new addition to the family Whitney Wilensky who will be eligible to go to the Girl's camp and better be a High Senior Captain on the Purple team. The anticipation of the baby's arrival reminded me of the days of waiting for Color War to finally start. "When is it coming already?" Steve, can we add "Babysitting" to the job charts or as a Waterfront activity?

I want to again thank Jason Cohen for running the closest Color War of all time. I will never forget the look on his face when we realized White won by 0.32 points. Jason also was huge at the waterfront and we look forward to him becoming an incredible surgeon as he enters medical school. Dan Bernard continues to be a terrific leader at camp and is now 8-0 in Color War (I am so jealous). Thanks to Brion Rock for running the newest great night activity, "Inferno," and for his wonderful sense of humor. Great job was done again by David Voshchin, who was a leader at the waterfront and was a great sport despite the disappointment of head coaching the best team to not win Color War. Also, David and Justin Avergon ran a very competitive Desert War. Any fun activity has to involve Justin Avergon, who is extremely creative and passionate about everything he does. Thanks to Josh Singer for his incredible enthusiasm and his work as a baseball and lacrosse coach. Thanks to Matt Shivers for running the Arts and Crafts program and destroying me in the Making a Bed contest during Gladiators. Thanks to Neil Sharma and Andrew DeMarco for being terrific league commissioners. Thanks to David Lach for being versatile as a ref, archery and tennis instructor and for leading "Mexico" to the first World Cup championship. Thanks to Thibaut, who is an unbelievably mature young man and one of our truly best counselors. Hopefully we will see Thibaut again in 2011. Finally, we had 3 new Senior Counselors, which is usually a hit or miss. This year we hit the lottery as Kabir Moss, Jeff Bernstein and Drew Moura were all outstanding additions to the staff. Thanks to Kabir, who did an admirable job coaching an undermanned 15-under squad and worked well with the Gottlieb crew. Thanks to Jeff Bernstein, who I have known from my teaching in Foxborough and made me look good. Jeff is a terrific baseball coach, referee and an underrated grill master, as I learned during Old Timers week. Finally, thanks to Drew Moura for running a terrific sailing program, for being a great mentor to our youngest campers, and for being part of the **HEROES** that saved a man's life in New Hampshire. Hopefully all of our new Senior Counselors will be back.

Finally, we have a great young group of emerging leaders who will move up the ranks as well as some terrific CITs who will start their new careers at West End as a part of the leadership team.

I am very excited about trying to help improve camp for the 2011 season. We look forward to emphasizing some of our better activities and creating new ones. Steve, Bill and I are already planning for 2011 and intend on making it even better than 2010.

--Ryan Wilensky

## WATERMELON LEAGUE

This year's Watermelon League season was extremely exciting, competitive, and fun. WEHC's unique brand of softball, with all campers and staff playing 2 inning games, always leads to many memorable moments for all, from the youngest campers to the oldest staff members. The standings after the 7 game regular season were as follows:

<b>Cohen/Lach/Moura</b>	<b>5-2</b>
<b>Rochette/Moss</b>	<b>4-3</b>
<b>Rock/Singer</b>	<b>4-3</b>
<b>Bernard/Sharma</b>	<b>4-3</b>
<b>Wilensky/Bernstein</b>	<b>4-3</b>
<b>DeMarco/Shivers</b>	<b>3-4</b>
<b>Voshchin/Avergon</b>	<b>2-5</b>
<b>Lepler/Sands</b>	<b>2-5</b>

The championship game pitted the Cohen/Lach/Moura team against the Rochette/Moss squad. The former had to be considered the underdog since Jason Cohen and David Lach were unavailable. Despite the valiant effort of Drew Moura and the remaining C/L/M's, Thibaut Rochette and Kabir Moss' team triumphed 10-4. Thibaut was victorious back to back in 2009 and 2010! All members of the winning team celebrated together on the final evening of camp, sharing a delicious watermelon!

Will there be a three-peat champion next year? Or will there be a new team crowned? Join us to be part of the answer!

## Intercamp Sports Report 2010

By: Ryan Wilensky

This year our Intercamp teams had many successes and got to play a variety of sports vs. many camps. We finished with a more than respectable 15-12-1 record. Early in the summer we played the 10-under day at Robin Hood. This was a great chance to get our future star athletes involved in the intercamp action. After beating Robin Hood in most of the games, we started to play most of our big tournaments. The 13-under Basketball team did very well making it to the semi-finals. They were led by Zach Chason, Jeff Santos, and Adam Josephson. The 15-under Basketball team could never find the right mix of players despite excellent coaching from Kabir Moss and Marcus Tingling. The team lost the House Game, after getting down big early and making a valiant comeback towards the end. Eric Lesser led the team along with Joey Cohen, Alex Hebert, Barrett Wilson, Corey White and David Cohen. Later in the summer, they added Louis Shaevel, David Driscoll, Mark Karmiy and Vince Leppo and were much more competitive, losing a close game in the Hood Game. Then, by the end of the summer we lost a terrific game vs. a great Winona team by 7 points and were led by Tony Adams and Momo. Eric Lesser played an inspiring game scoring over 30 points. The 15-under Baseball team was not able to reclaim its crown, losing consecutive games to Tecumseh. One of our best teams of the summer was the 13-under Lacrosse team, which was led by coaches Doug Spink and Drew Moura. Jack Lesser and others played well for this up and coming team, which should be a juggernaut in the future. At the 13-under Flag Football tournament, West End again showed well, making it to the finals where it lost a good game to Winaukee. The team was coached by David Voshchin and Justin Avergon and was led by Coby Tippet and Adam Josephson. Towards the end of the summer, we had more Intercamp games than usual. We won 4 of our last 5, including a blowout win by Jeff Bernstein's 12-under Baseball team over O-at-ka, a 4-0 win over Winona, and a bizarre 48-3 blowout in 11-under Basketball in which Winona scored its only hoop on a 3-pointer late in the 4<sup>th</sup> quarter. That amazing team was coached by Jared Klapman and Barrett Wilson and led by Coby Tippet, Jack Lesser, Eamonn McQuaid, Zach Miller, Ari Natansohn, Patrick O'Toole, Yanni Stasinis and Jordan Goldberg. In my favorite game of the summer, this team challenged a 12-under All-Star team from 3A and 3B because they wanted better competition. It was an amazing game with Coby Tippet and Javaughn Edmonds going back and forth like Kobe and LeBron. In the end, the 11-under team prevailed and was no doubt our best team of the summer. Finally, the 15-under Soccer team won a thriller in PKs at Robin Hood and was coached by Andrew DeMarco. It was tied at 2-2, after goals by Austin Plachy and Vahram Sardaryan. This team had great performances by Jacob Sands, Craig Beberman, and Josue Seoane. However, the real star was Jacob Stetson, who stopped all 4 PKs he faced in the Shootout to secure this memorable game. I'd like to thank all of the great coaches we had all summer, who also include Thibaut, Dan Bernard, Neil Sharma, Roque Reyes and Zach Leppo. West End should return to 15-under Hoop prominence in 2011 with the returns of Momo, Tony Adams, Joey Cohen, Louis Shaevel, Alex Griffiths and younger guys like Zach Chason, Adam Josephson, Coby Tippet, Javaughn Edmonds, and Mitch Lesser coming through the ranks. Hopefully Kabir will be back as well to lead these guys to our rightful spot on top of the intercamp basketball world.

## SPELLING BEE

West End House Camp competed for the fourth year in a row in the Annual Spelling Bee, sponsored by the Maine Youth Camping Association. This summer it was held on July 14<sup>th</sup> in Portland, with six camps participating in each of the two age groups.

WEHC came home with four trophies: first place for the 13-15 year olds (Alex Hebert, Keith Denning, Jeremy Zucker, and Matt Connelly), second place for the 12 and under team (Liam Flood, Sam Eggert, Jack Donaldson, Luke Stillman, and Jacob Denning), and first place for individual winners from amongst all the participants in their respective age groups – Liam Flood (12 and under) and Alex Hebert (13- 15 year olds).

Congratulations to everyone for a job well done – and well spelled!

## A Message From Your Junior/Intermediate League Commissioner

--Neil Sharma

I was extremely excited when I was told that I was going to be the Junior and Intermediate League Commissioner, and having this job was truly one of the highlights of my summer. It was a great eight weeks of leagues, as we saw countless down to the wire games, great individual performances, outstanding sportsmanship, and kids stepping up through adversity when their teams needed it the most.

Junior leagues in the first two weeks may have been the most competitive first session league I have ever seen through my seven years of camp. The theme for the team names was Toy Story, with the four teams being called the "Buzz Lightyears," "Woodys," "Team Rex," and "Mr. Potato Heads." We saw some fresh faces emerge in leagues, including Peter and John Sullivan, Brandon and Brady Buckman, Max Brody, Carlos Vives, Austin Dodes, as well as others. The combination of these kids with returning campers like Joey Lydon, Juan Carlos Gonzales, and Austin Ricker, made every game exciting. Intermediate leagues did not disappoint either. The teams were called the "Alejandros," "Just Dances," "Poker Faces," and "Bad Romances," all songs of pop singer Lady Gaga. Athletes like Jeff Santos, David and Derek Perkins, Chris Todd, Sam Shapiro, Ben Rexer, Jack Lesser, and Farid Mawanda led their respective teams, as games were hard fought every day. Unfortunately, we were not able to have league championships due to a rare bout with inclement weather.

Weeks three and four featured similar intensity and competitiveness as the first two weeks. The theme for the Junior League was "Things Sandi the Nurse Gets Mad About," and the names were the "Flip Flops," "Not Washing Hands," "Late for Medications," and "Stay Away from My Trailers." Some of the stand out athletes included Max Watson, Ethan Coomber, Tim Breckwoldt, Alex Kraus, and many of the same athletes from the first two weeks. "Not Washing Your Hands" ended up winning the championship, as they went through the session only losing one game. For the Intermediate league, the theme was "Possible Names for Rachel and Ryan's Baby." The teams were the "Ryanaurellas," "Monica Wilenskys," "Ethels," and "Jane Elizabeths" (although I doubt Ryan or Rachel would choose any of these names). Every team had good athletes, as there were few weak players in this league. The stand outs included Andrew Kern, Sam Criss, Andrew Mastrangelo, Scott Breckwoldt, Max Robert, and Henry Donnellan. The "Ryanaurellas" ended up victorious, beating the "Monica Wilenskys" in the last inning of the championship softball game.

The Junior League teams for the last four weeks were named after popular chants in the mess hall: the "Shivers Cleans the Bunks," "Ring the Bells," "2:45's," and "Worst Gottlieb Ever." Due to the increase in Seniors for the last session, some of the younger kids who were Intermediates before were moved to the Junior League, which led to more competitive play. Standouts in the last session included Alex Romantz, Jack Lesser, Javaughn Edmonds, Gabe Sands, Ari Natansohn, and Patrick O'Toole. The 2:45's won the championship, despite losing some of their top players. It was very even throughout, as there was never a clear cut first place team. The Intermediate League theme was "Things First Year C.I.T's Do," and the team names were the "Kitchens," "Complains," "Reliefs," and "Forget They're Not Campers." We saw many returning campers emerge, including Matt Shaffer, Danny Brack, Cam DeLuca, Kevin Byrne, and Jake Coughlin. These veterans, combined with new good athletes such as Coby Tippett, Craig Beberman, and Yanni Stasinis, really made way for a great 4 weeks of leagues. First place went back and forth throughout the summer, as no team ever had a safe lead. The winners turned out to be the "Complains," blowing out the "Reliefs" in the championship soccer game.

One of the biggest reasons for the success of Junior and Intermediate Leagues was due to the great coaching. The Gottlieb and 1A campers (the oldest campers) coached the Intermediate Leagues. I never had to worry about them, as they were always enthusiastic and focused. The coaches during the summer were David Cohen, Corey White, Ben Grosser, Alex Hebert, Matt Connelly, Jay Mastrangelo, Joey Cohen, and Austin Plachy. The Junior Leagues were coached by First Year C.I.T's, and although it is an interesting task to work with a team of eight, nine, and ten year olds every day, they all handled it very well. The coaches at various times during the summer were Eric Lesser, Ben Ryter, Marcus Tingling, Brendan Wolfe, Roque Reyes, and Barrett Wilson. I would especially like to thank Eric, Roque, and Marcus, all of whom coached throughout the whole eight weeks. I would like to thank all the land staff for consistently running great games all during the summer, as well as Ryan Wilensky, for making sure we always had the necessary equipment. I'm going to miss making the schedule every day, and I'm also going to miss kids always constantly asking me in the mess hall what sport their playing... well maybe not the second part.

### Senior League Report –Andrew DeMarco

Senior Leagues 2010 season proved to be a great success. In the first 2 weeks it was the Peanut Butter Brand League (even though peanut butter is not allowed at camp due to allergic reactions). It was the Jifs, Peter Pans, Skippys and Reeses. The Jifs, led by Colman Lydon, won the league. Great performances during this session were turned in by Isaac Merson, David Cohen, and Ignacio De La Torre.

During the 2<sup>nd</sup> two weeks, the League was named after Rap Groups. It was the Wu-Tang Clan, Immortal Technique, Jurassic Five, and G-Unit. Immortal Technique won the league, led by Alex Hebert and Austin Plachy. Other great performances were turned in by Adam Josephson, Louis Shaevel, Bryan Sellers and David Driscoll.

In the last 4 weeks, the League was "Things We Should Have in Camp." There were the Socials, Ping Pong Tables, Gottlieb Water Fountains, and 16 oz. Cups. The Socials were dominant the entire time with Tony Adams and Josue Seoane. They defeated the Ping Pong Tables, led by Louis Shaevel. Other solid contributors were Vahram Sardaryan, Momo, Mitch Lesser, Eric Weiss, and Jake Ryter.

**WEHC FIVE AND TEN YEAR CLUBS**

As we began our second century in the summer of 2009, we were proud to unveil two new plaques that are prominently displayed in the dining hall. The goal is to recognize and honor campers and staff who have been at WEHC for five years and for ten years. We hold an induction ceremony on Visiting Day. These committed individuals have been, and will continue to be, a huge part of our success. They will proudly show their families now and in the future that they are members of a special and exclusive club. **The 2010 inductees are in bold.** Congratulations and thanks to all the West Enders who are listed below.

## Visiting Day 2010 Edition

### Welcome

By: Kabir Moss

Greetings friends and families! West End House Camp welcomes you to the home of your boys for the past one, three, or five weeks. We all thank you. This is the 102nd season here at Long Pond and we are proud to show you how far our camp has come. Your son is part of our rich history.

For most of you, this is not your first trip to The Road Between the Ponds. For those of you who are new, me included, what we would like you to do first and foremost today is to enjoy your time here. Enjoy the wilderness, enjoy our facilities, enjoy the food, enjoy the water at Kennards, and enjoy being with your family.

At noon there will be a ceremony for all to attend honoring the newest members of the Five and Ten Year Clubs. This will take place in the dining hall. After the ceremony, at your leisure there will be lunch—hamburgers, cheeseburgers, and hotdogs—grilled by our well-trained staff. From then on, you are free to do whatever you would like—whether taking your son(s) into town to grab some ice cream or spending quality time around in camp. Whatever you do, we hope that you enjoy your visit at West End House Camp and that you have many more visits in the future!

### 13-Under Flag Football

By: Jack Lesser

Last week on July 26<sup>th</sup>, three coaches, Justin Avergon, Dave Voshchin, Ian Solomon, and 15 other boys set off to camp Robin Hood for a flag football tournament. Right as we pulled up to the field we saw our 3 competitors: Robin Hood, Indian Acres, and Winaukee. Our first opponent was Robin Hood, our biggest rival. From the opening kick-off we were ready and we grabbed the returner's flag well before the 1<sup>st</sup> down line. Then on second down, Zach Chason came from behind the receiver to intercept the Hood's quarterback. At the end of a well-fought game, it was West End 14, Robin Hood 0. In this game West End had 5 interceptions, 2 from Coby Tippett, 2 from Zach Chason, and 1 from Panharith Kong.

Our next game was against a very tough Indian Acres team. They had very athletic receivers, a quarterback who could throw, and clearly had a lot of practice time. They stopped most of our deep throwing plays so it was difficult to get in the end zone. We ended up losing the game 26-14—we had no interceptions, one of the main reasons we won the first game.

After a long break with time to make new strategies, we had a rematch against Indian Acres in the semi-finals. We scored 2 quick touchdowns thrown by Zach Chason to Nate Wright and Coby Tippett, but Indian Acres battled back until it was a 1-point game. With about 90 seconds left and the ball on our 1-yard line, Indian Acres tried to power right through the middle, but our defense held strong. Our defensive line of Austin Plachy and Juan Henao prevented Indian Acres' line from getting any push, allowing Adam Josephson and Zach Chason to run right by the sides and pull their flag. After we ran out the clock we won the game 19-18. Adam Josephson and Craig Beberman helped the team with some great defensive plays. Now we were ready to face Winaukee in the finals.

Winaukee was led by a young prodigy at quarterback, but West End still didn't fear a thing. With great offensive plays by Nate Wright and Coby Tippett, and key defensive stops, West End was 5 points from the lead at half time. Winaukee capitalized with timely offensive plays that proved to be too much for West End to overcome. Despite coming up short, West End displayed enormous class. We have talent for future years to come. The team returned with the first ever flag football trophy in West End history.

## Desert War 2010

By: David Voshchin

It wasn't the closest Desert War that West End has seen, but the energy, excitement, and passion displayed by both teams made it a spectacle to watch. The day started with a special rendition of a night activity called Liar's Club, where 4 staff men would each elaborate on a different story that answered a question related to camp. The last question being "When will Desert War start?" as the liars each gave a different day as an answer, the last answer given by Ryan Wilensky, the Director of Operations, was "NOW!" Justin Avergon and I stormed out of the kitchen, whistles blowing signaling the start of Desert War. The camp was then divided into two excellent teams: the Day (sky blue) team led by Coaches David Lach, Todd Zucker, and Roque Reyes and the Night (black) team was led by Brion Rock, Michael Kirsten, and Eric Lesser.

The first event of Desert War, Color Rush, started off slowly but was filled with intensity after the Night team won the first game. Day responded by sending wave after wave of campers in an effort to steal the next game before time ran out. Even with Day's valiant effort, the stalwart Night team proved victorious and won the first event of Desert War. After tabulating 2 points for each ball and 15 for the first ball captured of each game the Night team led by an astounding 96 points.

In the afternoon the Seniors were separated from the Intermediates and the Juniors in order to compete in our modern era "Ironman." The Ironman consists of swimming, cycling, and running portions. After a week's worth of training during waterfront activities, the seniors were ready to test their strength, endurance, and heart. It became the goal of every senior to beat his own time and the times of his competitors, ultimately hoping that their name would be placed upon West End's own Ironman board where the 10 all-time best times are kept. This year's Desert War athletes proved that no one's time was safe on the Ironman board. By the end of the afternoon we had a completely new board with 12 campers beating last year's top time. Night won Ironman, adding 40 points to their lead. Night also landed 6 of the 10 spots on the Ironman board to further extend their lead.

While the Seniors were competing in the Ironman, the Intermediates and Juniors were battling it out in Desert War Westendo, WEHC's high-energy adaptation of the classic board game, Stratego, played on the soccer field. The competitors were able to fit an incredible 15 games into this 75 minute time period, with Night narrowly winning the 15 game series with 8 wins to Day's 7. By dinner, the Night team had a comfortable lead of 145 points.

The highly anticipated evening activity was Capture the Flag, and both teams were ready for war. With the Night team pulling away, a sense of urgency crept over the Day team. In an incredible effort by both teams with some amazing runs on both sides, Night proved victorious over the undying spirit of the Day team.

The announcement of the Night team's victory was followed by the Desert War tradition, which was instituted last year. The entire team raced down toward the starting point of the new Ironman, by the tennis courts, to Desert War Rock. This rock was painted half sky blue and half black. Night had the honor of painting the entire rock black, and it will remain so until next Desert War.

## **World Cup 2010**

By: Sam London

The 2010 West End House Camp season has featured a variety of new and creative activities. One of these was called World Cup. World Cup is a one day activity in which twelve teams, named after countries, compete in six different sports: Relays, Volleyball, Handball, Crab Soccer, Kickball, and Quidditch (West End's version of the Harry Potter game). Each team member received their country's color t-shirts which they decorated with their division, name, country, sayings, and even bleached tie dye on team England. All teams played well, doing their best, juniors and seniors alike. All the coaches did not disappoint in leading their teams. For the evening activity, Ireland and Mexico faced China and France in a one inning game of Omelet Softball. After much effort from both teams, including a bomb home run by Shin Tsujimura from team Ireland, Mexico and Ireland prevailed, winning four to zero. Ireland and Mexico proceeded into the final game which was a regular soccer match. Ian Finn from team Mexico scored the one and only goal. Ever since, the Mexican flag has been hanging in the Mess Hall, to commemorate their victory. I speak for all participating campers and staff when I say that World Cup was a great success. This activity will hopefully become a tradition in the first two-week session for years to come!

## **World Cup 2010**

By: Ryan Wilensky

I must tell you how World Cup became the newest great activity at WEHC. Having worked with Jason Cohen to run the 2009 Color War, I knew I needed his opinion on how we would make this work. Jason is a master organizer and thinks of EVERY scenario, so I knew I needed him to help. Also, I knew Dan Bernard had to be involved because Dan is an unbelievable coach and knows how to run sporting events. So, before the start of camp we met at Anna's Tacqueria in Brookline for 3 hours and developed a basic outline of what we wanted World Cup to look like. The goals were to have a 1 day activity in the first 2 weeks and for it to be completely different than Color War or Desert War. World Cup ended up being 12 countries competing in a variety of sports that are almost exclusively done in World Cup. David Lach and Matt Shivers helped World Cup, when they came up with the idea of adding West End Quidditch (game from Harry Potter). So, the 6 events were Quidditch, Watermelon Kickball, Crab Soccer, Relays, Newcombe/Volleyball and Handball. Each team had campers from a variety of ages with the younger campers getting special privileges, such as playing Newcomb when the Seniors had to play Volleyball during the same game. The morning and afternoon went amazingly well. Following the daylong event when Jason, Dan and I "debriefed," we realized the Night activities could be improved. So, we have new ideas that will make World Cup 2011 much better. One of the most rewarding part of the summer was when I heard campers who missed World Cup say "I have to come the first 2 weeks next year so I don't miss World Cup again."

## Night Activities 2010

During Staff Week (before the campers arrive at camp), the counselors had a contest to see who could come up with the best new Night Activity. From that contest emerged “Inferno,” which was Brion Rock’s idea, and West End’s version of “Quidditch,” which was the idea of David Lach and Matt Shivers and was used for World Cup. I’d like to thank Travers Devlin for coming up with the game “Man Hunt,” which was a good night activity we can use in the future. Thanks to all of the staff who participated in this contest for coming up with ideas that will be used forever.

## Color War 2010

By Ryan Wilensky

Color War 2010 started at 6:45PM on Wednesday, August 11. When Jason Cohen and I decided to team up again to run Color War, one of the few regrets from 2009 was that we didn't use the "Black Light" start we thought of the year before. So, from the beginning of the summer, we knew what the Color War start would be. After going over the rules of Jai Alai in the Council Ring, Jason called each bunk to the Rec Hall to place their bets on the counselors participating. After each bunk was done, Jason and High Senior Captain, Tony Adams (who had no idea what was going on), brought the Jai Alai board out from the Rec Hall office onto the basketball court. Within seconds, I pulled the electricity switch, so the Rec Hall went completely dark. Jason and Rachel turned on battery operated black lights and magically "Color War is Now" appeared on the same Jai Alai board. The campers ran out of the Rec Hall screaming of happiness. The paint that was used on the board was purchased over 3 weeks before the start and was an invisible paint, so that nobody could see the lettering on the board while the lights were on. It was probably the best start I have seen in the 16 years I have been at West End.

This Color War had the Blue Doomsday (Evil Superheroes who are ending the world) facing off against the White Krewe. The word "Krewe" is known mainly to those who organize the Mardi Gras parade each year in New Orleans. The White Krewe was led by Head Coach Dan Bernard and fellow coaches Josh Singer, Justin Avergon, Andrew DeMarco, Doug Spink and Mike Kirsten. Their captains were Alex Hebert and Louis Shaevel. The Blue Doomsday was led by Head Coach David Voshchin and fellow coaches Thibaut Rochette, David Lach, Neil Sharma, Mike Kirsten and Brion Rock. Their captains were Tony Adams, Jake Ryter and Josue Seoane.

On Day One, the Blue started off with a 5-1 split in the morning and the White matched that 5-1 split in the afternoon. At night, however, Blue won 5/6 Tug of Wars and took a 99-75 lead into Day 2. On Day 2, Blue added to their lead by going 4-2 in the morning and there was a split in the afternoon. This was the largest lead in Color War as Blue was up by 46 going into the Night Activity. White started their big comeback that night winning the Sr. Apache Relay and all 3 spelling bees, going into Swim and Track down only 16 points. Swim and Track Day was won by White, who took a 10 point lead into the Night Activities. But, in this historic back and forth battle, Blue won the Jr. Apache and 1/3 Spelling Bees and Color War was TIED going into Day 4. White went 4-2 in the morning of Day 4, but got swept in the Omelet Games, which gave Blue a 10 point lead going into Day 5. In the last set of sports, White won 4-2 including a clutch performance by their HS Football team to take a 10 point lead into Song Night.

Song Night was quite memorable. White came in with an excellent entrance using their break dancing duo of Matt Weisman and Eric Weiss. But Blue came back with a terrific song from the floor using Anthony LeBlanc's drum solo. Both teams had hysterical skits, but Eric Weiss' performance as Mark Sands gave White the slight edge. Blue clearly won the Song from the Floor, which gave White about a 9.5 point lead going into the Alma Mater. In my opinion, Blue had the single greatest Alma Mater of all time, "The Scientist," by Coldplay, with Sam London on the piano and Jeremy Zucker on the guitar. But, it still wasn't enough. Jason Cohen and I recalculated the results of Song Night 5 times and went back and recalculated the rest of Color War a few times to make sure the shocking result was in fact accurate. A Color War won by White by .32 points. This was the closest and best Color War of all time. I was so sad while the announcement of the final scores was made because both teams deserved to win. The final score of Color War on the plaque reads 552.2 to 551.9. This is the only time where decimal points will be added to the plaque. Who knows, maybe Color War will be tied and we can finally find out what's in Bill's envelope?

### Some highlights of this Color War:

- White won 5 out of 6 Spelling Bees.
- Blue won 5 out of 6 Tug of Wars.
- Blue won 5 out of 6 Archery matches.
- Both Teams went 5-1 on Day 1 (Blue in the morning, White in the afternoon).
- White won the Sr. Track meet by 26 points.
- Of the 6 divisions, 3 went 3-3 in games and the other 3 went 4-2 in games.
- Of the 6 coaching matchups, 3 went 3-3 in games and the other 3 went 4-2 in games
- Blue Low Juniors lost their first 3 games and won their last 3.
- White High Seniors lost their first 2 games and ended up 3-3 in games.
- White High Juniors were down 1-3 in games and ended up 3-3 in games.
- In the best game of CW, the White Low Juniors scored a goal to tie the soccer game at 1-1, and then scored again in sudden death to win a great game.

### Individual Highlights of this Color War:

- Jon Dunlap (Middle Srs.), Coby Mayhew (Low Srs.) and Dylan Nottingham (High Jrs.) won every swim race they were in.
- Alex Hebert dominated the High Sr. distance in a way that has never been seen before. In an 18 lap race he double lapped the 2<sup>nd</sup> place finisher, who won the HS Distance last year and ran a great race himself.
- Chris Madden (White LJ), Luke Stillman (Blue Int.) and Matt Leppo (Blue LS) dominated their Distance in similar fashion.
- Jacob Sands (White HS) losing a tough Dash to Jeremy Zucker (Blue HS), then dominating the Steeple Chase.
- Peter Erickson pulled a great upset in the HS Swim Distance.
- Anthony Abreu scored over 30 points in Intermediate Basketball for the Blue.
- Josue Seoane played a great Shortstop in the HS game and in the Omelet wins for Blue.
- Kevin Byrne threw 2 TD passes and stripped the ball in Sudden Death overtime for the Blue Low Senior win.
- Johnny Slivinski scored 4 goals in the Intermediate Waterpolo game for White.
- Noah Aspel scoring 4 goals for the White Low Seniors in Waterpolo.
- Tony Adams and Joey Cohen each scored over 20 points in a dominating Blue HS Basketball victory.
- Denicio Campozano won the Broad Jump, Dash and came in 2<sup>nd</sup> place in the Intermediate Distance for the White team.
- Louis Shaevel threw 3 TD passes and got an interception in HS Football. Austin Plachy caught 2 of them. Also Austin scored from 40 yards out in the first 30 seconds of the Soccer Game.
- Paul Bellino gained 14 straight points in Newcomb on his serve.
- Zach Chason had 40 points in MS basketball for the Blue in a tough loss.
- Sam Eggert and Javaughn Edmonds dominated the LS Hoop game for the White.
- And the best individual performance of the summer? **Ian Finn** finished off the first ever West End Trifecta, winning World Cup (Mexico), Desert War (Night) and Color War (Krewe). But, that's not even it. He also won the Watermelon League (Rochette/Moss's) and the Sr. League Championship (Socials). **What are the odds of that? Actually its 1/1536.** Oh and he won a Staff Award too? Oh and his bunk got 100 points for Auction Part 2. I kept thinking of how great a sport Ian was during the summer of 2009 with a broken wrist and how much he deserved all the success he had this summer. Great job, Ian!

# WHITE KREWE

## **For Your Entertainment- Adam Lambert**

So hot out the box  
Can you pick up the pace?  
Turn it up, heat it up  
W the limit, are you with it?  
Got you feelin' afraid  
Ya know we'll hurt you real g e wanna be entertained  
Push ood

Let's go, it's our show, can you do what we say  
Don't trip, when you're hit with the skills we display  
We told you, we're gon' hold ya down until you obey  
Beat you down till you're out of the game

**No escaping when we start  
Once we go we're going hard  
There's no way to ring the alarm  
So hold on until it's over**

**Oh!  
Do you know what you got into  
Blue can't handle what we're 'bout to do  
'Cause it's about to get rough for you  
You're here for our entertainment**

**Oh!  
Bet you thought that we were soft and sweet  
Thought that we were easy to defeat  
But we're about to turn up the heat  
You're here for our entertainment**

'Sall right  
You'll be fine  
The Krewe is in control  
Feel the pain  
Its our pleasure  
White team's takin the gold  
Close your eyes, numb your mind  
We're just takin' your soul  
Now it's over so the party is on

**Chorus**

## **Evacuate The Dance Floor- Cascada**

Let's start the party  
Let's get out on the floor  
We're on a war path  
Come on give us some more  
Doomsday's breaking down, they're out of control  
They're begging to go free  
Blue should admit defeat

Fight White Fight  
Through the night  
Feel it under your skin  
Time is right  
Keep it tight  
'Cuz the Krewe's gonna win  
Wrap it up  
Can't stop ,cuz it feels like a overdose

**White, Krewe, breaking down the Doomsday  
White, Krewe, the girls are all around  
Blue, screams, stop this krewe is killing me  
Hey white team we're gonna burry the blue  
underground**

Their team is aching  
System overload  
Temperature's rising  
Blue's about to explode  
Watch us we're unstoppable  
Taking the show  
We've got them hypnotized  
Blue should just step aside

Fight white fight  
Through the night  
Feel it under your skin  
Time is right  
Keep it tight  
'Cuz the Krewe's gonna win  
Wrap it up  
Can't stop cuz it feels like a overdose

**Chorus x2**

**This Is How a Heart Breaks- Rob Thomas**

Blue is gonna go for a ride,  
There is no way they'll survive,  
Krewe makes the most out of life,  
and we just take them for granted.

White is like a mean machine,  
We made a mess out of blue,  
Proved we're the better team,  
Beat them so bad they are stranded.

Now were screaming and they're starting to shake,  
And we don't know how much more they can take.

**Well this is it now,  
Doomsday should just kneel down,  
This is all they can take,  
This is how the blue breaks!  
They take a hit now,  
We watch them break down,  
Doomsday's done,  
War is won,  
This is how the blue breaks!**

White Krewe on the top of the plaque,  
Doomsday is under attack,  
We've got the talent they lack,  
Our party just keeps on goin'

White Krewe's just way too darn fine,  
The girls they all get in line,  
While Doomsday just lays and dies,  
Good times with White keep on flowin'

Blue we're sorry but its not a mistake  
This war is ours blue is just left in our wake

**Chorus**

**2X** this is how the blue breaks

**Wake Me Up When September Ends– Green Day**

Summers have come and gone,  
But memories will still live on,  
Wake me up when camp starts again.

With my brothers I had a blast  
8 whole weeks have gone so fast,  
Wake me up when camp starts again.

Here comes the end of camp, I wish I could stay.  
We could be with our friends, just for one more day.

As my memories fade, I never forget what I've learned.  
Wake me up when camp starts again.

Summers have come and past,  
but West End House will always last,  
wake me up when camp starts again.

Ring out the bells again,  
like we did when camp began,  
3X Wake me up when camp starts again.

Here comes the end of camp, I wish I could stay.  
We could be with our friends, just for one more day.

As my memories fade. I never forget what I've learned.  
Wake me up when camp starts again.

## **Cheer Medley**

We'll be up up and away, up up and away  
And, they won't beat us anyway  
Cuz, White's better

We'll be up up and away, up up and away  
Cuz in the end we'll beat them anyway  
Cuz, we're better

I said, velvet masks and crazy beads,  
Judges thats all we need.

We can go to the fields, we know the deal  
smoke the other team  
as the doomsday burn we can take our turn  
singin' them dirty Krewe songs,  
whites top of the plaque, back to back,  
blue don't know whats wrong so...

Doomsday your a joke,  
shove your hope where it don't shine x4 and..

Fill up our cups, drank  
mazel tov, lichaim  
look at blue crying, crying  
they're breaking, down  
give us the crown, give us the crown  
we shut 'em down, shut 'em down  
we take the war, yeah  
and then we do it again. Cuz...

We're the white krewe, we're not like the others  
we're the white krewe we're not just another one, of  
those teams you don't remember,  
White Krewe is gonna live on forever (x2)

## **Tik Tok- Ke\$ha**

Wake up in the morning part of the White Krewe  
Grab our sneaks, We're out the door, ready to beat up  
blue  
When it's done, paint the plaque, with the white on top  
Cause when we begin to fight, we ain't gonna stop

We're talking winning each and every day, day  
Beating blue in every way, way  
Gonna make the doomsday pay, pay  
We've got all of the best athletes  
Hosting all of the parties  
Trying to get a little bit crazy

**Don't stop, make it rock**  
**White Krewe, tear the whole war up**  
**Tonight we're gonna fight**  
**Til the plaque is colored white**  
**Tick tock goes their clock**  
**But our party don't stop, no**  
**Go White Krewe, go**  
**Go White Krewe, go**

There ain't a team in the world that's as great as the  
Krewe  
We beat the blue then party, that's just what we do  
Now the girls are lining up cause we're as smooth as the  
ocean  
But that's not the case with blue 'cuz they're coached by  
Dave Voshchin

We're talking bout everybody having fun, fun  
Girls try to visit our bunks, bunks  
Crush blue if they get too close, close  
We're fightin' til we win this war, war  
til they read the final score score  
They read the final score, score  
Read the final...

## **Chorus x2**

## Cheer Medley

We're not afraid, we're not afraid  
To fight the white, to fight the white,  
Work together, work together  
Let's crush the krewe, and win this war for the  
blue  
Rule the world, it's ours forever  
Go blue go  
seize the moment, the krewe's alone  
tell us if you feel like you can challenge the  
blue (12)

it's twenty minutes til the bombs fall  
the krewe's running they're running away  
this war has been too easy  
the krewe's doing everything wrong  
we've been winning everything and more  
the krewe's running they're running away  
it's a miracle if white lives  
it's because doomsdays bombs are-  
fallin, fallin, fallin, fallin  
fallin, fallin, fallin, fallin

D-day on the attack  
Destroying the krewe  
And we will make sure that the plaque is blue  
White team's lost all hope, doomsday will  
prevail  
Gonna rule the world cause the krewe will fail

blue teams winning everything, it's all we ever  
wanted  
doomsday's done it real big, and the white  
teams knows we won it  
white team hasn't won a thing, cause the  
white team knows we want it  
give d-day a challenge, and we will beat the  
white team at it

Cause we beat them down every time they  
want to play  
blue is the best and we promise this is our day  
we always fight for it, then white team gives  
up  
then they say the same thing every single time  
  
doomsday is the best, doomsday is the best  
Doomsday is the best, doomsday is the best  
We're the best this camp has had, best this  
camp has had  
Best this camp has had, best this camp has  
had  
Doomsday is the best

**HOUSE SONG**

**The West End House Camp song we sing today was composed by Al Sherman around 1946; it was first heard at a West End House Show & Dance at the Statler Ballroom in Boston.**

**Hundreds of hearts that beat as one  
Grateful for all the House has done  
As long as the sun is in the sky  
The Spirit of the House will never die.**

**James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.**

**When you're one of the boys  
You're always one of the boys  
And here's one thing you'll do –  
You'll always go through  
You'll always go through  
You'll always go through . . . .**

**James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.**
