

## ABOUT THE COVER

We are pleased to be continuing to have pictures on four pages of the Spirit! In addition to the front and back covers, the alternate sides of these pages capture even more of what was special in 2015. Enjoy all 12 pictures!

The top picture on the front cover displays the two High Senior Captains of the White Freedom and the Blue Hustle (left to right): Juan Carlos Gonzalez, Jimmy Fitzhenry, Brady Buckman, and Austin Dodes. Brady is holding this year's Color War plaque after an exciting back and forth competition. The middle picture shows the Blue Hustle in uniform rapping during Song Night. The bottom picture displays the Triple Crown plaque, honoring those who win World Cup, Desert War, and Color War in the same year. Congratulations to Brady Bloch and Gio Tammick who accomplished this rare trifecta in 2015!

The top inside of the front cover depicts Team Ireland, this year's West End World Cup Champion, whose flag is now hanging in the dining hall for the entire year. Team members are from left to right Dom Delgado, Jacob Dyer, Dan Lavenson, Leo Mirabal, Brady Bloch, Thomas Cai, Ryan Torres, coach Mitchell Lesser, Gio Tammick, and Phoenix Almonte. The middle picture is member of this year's victorious Black "Dusk" Desert War team, from left to right Jeremy Freed, Josh Wolf, Seva Filatov, Luke Lentine, and Jack Zinman. The bottom picture shows six valiant members of the Orange "Dawn" team, from left to right Riley Bloch, Antonio Torres, Brady Cataldo, Adam Nigrelli, Ryan Cataldo, and Zylas Abney.

The inside of the back cover highlights some of the younger and veteran West Enders who make WEHC special. The top picture is of six of our terrific young campers: Bryan Da Costa, Max Andelman, Brady Bloch, Hunter Beaulac, Matty Vogel, and Zyaire Abney. In the middle picture are proud members of our Ten Year Club: Denicio Campozano, Joey Cohen, Jack Meaney, Sam Eggert, and Ian Finn. In the bottom picture are many members of the Five Year Club who were inducted during the 2015 Visiting Day ceremony. The full list of this year's new Five Year Club members is inside the yearbook, as are the cumulative lists of these prestigious clubs.

The top of the back cover shows the participants of the first Senior League game of our expanded lacrosse program. The middle picture honors our victorious 15 and under basketball team that represented us with spirit and class. The bottom picture shows one of our many spectacular sunsets over Long Pond, providing a beautiful end to another memorable day and summer at West End House Camp!

Special credit and thanks go out to outstanding photographer Jack Donaldson, who should take great pride in these cover photos and the couple of thousand pictures he took during the season. Thanks also to Josh Daigle, Carl Devis, Ryan Wilensky, and Ramie Lepler who lent their time and talents to our photographic efforts all summer.

## DEDICATION

West End House lost one of the “giants” of our history with the passing in March 2015 of the Honorable Norman S. Weinberg.

Norman, as he was known to everyone, remained a native of Brighton, MA his entire life. In 1929, at the age of ten, he first attended West End House Camp, thus beginning an affiliation with the Camp and the Club (and later with the WEH Alumni Association and the Corporate Board) that would continue virtually uninterrupted until his death 86 years later.

A graduate of Boston English High School and the College of William and Mary in Williamsburg, Virginia, Norman served honorably as an officer during the Second World War. Upon discharge, he gained his law degree from Boston University, and in 1952 was elected a State Representative from the Allston-Brighton district. For the next 26 years he proudly represented his neighbors and friends from this section of Boston.

Mister Weinberg became Judge Weinberg when Governor Ed King appointed him to the Massachusetts District Court system where he served for a decade. After his retirement from the bench, Norman worked as a mediator in a firm that he had established.

This incredibly busy man found time to be very active in many organizations, especially the West End House. He chaired many committees, including the Road Race Committee and the Capital Campaign Committee of the early 1990s. He served as an officer and eventually as President of the WEH Alumni Association and was a member of the Club’s Corporate Board, where he was Clerk at the time of his death.

Of greatest importance, however, were Norman’s successful efforts to purchase a portion of the Stanley Ringer Playground from the City of Boston on which the present West End House Boys and Girls Club, a separate organization with similar roots, was built in 1971.

Norman was equally active in West End House Camp affairs. He served for many years on the Camp’s Board of Directors and spearheaded fundraising campaigns for the benefit of children who attended. He was proud that his own son, Jimmy, attended West End House Camp for many years. Norman, himself, never missed an Old Timers’ Week until failing health prevented him from doing so. He did, however, in later years make an annual visit to the Camp, usually in the company of son Jimmy or with friends Maurice Sullivan and Jim Gavin. On those occasions he delighted in seeing the boys benefitting from the experience. Norman was always an inspiration to everyone with whom he came in contact and he was generous of his time and resources. We all feel the loss of this unique and dedicated man so very deeply.

It is with the greatest admiration and affection that we dedicate the 2015 Spirit to

NORMAN S. WEINBERG

## MESSAGE FROM THE EXECUTIVE DIRECTOR

Congratulations to everyone on a most successful summer! Another great season has ended, and we are all looking forward to more of the same great times in 2016!

Although WEH Camp is open ten weeks each summer (one week for staff training, eight weeks for campers, and one week for the Alumni), the task of directing it encompasses a full 52 weeks each year. Camp Director Steve Lepler, as he has done every year, puts all of his energy into efforts to ensure that each season is the best it possibly can be - his dedication, energy, creativity, concern, and organizational skills are unmatched, and the success of these tireless efforts can be seen on the happy faces of the campers each day. His fervent determination to ensure that West End House Camp remains *the* very best among all camps is evident. Thank you, Steve, for all you have done and will continue to do!

Ryan Wilensky has been a tremendous addition since he became Director of Operations in October 2007. His dedication and work are in the true "Spirit of the House," and he continues to play an extremely important and positive role in the lives of the youngsters we serve. Also, thank you, Ryan, for coordinating the efforts to publish the Spirit each year. Special hello to Rachel, Whitney, Wesley, and the "recently arrived" Wade.

Josh Daigle's first year as Assistant Director of Operations, was a great success and a most welcome addition to our program. His presence, especially during the evening hours, was truly appreciated. We look forward to his return, along with Brianne and Harper.

Special thanks to Danny Walsh for his efforts both on and off the waterfront! In his calm, unruffled manner he gets the job done and is willing to help wherever and whenever needed.

Allan Jacobs was a most delightful addition to our "family." His expertise at teaching juggling, his willingness to help in almost any way possible, and his warm and compassionate personality endeared him to all of us.

Our gratitude to Bob DeRosso for doing such an expert job tending to the medical needs of campers in a calm, competent, and conscientious manner. It was a pleasure to have him on board, especially since he is a New England Patriots' fan! We are delighted that he will again be joining us next summer.

Under the expert care of Property Managers, John Fredette and Steve Chamberlain, our facility remains in excellent shape. They are amazing and very talented people; we are so very fortunate to have them.

Thanks to our three cooks—"Big" Mike, Jose, and Mike - for supplying us with great meals and always cooperating for any special events or situations.

Ramie Lepler, as always, was ready and willing to lend a helping hand, especially when it came to driving the boat or taking pictures. Thank you, Ramie, for all that you do for us - and for the special food treat you bring on Friday evenings!

To my wife Bryna - I couldn't do it without you. Thank you for being there for the WEH Camp and for me!

Ultimately, the success of the season comes down to the presence and actions of campers and staff. The quality in both these categories was outstanding!

Don't forget to check out our fantastic website ([www.westendhousecamp.org](http://www.westendhousecamp.org)) and to tell your friends about us. We continue to attract many new campers through word of mouth, so if you know a good candidate who might like to join us next summer, we welcome your referral.

In the meantime, stay well, study hard, and take care. Please do not hesitate to contact me (617-783-2267 or email [wehbclub@aol.com](mailto:wehbclub@aol.com)) if I can assist in any way.

## MESSAGE FROM THE DIRECTOR

The West End House Camp 2015 season has been over for about ten weeks as I sit down in early November to write this message. My biggest take away from this past season was the large number of campers who signed up for and enjoyed longer sessions, including a few who were originally scheduled for 2 weeks and stayed for 8 weeks. We must be doing something right to inspire this! There were so many fun and exciting activities that happened each and every day. People were really happy to be there! The positive attitude, camaraderie, and important values that have become our trademarks were very much in evidence. Without even realizing it, campers were becoming more independent, self-confident, polite, skilled, and physically fit. People love West End House Camp and we love the campers and their families right back!

In 2015 we also had a totally veteran staff that showed professionalism and enthusiasm. One theme for the staff during training and set up week was to develop a long list of things we can do to help with retention and recruitment for the future. Together we have come up with many different ideas and strategies that will benefit the camp now and as we move forward.

Our excellent staff was again led by Ryan Wilensky, Director of Operations (and primary Editor of this terrific yearbook)! Ryan is a busy guy with a growing family (wife Rachel, and kids Whitney, Wesley, and recent arrival Wade). It is impressive that Ryan still does so much to help everything run smoothly.

Danny Walsh, our Waterfront Director, led a vibrant, safe, varied, educational, and fun waterfront program. Danny is so conscientious and reliable; we are very fortunate to have him as one of our leaders. It was also a pleasure having his fiancée Emma up at camp intermittently.

Living legend Bill Margolin, Executive Director, still helps out West End House Camp in too many ways to list! Though not quite as nimble as he used to be, Bill, along with his tireless wife Bryna, are important fixtures at camp.

Joining our leadership team this past summer was Josh Daigle as Assistant Director of Operations. Josh was a valuable, helpful, and pleasant addition every day. He did a wide range of important tasks, including making sure that the evenings and nights went smoothly for campers, staff, and the camp in general. Having Josh's wife Brianne and their daughter Harper also with us was a triple bonus!

We were also extremely fortunate to have a new, but experienced Health Care Supervisor, Bob DeRosso, who hit the ground running and immediately became a vital part of our community. Bob thoroughly enjoyed being part of the WEHC family and the feeling was mutual!

As another bonus, Allan Jacobs joined us for 3 weeks and lent his considerable talents, his energetic personality, and his passion for working with children to our overall efforts. Whether teaching juggling, swimming, canoeing, or sailing, or doing whatever else was needed, Allan put his positive stamp on the season.

I'd like to thank veteran Senior Counselor Barrett Wilson who also helped us in the role of CIT Coordinator. He was an excellent mentor and leader of the our huge group of talented CITs.

I am very fortunate to have Ryan, Danny, Bill, Josh, Bob, Allan, and Barrett collaborating with me to make the summer a success. It happened in 2015 and the same team will be in place for 2016! I am also very thankful to have such a supportive, patient, and helpful wife Ramie who is a big part of camp too!

I could go on and on about our exciting Color War, Desert War, and World Cup competitions, our intercamp games, our evening activities, our wide variety of sports and waterfront activities, but I'll let the rest of this yearbook speak to this. West End House Camp is "A Positive Experience That Lasts a Lifetime!" We want you to be part of the unique West End House Camp family. This will benefit you now and for the rest of your life. Please book your slot for the 2016 season if you have not yet done so and spread the word about all that is special about West End House Camp. Thank you for your collaboration, involvement, and support.

Best regards to you and your family, Steve Lepler

## MESSAGE FROM THE OPERATIONS DIRECTOR

I have to admit, bringing 2 little kids up to camp this summer with Rachel, who was 8 months pregnant, made me very nervous on a personal side, but we are all glad we did. 2015 was an incredible summer of good weather, great activities and an outstanding staff. From a programming perspective, I think I was most proud of the new night activity, Karasik Park, a hotly contested World Cup and a return to having a great Color War after the 2014 blowout.

There are so many people to thank for making this a great summer, but I will start closest to me with my family. I do not know any woman that is 8 months pregnant with 2 little kids that would come up to Maine while her husband worked most of the day. However, Rachel continues to amaze me with her selflessness, as she knows how important West End is to me and how important this job is too. I am so thankful for all the staff and campers who played with Whitney whenever she came down to lower camp. Some personal favorites of hers would have to be her swim teacher Jonah, Bebes, Mitchell, Joey, Jack Zinman and all the Goroshkos. Wesley had a great summer as he turned 1 in June and got to meet his future arranged bride in Harper Daigle (kidding). It was a special summer for Wes as he took his first steps up at camp, but he did get Mess Hall a couple times for throwing his milk. Finally, I would like to thank the baby that came in September, Wade Mel Wilensky. He did not make his mother too crazy and we are glad to add another future West Ender to the group.

As always, camp's continued success can be attributed mostly to Steve Lepler. My favorite quote of the summer came from new camper, Eric Jansky, who had gone to another camp before: "Everyone is just so nice here." Well, let us thank Steve Lepler for that. Our campers truly are an amazing group who represent us well. Steve works tirelessly to assemble a group who have the West End spirit. Also, I'd like to personally thank Steve for being flexible with me as I spent more time with my family this summer than in years past.

Bill Margolin is still going strong as the "Consigliore" of West End. I just love to watch Bill continue to do what makes him happy, telling scary stories, playing chess, give cart rides and entertaining all the visitors who come to visit. Bill continues to be as valuable and adored as ever.

Thanks to Josh Daigle, who was a huge addition to the leadership team. When Steve was excited about the prospect of Josh coming to camp as Asst. Operations Director, I had only met him during Old Timers week. Now I know why Steve wanted to get Josh on board. Josh does a great job taking care of camp into the late hours of the evening and does anything else that is asked of him.

I want to thank all the Women of West End, Bryna, Ramie, Brianne and now Emma (Danny's fiancée). They all help when they are around and do a ton of work that few see. Good luck with the wedding planning. Also, thanks to Danny Walsh for being passionate about the waterfront and giving the campers extra waterskiing practice and making smores with them at night.

Bob DeRosso was a great addition as the Health Care supervisor. Bob was always there for the kids and even liked to get in on activities like Gold Rush and Watermelon while he was on call. I am so happy Bob is already committed to coming back in 2016.

Finally, I'd like to thank the Senior Counselors individually as they are the key to the staff. I first have to thank Barrett Wilson who is my dear friend and colleague. Barrett had an extra role this summer as CIT Coordinator as he met with the CITs and even helped me work out several issues that came up. Thanks to Jonah Rappaport for leading the Night Activities and making sure they ran smoothly. Thanks to Mitchell Lesser who found out firsthand what happens when I have "an idea." This year the idea was to improve the Lacrosse program and Mitchell did an outstanding job of teaching, coaching, and reffing throughout the summer. We played intercamp Lacrosse and even played Lacrosse for leagues. Thanks to Matty Weisman for running my favorite Intensity clinic, Wrestling. Thanks to Bebes (Craig Beberman) for being a great positive leader, Gaga Commissioner and an outstanding coach as seen with 11U hoop. Thanks to Joey Cohen for his endless energy and outstanding reffing and running great Baseball Intensity. Thanks to Andrew Kern for being a great new addition and being my partner as Basketball ref in CW. Thanks to Mark Karmiy for being an outstanding 15-under Basketball coach and CW coach as well. Thanks to Matt Connelly for taking home the flag football title and having such amazing maturity and passion. Thanks to Ignacio De La Torre for a terrific Archery program and being a great OD for CW. Thanks to Zach Chason, who brought so much passion as League Commish and CW coach (and made a good choice of colleges, too). Thanks to Ian Finn who is going into his 2nd year of college, but has the wisdom and maturity of a 50 year old. Finally, thanks to Todd Zucker who did much of the thankless job of van driving and being the elder statesman for all the younger staff to look up to. I look forward to an outstanding group of Senior Counselors again in 2016.

-Ryan Wilensky

## TENDER WEST ENDERS

What a great summer back at West End House Camp! This year I had the opportunity to run West End House Camp's community service team "Tender West Enders." With the help of SC Joey Cohen, campers from cabin Gottlieb and G1 completed several projects throughout the summer. Our focus was maintaining the Road Between The Ponds, from the camp's entrance all the way past Kennards. We visited Kennards multiple times to pick up trash and clean the beach. The public noticed our efforts and many locals made a point to thank us for cleaning up. It was nice to work with such an enthusiastic and passionate group of young men.

Preparations have already begun for Tender West Ender '16! We plan to work more with the community this summer and will continue to show the Parsonsfield area what the Spirit of the House is all about!

Are you a West Ender who is tender? Do you have ideas for our future community involvement? If so, I want to hear from you!

## WATERMELON LEAGUE 2015

This year's Watermelon League season was extremely exciting, competitive, and fun. WEHC's unique brand of softball, with all campers and staff playing 2 inning games, always produces many memorable moments for all. The teams are captained and named after our Senior Counselors and Older Leaders, an honor that they all look forward to. We continued the new tradition of calling balls and strikes during Watermelon games, as well as during all of our softball games. This has made a major positive difference in the quality and pace of the games! The standings after the 7 game regular season were as follows:

Rappaport/DeRosso	6-1
Kern/DeLaTorre	6-1
Zucker/Walsh	4-3
Cohen/Beberman	3-4
Finn/Chason	3-4
Lesser/Weisman	3-4
Wilson/Daigle	1-6
Connelly/Karmiy	1-6

After Color War, there was an 8-team playoff consisting of sequential 1 inning games. Everyone had a chance to potentially taste the watermelon that comes with the championship! There were some truly close and exciting games. The final game was between the top 2 seeds Rappaport/DeRosso vs. Kern/Delatorre. This literally came down to the last batter, when Jonah Rappaport drove home the winning run with a clutch hit. All members of the Rappaport/DeRosso team celebrated and truly savored their watermelon!

Join us to be part of the fun! Watermelon League 2016 is sure to be as special as it was last summer. One of the WEHC traditions that dates back to 1959 is going strong!

## Intercamp Sports Report 2015

By: Ryan Wilensky

Another successful year of Intercamp for West End House Camp. Our overall record was once again over .500 with 18 wins, 15 losses, and 2 ties. More impressive-though is that we added 4 trophies or plaques to our already impressive array of hardware.

11-Under Basketball tournament @ Indian Acres - This team was a dominant force with the Maley brothers (Bennett and Lucas), Riley Bloch, Corey Perkins and Adam “The Eraser” Nigrelli heading up the defense. The average margin of victory in the 3 games was over 20 points. This championship team has to be considered the best intercamp team of the summer. Thanks to coaches, Craig Beberman and Victor Svedloff, who brought home the hardware.

12-Under Archery tournament @ O-AT-KA - Sure it was a 3<sup>rd</sup> place trophy, but we had never done better than 2<sup>nd</sup> to last place in this tournament. But, with impressive performances by Kevin Works (10<sup>th</sup> place), Ryan Cataldo (11<sup>th</sup> place), Griffin Yas (19<sup>th</sup>), Ethan Brodeur (20<sup>th</sup>), and Josh Wolf (24<sup>th</sup>), West End finally was able to capture an Archery trophy. Thanks to Ignacio De La Torre and Luke Stillman who did a great job as coaches.

13-Under Flag Football tournament @ Robin Hood - No need for a narrative here as Matt Connelly wrote an article. However, we not only won this tournament but also played with great character and sportsmanship. Matt Connelly and Jake Yezerki did an outstanding job of coaching as they had color coded play charts, etc. I always say to the Intercamp coaches, “I’d rather lose with class, than win without it.” Well, we accomplished both in a tournament that has caused us much heartache in the past, as we have lost in the finals many years. It was nice to get over the hump.

16-Under 2 on 2 Basketball @ Wigwam - In the most random Intercamp tournament of the summer, Barrett Wilson drove 4 of our best Basketball players to Wigwam for a 2 on 2 Basketball tournament played on 8 ft. rims. Our 2 teams made the finals and played against each other. In the end, the teams of Sam Shapiro and Pat O’Toole beat Jimmy Fitzhenry and Nyindu Kabangu in a close one, as both of our teams were dominant.

### Other Highlights...

House Game – Sam Shapiro had 37 points and JCG added another 16 points as West End won comfortably by 17 points vs. the rival Robin Hood team. Dan Lavenson, Austin Dodes, Omar Quilter and Donte Barboza had solid contributions.

Hood Game – In a repeat of the House game West End won by 13 points quite comfortably. Again, Sam Shapiro led the way scoring 21 points and JCG had 18.

13 Under Lacrosse Tournament -We hosted our first intercamp tournament in over 8 years as it was a priority this summer to do more Lacrosse. Although a couple of camps I thought were coming backed out, we still had a great time with Camp Winona and 2 evenly matched West End Teams (Blue and White). After West End White defeated the Blue team they lost to an exceptional Winona team. However, one has to wonder how we would have done with our all-star team vs. them.

13-Under Hoop Finals – Our team was dominant until the finals, where our shots just would not fall and we suffered a heartbreaking loss to Indian Acres 13-11 in the Finals. Up to then, we won games by scores of 30-3, 37-6 and 30-7.

I would like to thank all the coaches. Coaching intercamp is an extra responsibility with a huge time commitment. There are some terrific players, who are eligible next year for the 15-under Basketball. The upcoming team should be led by Ben Kaplan, who has a great old school game, Brandon Buckman, LaGordian Brown, Jeremy Freed, Yasmo, Oudom Seang, Omar Quilter, Donte Barboza, Josh Kornbleuth and George Zabalou. Watch out Robin Hood!

## 13-Under Football Tournament at Robin Hood

By Matt Connelly

This tournament was about the West Enders who played in it, yet I would like to lead off with a personal anecdote. I was on the 13-Under football team in 2009, with an arsenal of players who either had great careers at WEHC or even now start for the NC State Wolfpack (Tony Adams). All that being said, neither my team nor Coach Jake Yezerski's team could win the Tournament, and the first thing I told this team was we would be the first ever to get this evasive trophy, and we had the talent to win it.

We began the day against a solid Indian Acres team led by some tall wide receivers and an extremely mobile quarterback. I was worried until the second play, when Evan Fredel picked off their quarterback and set up Luke Lentine and Quinn Donovan for a quick score to put us up early. From there, Luke threw another two touchdowns to Evan Fredel and Donte Barboza to slide us into a solid 28-14 victory, setting us up for a day of further successes.

The second game of the day was against a small Fatima squad, and from the beginning we knew we were going to be able to run the majority of the plays we wanted to. I knew the game was going to go well when Tyrese Sealy shut down the entire left side of the field and even caught an interception out of bounds on an incredibly athletic play. From there, a scramble by Dezmond Mitchell turned into a 40-yard touchdown and a victory for our West Enders, 43-0.

Our last game of the morning was against a small yet athletic Wigwam team, and after a blowout win we came out lackadaisically and were down during the first part of the first quarter. It became even more apparent we were having a bad game when Evan Fredel jumped up to catch an interception and the ball landed in the arms of their receiver. Mental toughness helped the team though, as Evan intercepted the ball the next play and ran it back twenty yards. It was significantly better after that, as the Lentine-Donovan connection scored twice as we coasted to a 20-6 win.

After lunch we squared off against a rock-solid Winaukee team, and from the beginning we knew it was going to be an absolute battle. As the game wore on an extremely professional West End team kept its cool and competed the whole game. Tied at 12 with one-minute left, we began a drive down the field as Brandon Buckman scampered 15 yards to put us into position to score. From there, Luke Lentine threw a tight spiral high over the middle and Donte Barboza pulled in a Randy Moss-esque touchdown with mere seconds remaining, and the Defense held to give us an 18 to 12 victory. This victory actually sent Winaukee packing, as West End walked away winners with class. In the words of the ever-so-eloquent Bill Belichick, we were "On to Indian Acres."

Our final game of the day was against the same team we played at the beginning of the day, a red-hot Indian Acres team. Jake Yezerski and I decided to start the game with a trick play, and as Donte Barboza ran a WR sweep, he set his feet and hit Evan Fredel to flip the field from our goal line to theirs, allowing Brandon Buckman to run it in for the first score of the Championship Game. From there, Brandon was catching everything in sight, and the team's successes were contagious, as we won the final game by an impressive score of 37-12, securing our first ever victory. I could not be more proud of the whole team for the way they conducted themselves, and I know Jake and I took genuine pleasure in coaching this group of talented and mature young men.

## 2015 SPELLING BEE

The 11<sup>th</sup> Annual Spelling Bee, held in Portland, Maine on Thursday, July 16, 2015, saw eleven Maine camps and 135 campers compete for prizes in the two age divisions. West End House Camp, although well prepared, did not succeed in capturing first place in any of the categories.

The Junior Team (12 and under) was represented by Christopher Victorin and Liam Ross. They put up a good fight but were eventually eliminated. The word “annoyance” finally did them in. This was an annoyance.

The Senior Team (13-15 years old) consisted of Houston Barenholtz, Sam Shapiro, Stuart Lustig, Brandon Karp, and Ryan Karp. As a team, they were eliminated from the finals, but on the individual level hope sprang eternal until Ryan Karp received the fatal word “potpourri.”

Congratulations to both West End House Camp teams for their efforts, and thanks for their many hours of going through practice sheets in preparation for the Spelling Bee. The day was capped off with the annual trip by the team to the Dairy Queen, where Bill Margolin had his long awaited Blizzard Ice Cream concoction.

Many thanks to the participants, to Assistant Coach, Aaron Karasik, and to Allan Jacobs for driving the van and for help in general.

We will be looking for exceptional spellers for next summer’s competition, tentatively scheduled for mid-July 2016! – Bill Margolin

### THE FOUR QUESTIONS

At West End House Camp all of us must ask ourselves these four questions before and during all we do:

- 1) Is it safe?
- 2) Is it fun for me and for everybody?
- 3) Are we doing/teaching the right thing?
- 4) Would leaders at camp and our parents say “Go for it”?

### WEST END HOUSE CAMP’S FAVE FIVE

- 1) Positive attitude, positive actions.
- 2) Listen to your counselors.
- 3) Try your hardest.
- 4) Respect and treat others and their property as you would like to be treated.
- 5) WEHC is the best place in the world. Be grateful that you’re here. Make it even better!

## **Intermediate League Report**

By Ryan Wilensky

Intermediate Leagues have now been in their 8<sup>th</sup> year of business starting in 2008. Coaches and refs always say that the Intermediate League is the best league because of the intense competition and coaching. In the first session, the team names were WNBA teams. Unlike the WNBA, the Intermediate League has been a major success and has not had to be carried by its big brother, Senior Leagues.

Inspired by the late Martin Luther King Jr.'s famous "I have a Dream Speech," the Atlanta Dreams have been a pedestrian WNBA franchise since their inaugural season. However, the Intermediate League, The Atlanta Dreams won the first session, led by their veteran coach Gabe Sands. Coach Sands somehow was able to get 2 studs on his roster with Evan Fredel and George Zabalou, which were the KD + Westbrook of the 1<sup>st</sup> 2 weeks. He had daily conferences from the actual Atlanta Dream coach, Michael Cooper, who was an integral part of Showtime Lakers of the 1980s to find ways to play at a faster pace.

For the 2<sup>nd</sup> session, the names came from Bill's serials. Bill Margolin is known for many things, his stories, his chess skills, spelling bees, his love for piggy back rides and his serial videos he used to show to a small loyal following of campers after cake and milk. According to Wikipedia, "In 1941, an American aviator, 'Smilin' Jack' Martin wishes to resign as an advisor to the Nationalist Chinese Army in order to return to the United States to enlist as an aviator in America's military buildup prior to the attack on Pearl Harbor." Ironically, Coach Manny Mohan resigned from his position on water staff to lead this championship team. The Smilin' Jacks had a stacked roster including Basketball stars Devin Usal and Omar Quilter. With Tyrese Sealy and Kyle Mickelson's speed, this team could not be denied. Also, they had Gio Tammick, who not only won the Triple Crown, but added 2 League titles to his impressive trophy case this summer.

In the last session, the teams were named after popular deodorant brands, and the 3s and the 4s never smelt better. The key to any winning team this summer was securing the services of Gio Tammick, who won everything he did all summer except for leagues in the 1<sup>st</sup> session. Gio was the Bill Russell of West End in 2015, continually finding himself in the winner's circle. Despite lacking many Irish players, the Irish Springs had the Luck of the Leprechaun on their side and were led by Joey Cohen and rookie of the year, Eric Jansky. With a roster that included Brandon Karp, Juan Barrios, John McLaughlin and Antonio Torres, this team had the veteran savvy needed to secure a title. Also, for the first time ever, the winning team got to go to Route 160 Iced Cream as a reward. Coach Ado Jean-Noel used many of his Ultimate Frisbee theories of pace and space to increase tempo in many of his contests.

I'd like to thank the coaches, Ado Jean-Noel, Manny Mohan, Gabe Sands, and Isaiah Bedsole for doing a great job coaching Intermediate Leagues. I'd also like to thank Jake Yezerski who coached the 1<sup>st</sup> session, but took the big money contract offered by junior leagues for the rest of the summer. Also, I'd like to thank Ian Finn for doing a great job running the league.

## Junior and Senior League Report 2015

By: Jack Meaney

For the summer of 2015, I had the pleasure to assist Zach Chason as the Commissioner for the Junior and Senior Leagues, which are the portion of the day where each division is split into teams that compete against each other in sports like basketball, volleyball/newcomb, soccer, etc. In the first two-week session, the four junior team names were Adam Sandler movies. Sandler has some classic movies that the campers see and like, so this theme was fitting. The team names were: Happy Gilmore, The Wedding Singer, Billy Madison, and The Waterboy. Returning campers Riley Bloch and Ryan Torres had great first sessions and won the MVPs for weeks one and two. The senior teams were all named after tracks in the classic game Mario Kart on Nintendo 64. The tracks were Donkey Kong (DK) Mountains, Daisy Cruisers, Rainbow Roads, and Mushroom Ridges. Bunk 1A had an outstanding first two weeks with Max Brody and Ben Kaplan having topnotch performances and earning MVPs for weeks one and two.

The second two-week session, which brought new campers, new talent, and new team names, were also exciting. The junior team names were based upon the game Pokémon. The names were the Squirtles, Bulbasaur, Charmanders, and Pichachus. The campers got very excited about this theme and loved all the names. Some standout performances included Adam Nigrelli and Simon Goodman who both arrived during this session and won the MVPs of the week. In addition, Coach Mike Goroshko was able to lead his team to its second championship in a row. For the seniors, their second session theme was Gatorade flavors: Glacier Freeze, Lemon Lime, Cool Blue, and Fierce Grape. Quinn Donovan and longtime camper Juan Carlos Gonzalez brought home the MVPs for weeks three and four.

Lastly, the longest session, the final four weeks, always brings great competition. The Junior league theme was teams that are no longer in professional sports such as the Oilers, Expos, Whalers, and Supersonics. Mike Goroshko was not able to bring home the final championship, but he had a great camp season coaching juniors. The final four MVPs of the week included Antonio Agard, Jonah Bloch, Corey Perkins, and Michael Sudkin. In the Seniors' last session, Triple Crown winners was the theme with the names American Pharoah, Miguel Cabrera, Pedro Martinez, and West End's own Farid Mawanda (a camp Triple Crown is winning World Cup, Desert War, and Color War in one year). The final four MVPs for the senior division included Jimmy Fitzhenry, Almonte Henk, Austin Ricker, and Trevor Kelly.

I would like to thank all of the land staff for their excellent refereeing skills. They were a pleasure to work with and hopefully we get a group as talented next year. Junior league coaches Mike Goroshko, Sam Shapiro, Pat O'Toole, Jake Yezerski, and Jack Lesser were fantastic and patient with all of the kids all summer long. Senior League captains this year included Austin Dodes, Juan Carlos Gonzalez, Alex Joseph, Brady Buckman, Jimmy Fitzhenry, and Houston Barenholtz. They were great leaders throughout the year and have outstanding potential as future staff men at West End.

WEHC FIVE AND TEN YEAR CLUBS

As we began our second century in the summer of 2009, we were proud to unveil two new plaques that are prominently displayed in the dining hall. The goal is to recognize and honor campers and staff who have been at WEHC for five years and for ten years. We hold an induction ceremony on Visiting Day. These committed individuals have been, and will continue to be, a huge part of our success. They will proudly show their families now and in the future that they are members of a special and exclusive club. The 2015 inductees are in bold. Congratulations and thanks to all the West Enders who are listed below.

## Night Activities 2015

The “Night Activity Challenge” is a yearly event that takes place before the campers arrive. It is designed for our staff to come up with a new, creative night activity each year. This year the Challenge happened on the Saturday morning before camp started. This process has led to 8 great night activities in the last 7 years (Inferno, West Endo, Murder Mystery, Domination, Walking Dead, Trifecta, Lava, Karasik Park). This year, the winning group was Karasik Park, which was a terrific new Night Activity in which the CITs dressed as Dinosaurs and the campers had to throw dodgeballs at them around lower camp. It was named after one of its co-founders, Aaron Karasik. Thanks to all of the staff for running great night activities this summer such as Gold Rush, Domination, and Walking Dead. I would like to thank Jonah Rappaport for again organizing the Night Activities and for making sure they all ran smoothly.

## 2015 Election Results

Elections for the West End House Camp Cabinet took place on July 29<sup>th</sup>. Each candidate had to make a speech in front of the camp and field questions, in a Town Hall style format, from our distinguished panel of former Cabinet Members who have retired. Emerging from these contentious elections were the campers below. Thanks to all campers who showed enough courage to run for office and to Noah Stonehill for acting as the Secretary of State and certifying each candidate. There were 3 political parties represented at the elections: the Innovative Party (led by Jonah Rappaport), the Traditional Party (led by Matt Connelly) and the Liberal Party (led by Joey Cohen). The Liberal party won 7 positions, the Traditionalists 3, and Innovative won 2. The message has been sent, the camp is tired of the conservative regime that ran camp last summer. Look for higher taxes, more services for the people and more of an equal distribution of wealth and canteen. President Obama was quoted from his vacation town in Limerick as saying, “This is a great day for America and West End House Camp.” The Cabinet meetings were held at the end of summer and were sponsored by Dunkin Donuts.

## CHESS 2015

Chess again proved to be popular with campers and staff. Bill Margolin, who had lost the top spot in the 2014 Chess Ladder to Noah Stonehill on the very last day of camp that summer (about an hour before the busses came rolling in to transport the campers to Boston), exacted revenge on his nemesis in 2015 and emerged in first place at the end of this past season. The truth be known, however, Bill suffered many a loss at the hands of Joseph Dain, who opted not to enter the Ladder. In addition, he was constantly challenged by the likes of Max Andelman, Harry Wu and Matt Goroshko and is nervously looking at tough competition next summer.

In addition to the Chess Ladder, two Intensity Training Sessions were held last summer, wherein campers were offered instruction and practice time to perfect their skills in this field.

## World Cup Report 2015

By: Jack Meaney

In this year's version of West End's World Cup, team China was labeled the favorite to bring home the trophy and repeat as champions. In arguably the closest and most exciting World Cup yet, two underdogs advanced to the finals in a matchup between Ireland and South Africa. The interesting aspect of World Cup that we do not see in many other activities at camp is that juniors, intermediates, and seniors are together on teams. To make this fair, points are worth more for the intermediates and the most for the juniors. This year's tournament featured lots of impact by the younger campers in their games.

The Europe division was represented in the semi-final bombardment game by Spain and Ireland. Loud and energetic coach Matt Connelly and returning camper Juan Carlos Gonzalez led Spain. In addition to Gonzalez, Josh Kornbleuth, Josh Wolf, and Tyrese Sealy were key members of the team. Ireland was led by coach Mitch Lesser, a member as a camper himself, Dan Lavenson, Jacob Dyer, newcomer Thomas Cai, and all-star junior Ryan Torres. In this grueling, time-consuming battle of the titans, Ireland emerged victorious after Tyrese Sealy saw four of his half-court shots go in and out. A half-court shot would have brought his whole team back in; however, Ireland found the right mix of good luck and technical dodgeball skill.

Opposing the Europe division was the World division, which featured Brazil and South Africa in their region's semi-final. Brazil began the day with three wins and slowed down as the day went on, but were able to advance with new coach Craig Beberman, leaders Sean Karass, a senior, George Zabalou, an intermediate, and new addition Riley Bloch, a junior highly recruited by all teams. Facing them was powerhouse South Africa, who rallied with seven wins after starting the day losing their first two games. Enthusiastic coach Matt Weisman welcomed back Alex Joseph and Brandon Buckman after their year away from World Cup and added stud intermediate Evan Fredel. They were able to eliminate the 2014 reigning champion China from playoff qualification in a Volleyball/Newcomb game with an intensity World Cup had never before seen. This semi-final bombardment game ended much quicker, despite a valiant effort from George Zabalou left alone against five from South Africa. However, George was not able to defeat famous jump thrower Eddie Zhang, and South Africa moved on.

In the final matchup between co-counselors of 5A and 5B, Matt Weisman and Mitch Lesser, it was Ireland and 5A's Mitch Lesser who was able to prevail and win the West End World Cup! Junior Ryan Torres was named tournament MVP and was given the "Golden Ball." This year's tournament marked one for the record books, with every team winning at least one game, and near ties for playoff qualifications in both divisions.

I would like to thank all the coaches and campers for putting in lots of effort, as well as Sam Eggert and Ryan Wilensky with whom I had the pleasure to organize and run this great activity. Next year's tournament will be very exciting and we expect teams Spain, Brazil, South Africa, China, and all the countries to come back hungry!

Desert War 2015  
Ian Finn and Mitchell Lesser

It was not the closest Desert War that West End has seen; however, the intensity, passion, and excitement displayed by both teams made it a spectacle to watch. Desert War began on Wednesday, July 22<sup>nd</sup> during the bed making portion of the night activity, West End Gladiators. As campers were cheering on the CIT's, who were competing to make the immaculate looking bed in the middle of the Council Ring, the runners, Ian Finn and Mitch Lesser, came sprinting out of 2B yelling, "Desert War is NOW!" Soon afterwards the camp was divided into two teams, Dusk (Black) and Dawn (Orange). James Dunlea, Jack Donaldson, and Jack Lesser coached Dusk, while Sam Eggert, Spencer Quist, and Sam Shapiro coached Dawn.

The following morning the Desert War activities began and the campers participated in the Color Rush. Dusk juniors led the way in the first round by quickly picking apart Dawn's defense. Ryan Torres retrieved the first ball for Dusk 5 minutes and 30 seconds into the first round, which awarded his team an additional 5 points. Dusk then went on to win the round 8 balls to 2. Dusk went on to dominate the remaining 5 rounds and completed a sweep of the Color Rush. Dusk was awarded 115 points for the morning, and Dawn earned 5 points thanks to Chris Chun retrieving the first ball in round 5.

Although the score of the morning was lopsided, both teams came out in the afternoon with a lot of energy and enthusiasm. Up in the fields, the juniors and intermediates competed in the second year of the new Westendo challenge. The Westendo challenge consisted of four activities: a short dash relay, a tug-of-war challenge, a paddleboat dragging relay, and a half soccer field relay. Dusk once again dominated the activity and won all four of the activities, only losing the tug-of-war battle of the 2's. Dusk picked up 45 points from the Westendo challenge, and Dawn once again earned 5 points. Simultaneously, the seniors were down at Desert War Rock running the Iron Man. The Iron Man is made up of a swimming portion, followed by a biking portion, and is then finished with a running portion. Jordan Goldberg ran the challenge in 17:46 minutes which granted him the 4<sup>th</sup> best score in the modern West End Iron Man era. Christian DiPietrantonio followed up his record setting performance from last year, by beating his previous record of 17:41 and running the challenge in 17 minutes and 24 seconds. Finally, Juan Carlos Gonzales dominated the Iron Man and set the new West End Iron Man record of 17 minutes and 14 seconds. In the end Dawn won the overall race, completing the relay in 2 hours 43 minutes and 34 seconds, while Dusk finished the relay in 2 hours 54 minutes and 17 seconds. Dawn earned 50 Desert War points for the win. Dawn also earned 32 points for having 6 of the top 10 times in camp, while Dusk earned 23 points for having 4 of the top 10 times. After the afternoon activities, Dusk went into Capture the Flag up 183-92.

To finish the night, the highly anticipated activity of Capture the Flag was as good as expected. In an incredible effort by both teams, Dusk proved victorious over its opponent. Out of the 7 games, Dawn was only able to win one 30 point game, while Dusk captured 130 points over the other 6 rounds. The final score of Desert War was 313 – 112.

After the final Capture the Flag game, Dusk ran down to Desert War Rock and continued the tradition of painting the entire rock the winning color, black. As with any major activity like Desert War, it takes a lot of effort and work by many staff and administration. We would like to thank the 6 coaches for pouring their heart and soul (2 old DW names) into these teams, as well as the directors Bill, Steve, Ryan, and Josh for their continued support and assistance.

## COLOR WAR IS NOW *(as written by Ryan Wilensky in real time)*

Some background story on this year's Color War start. Some of you may know that we had a small airplane make a landing on Long Pond early in the summer and they docked at the H-Dock because of some mechanical issues. At that time Barrett Wilson (who is running it with me) and I pondered if we should ask the people who rented out the plane to repay us the favor with an airplane start. But, we decided against that since it would be too high in the air and it had been done. However, we thought the next best start may be using a drone. So, we had our tech savvy counselor, Jack Donaldson, look into finding a local guy who had a drone and we found this random dude who lives about an hour away named Adam. A few days before CW started, Barrett and I met him at his model plane club in Gorham and we tested our idea of dragging a "Color War is Now" sign with his drone. It didn't work out too well because it was too hard to drag the sign without it getting tangled. The guy was about to say "Forget it" when we asked "What if we just dropped a bunch of confetti off of it?" He seemed more open to that idea since he didn't want to compromise what he said was \$1200 worth of equipment. The original plan was for Color War to start today, Tuesday in the Council Ring before lunch using the drone. But, after looking at gloomy weather reports, we realized that breakfast would be the only chance we had. Barrett and I scurried and asked Steve Chamberlain, one of our property managers, to make a box that would easily let out blue and white papers and would fit the undercarriage of the drone. Tuesday morning at about 7AM, Adam, our 25ish year old techy drone guy, practiced using the box of confetti in the ballfields. It didn't work too well at all. After about 45 minutes of adjustments and about 20 minutes before it was go time, we finally had a way to do it as best as we could, which turned out great.

John Fredette, our other Property Manager, drove Adam and his drone up to the Mess Hall porch as all the campers waited in the Council Ring after 2nd bell. Adam got out of the car and released his drone. The kids never saw it coming, especially since a Breakfast start is so rare. Barrett yelled the magic words when the drone was in the air and CW 2015 was underway. A huge added benefit of the drone start is that Adam took pictures of the start using a GoPro that was mounted on the Drone. Then he took more pictures in the fields and at each team's meeting spot.

We are right on with the weather and realized we had a 45-minute window to get the Tugs in at about 10AM. So, in what has to be the earliest Tug of War ever, the Blue won the last 3 and won the split 4-2. Their Middle and High Seniors won quite easily. Winning the Tugs is almost a jinx as all recent winners have gone on to lose Color War.

2 great themes again this year. The White Freedom, USA loving, 4th of July celebration theme had awesome signs and their coaches reminded me of Apollo Creed entering vs. Ivan Drago. They have 2 captains, Austin Dodes and Juan Carlos Gonzalez, both terrific athletes and outstanding leaders. Their Head Coach, Todd Zucker, is very motivated after being the Head Coach of the unfortunate Blue Frontier a year ago. White's other coaches include the only returning coach from the 600-point White Rumble, Mitchell Lesser. The other 4 coaches are new with Mark Karmiy, Craig "Bebes" Beberman, James Dunlea and Luke Stillman.

The Blue Hustle are 90s rap stars that remind me of the days of Run DMC, NWA and Public Enemy. Loved the music they played during the entrances including songs like "Jump Around." Their captains are Jimmy Fitzhenry, the best athlete in camp and Brady Buckman, who is also a great athlete and terrific veteran camper. Their Head Coach is Jonah Rappaport who also coached on Blue Frontier last year as well as Zach Chason, Joey Cohen and Ian Finn. It has become an annual West End tradition that Ian Finn and Zach Chason are on Blue together. Can't remember that ever not happening. Their 2 new coaches are Aaron Karasik and Jack Meaney.

## Some interesting camper facts...

- Ben Kaplan won the Color War prediction challenge. He nailed 11/12 coaches in the correct sport and on the right color. Not sure how he did that, I think we need to step up our security. Austin Ricker won for the Blue team and both will receive coaches' shirts from their teams.
- Ben Kaplan, Austin Ricker and Josh Kornbleuth were moved up from the 1s to the High Senior division as outstanding athletes. All 3 are going to make a major impact, despite being a year younger.
- Brady Bloch and Gio Tammick are the only 2 campers still eligible for the elusive "Triple Crown" which is winning World Cup, Desert War and Color War in the same year. Both are on the Blue team so we will either have 2 new members or 0.
- All 3 Bloch's are on the Blue team (Jonah, Riley, Brady). I find it nostalgic that their head coach is Jonah Rappaport and that their fathers Matt Bloch and Lee Rappaport coached together on one of my favorite teams ever, the Blue Machine back in 1988.
- There are 2 Tagers on White (Harry, Ben) and 3 Tagers on Blue (Linden, Alex, Aidan).
- There are 3 Obi's on White (Prince, Israel, Kingdavid) and 2 on Blue (Chidi, Jay). Each team's sets of Obi's are brothers.
- The 2 Goldbergs, Jordan and Brandon are on White and the 2 Sudkins, Jake and Michael are on Blue.
- Best buddies Jack Zinman and Griffin Yas are against each other again this year. Jack won out on the Rumble last year, so Griffin is definitely looking for revenge to avoid 10 more months of ribbing.

## As for Day 1 predictions...

### Morning

In Junior (Cleanup) Kickball I like Blue with "Double A," Antonio Agard leading the way as probably the best athlete in the division. In Intermediate (Leagues) Soccer, I am going with Blue with Michael Sudkin and Jonah Bloch as the best goalie in the division. In Low Senior (Elective Time) Basketball, I like the White Team with the Twin Tager Towers of Harry and Ben, although they don't have the guard play that Blue has. In Senior (Rest Period) Volleyball, I love Blue with Blake Masse and Eric Jansky at the net giving the smaller guys fits. In Middle Senior (Night Activity) Waterpolo, I'll take White as Brandon Buckman could hang with the High Seniors, he's that good. Joe Connelly is also really good for White. Finally, in High Seniors (Cake + Milk) Softball, I really like Blue with Jimmy Fitzhenry as the best shortstop in camp and an amazing batting lineup with Austin Ricker, Ben Keller, Chase Waxman, Drew Seifer, Houston Barenholtz, and Matt Noah as all terrific hitters. So, I'm going with Blue 4-2 in the morning.

### Afternoon

In Junior Soccer I'll take White with too much depth with Hunter Beaulac, Israel Anselme and Tristan Placide. Intermediate Football, I like White as I think Gabe DaSilva is a sleeper in the division as he is a year older. Adam Nigrelli is a huge presence as well. In Low Senior Volleyball, I'll take the Twin Tager Towers for White again at the net and in Senior Hoop, I'm not going against Griffin Yas until proven otherwise, so I'll take White. Middle Senior Softball, I like Blue comfortably with just too much depth in Cole Lepler, Max Brody and Nick Akerstein. Finally, in Cake + Milk Waterpolo, I have to go with White as Jordan Goldberg is the best swimmer in camp and Josh Kornbleuth and Ben Kaplan are terrific as well. But, this easily could be an upset with Jimmy Fitzhenry having "get on my back" potential. He was the best player in High Senior Waterpolo last year. So, I like White 5-1 in the afternoon. We will see. Tennis and Archery as well as Apache Relay and Spelling Bees should be done today too.

### Day 1 Results

#### Morning

In Junior kickball, as predicted "Double A" dominated the game and Blue won by 3. In Intermediate Soccer, Gabe DaSilva was even better than I thought scoring 5 goals in a dominating 2<sup>nd</sup> half performance. In Basketball, the combination of Josue Anselme and Matt Kern at guards ended up being too much for the Twin Tager Towers who were even better than I thought in this game. Josue had 18 points and Matt Kern 16. For the White, Harry Tager must have had a triple double with points, rebounds and blocks. I'd guess he had 20 points, 20 rebounds and 10 blocks. Nick Silva was solid for White as well. In Volleyball, Blake Masse and Eric Jansky were too much as Blue won again. In Middle Senior Waterpolo, Blue was the better team with Aidan Connelly a dominant force as well as Max Brody who played well. And as expected, the one game in High Seniors I felt strongly about was that Blue would win Softball and they did easily with Jimmy being Jimmy and a great performance by Andrew Hallion in left field. It seems any number of players for Blue could have won MVP.

#### Afternoon

Huge White comeback this afternoon, as predicted. White won Jr. Soccer 6-4 as Tristan Placide, a terrific young athlete in the 5's got MVP. In Blue's only victory of the afternoon, Ben Shocket dominated in Intermediate Football, with the Bloch brothers and Michael Sudkin contributing to the victory. In LS Volleyball, the Twin Tager Towers dominated the front row and Nick Silva, one of the most underrated athletes in camp played huge as White won 3 games to 1. It got dicey for White after they won games 1 and 2 easily, but they withstood a great comeback from the Blue Team. In Senior Basketball, White won with Griffin Yas scoring 25 of his team's 49 points. John "Marc Gasol" McLaughlin scored 16 from mostly midrange shots and 3 pointers. The underrated huge part of this game was the defense of Malik Jean-Guillaume who was forced into trying to cover Eric Jansky. Eric had 14 points, but had to earn all of them as Malik's defense was stifling. Blake "The Moose" Masse, who looks like he could start for the Pats O-Line, played well for Blue as well with 10 points and well over 10 rebounds. In High Senior Waterpolo, White won surprisingly easy 8-3. Josh Kornbleuth and Jordan Goldberg had 3 goals each for White which was able to contain Jimmy Fitzhenry. So, after a day of games, amazingly, every single division is 1-1, right on track for my ultimate dream of 6, 3-3 divisions. Mark Karmiy (White Soccer coach) and Jack Meaney (Blue Football/kickball) coach are the only 2-0 coaches at this point.

At night, White won 2/3 Spelling Bees and won the Apache Relay. They were winning the entire time and had huge performances by Almonte Hank in the Free Throws and Brandon Karp who nailed the Mystery Question in about 45 seconds. Also, Juan Carlos Gonzalez did probably the hardest double duty every, doing the piggyback up the road and the run back from Kennards,

he's got to be the only person ever to do that. So, White has a 12-point lead. This Color War looks like it is evenly matched. Usually after Day 1, I'm freaking out about a division that looks uneven, but I don't get that sense at all. I'd really be surprised at this point if any division won its next 4 games.

Predictions for Day 2...

### Morning

In Junior Basketball, we are going to have a Bird-Magic battle with Tristan Placide and Antonio Agard going after it. I think Placide is slightly better and I'm going with White. In Intermediate Waterpolo, I'm going with Aiden Tager and Blue, who is a year older than the group and an unreal swimmer. In Low Senior Football, who knows? This division is so difficult to judge. I'll go with Blue as they have better running backs in Josue Anselme and a better QB with Matt Kern, but I could be way off. In Senior Softball, I like Blue a lot with Jack Zinman playing his best sport and Eric Jansky as one of the best 1<sup>st</sup> baseman in camp. In Middle Senior Volleyball, I like Blue as I think they have more depth and better big men up front with Cole Lepler and Max Brody playing the middle, but don't feel strong about it. Finally, in High Senior Soccer, this is White's other game they are favored as they have by far better soccer players. Jordan Sarnie is the best in camp, paired with Juan Carlos, Josh Kornbleuth and Ben Kaplan. However, High Senior Soccer tends to be the biggest upset quite often, so I wouldn't be shocked if Blue won either. In the end, I got Blue winning 4-2, which would get them back in the lead.

### Afternoon

In Junior Waterpolo, either White will win or it will be a 0-0 tie as only Hunter Beaulac for White is an outstanding swimmer in the group. In Intermediate Basketball, I like White a lot as "CP," Corey Perkins, is by far the best player in the group. In LS Softball, again, really hard to tell, but I'll go with Blue as they have better depth. In Senior Football, I'm going with a minor upset and picking White. Just think they have more speed, which I think is more important than the size that Blue brings with "Moose" Masse. In Middle Senior Soccer, I really like Blue with Aidan Connelly, Max Brody and Cole Lepler. However, White has Jonathan Kraus and Alejandro Vaquerano who are 2 of the most skilled players in camp. Finally, in High Senior Volleyball, I'm not going against Jimmy Fitzhenry. He is by far the best player here, so Blue it is. So in the afternoon, I think it will be 3-3. If I'm right about both scenarios, Color War will be extremely tight heading into Day 3 no matter what happens with the Spelling Bees and Apache tonight.

### Day 2 Results

Just an outstanding day of Color War today. After a day or two, I'm usually freaking out that a division or two is lopsided. I don't feel that way at all. This Color War has been awesome so far.

### Morning

I'm on a hot streak with prognostication and may want to hit Vegas after this Color War. White Juniors did indeed win in one of the most memorable games I've ever seen. Tristan Placide scored 43 of his team's 43 points. THAT IS NOT A MISPRINT. "Double A" Antonio Agard had 38 of his team's 40 for a 43-40 White victory. I can't overstate how good each player is and was. Tristan scored most of his points on drives and an amazing 13-15 from the line. "Double A" hit about 8 3-pointers and had many drives as well. Great future trivia question will be who other than Tristan and Double A scored in the Junior game? The answer is Noah Damgaard who hit a layup in the 1<sup>st</sup> quarter. This game went back and forth and was even with 2 minutes left before Tristan finally was able to pull away and finish off a legendary performance. White's Basketball coach Mitchell Lesser and Blue's coach Zach Chason apparently made a friendly wager before the game. See, they are going to be roommates at Indiana University (Great

school!!!) and they bet that the winner of this game would get to choose which bed they get when they get to school next week. Double Whammy for Zach Chason. In Intermediate Waterpolo, it was the Blochs owning the game. Riley scored the lone goal and Jonah Bloched (pun intended) about 10 what could have been goals. In Intermediate Football, White held on for a 13-7 win with Harry Tager, the tallest of the 3, scoring 2 touchdowns. Senior Softball was a much closer game than anticipated with Blue winning 5-3. Blake "Moose" Masse hit a 3 run homer and Jack Zinman played a great left field, while Eric Jansky was solid at Shortstop as well. In Middle Senior Volleyball, Blue won 3 games to 2. This division has been amazing so far. Max Brody was awesome in the middle and Yasmoo owned the net. Finally, in an upset, but not a major one in my mind, Blue scored the game-winning goal with 5 minutes left on a Jimmy Fitzhenry direct kick from about 30 yards away. Austin Ricker scored for Blue for his second goal, with 2 minutes left, on a PK for a 3-1 victory. Josh Kornbleuth, who is having a strong Color War as a 14 year old, scored White's goal in the 1<sup>st</sup> half. At this juncture all coaching matchups are at 2-1.

### Afternoon

So my prognostication run was over. Missed my window to hit Vegas when I was hot. In Junior Waterpolo, in an upset, Blue won 2-1 with Noah Damgaard getting the MVP. In Intermediate Basketball, White won easily 64-24 with "CP" Corey Perkins scoring 21 points, Adam Nigrelli had 18 and Zack Waxman put in 12. CP and Nigrelli were the best 2 players in the group and showed it. Riley Bloch scored 14 for Blue, who despite losing big, played hard to the very end. In Low Senior Softball, the only division that is now 3-1, White won again with Ben Tager as MVP. Nick Silva has to be the unsung hero so far for this division and the White Team as a whole as he has played great every game and was solid in the field. In Senior Football, in an epic defensive battle, it was a 0-0 tie. Blue almost won in the last minute with a Hail Mary pass that Dutch Senft (Blue) and Griffin Yas (White) caught almost simultaneously for each team, but Griffin came away with it on the ground in the end zone. This game went to overtime, which is done college style with both teams getting a possession from about 20 yards away. In the first "round" of overtime, neither team was close. But, in the 2<sup>nd</sup> overtime, White had it on the 1-yard line on 3<sup>rd</sup> down after they had stopped Blue. Their 3<sup>rd</sup> down plunge was close, but they just didn't make it in. On 4<sup>th</sup> down, they tried again and Dutch Senft got in there to make the game saving flag pull to secure the tie. There is no 3<sup>rd</sup> overtime as we made the rules beforehand this way to avoid a never-ending game, which it probably would have been. In Middle Senior Soccer, I was way off as I had Blue, but White dominated with Jonathan Kraus, Alejandro, and Trevor Kelly playing well. White won 5-1. In High Senior Volleyball, White won 3-0, in what I thought was a mild upset. Juan Carlos Gonzalez and Ben Kaplan were outstanding for White. So, we have 4 divisions evened up at 2-2, one at 2-1-1 (Blue's Seniors leading) and the previously stated White Low Seniors are 3-1. That's almost best case scenario.

On to the Apache Relay...

Had to have been one of the most epic and crazy Apaches of all time. I would say running the Apache Relays is probably the hardest thing I do all summer as it is utter chaos and impossible to officiate. In fact, I made a big call in the Senior Apache that I still don't know if it was right or not last night. I was praying for a blowout as it makes it much easier on my end. No such luck. I think the furthest either team got up was by a minute throughout. Blue had a slight lead going into Mystery Question and Linden Tager nailed it quickly to increase the lead a little. Then the Wiffleball... Blue coaches employed a strategy I used to use back in 1998, which was to put 4 young kids on Wiffleball and concede the 5 minutes as it is rarely completed within the 5-minute maximum time. At first it looked like this was going to backfire as their Wiffleball team wasn't even close to completing it and White was about to be in the Council Ring. But, out of nowhere, Juan Barrios nailed the pitch perfectly with the ball landing on the roof of 2A. I cringed because Max Andelman had the pressure of catching it and it really is hard to watch kids in 5A have that

much pressure. But, without any problem, Max caught in cleanly and Blue gained time. Max was so pumped he forgot to give me the ball and then threw it over my head. White kept creeping into the lead and made up time at Tennis and Archery and Blue had only about a 30 second lead as the kids walked up the road with the cup of water. At the Football punt, both teams nailed it and Blue looked like they had it with 1 event left and the running relay at the end. "Not so fast my friend!" Michael Sudkin, for Blue kicked a perfect penalty kick, which scored 95% of the time, but 95% of the time, Prince Obi, the huge Low Senior for White isn't in net. I think Prince Obi pulled a Kaeser Soze on me this Color War as he didn't try too hard in leagues and has made major impact in several events. Prince Obi used the Premier League goalie strategy of guessing a side and diving and he guessed correct, getting his paw on the kick and giving Blue a 1 minute penalty for the failed PK. White caught up and actually took a lead going into the running relay. There was some confusion during the relay and Blue was able to catch up and held on and won by 5 seconds. Unreal. Last year we had a 1 second Junior Apache finish, this year a 5. The heroics of Juan Barrios-Max Andelman and Prince Obi (in defeat) will be remembered for a long time. Blue also won 2/3 Spelling Bees and is now down only 3 points.

### Predictions for Day 3

I don't have much. I construct the teams starting with Track and Swim so I'd be shocked if either team wins today by more than 25 points or so. Swim meet is the most predictable event in Color War as the best swimmers rarely get upset. So, White has Jordan and Brandon Goldberg, Brandon Buckman, Drew Aggouras and Hunter Beaulac who are outstanding. Blue has Jimmy Fitzhenry, Aidan Connelly, Alex Tager and Aidan Tager. I like White in the Swim Meets as their guys are more dominating. In the Track Meets, for White, Juan Carlos will be big, as will Jon Kraus, Harry Tager and Tristan Placide. For Blue, Chase Waxman, Aidan Connelly, Alex Tager and Double A look good. I'm leaning Blue on the Track Meets. Prediction, White adds 15 more points to their 3-point lead.

### Day 3 Results

From a blog standpoint, there isn't too much craziness that happened in the Track and Swim Meets. White won both morning ones (Jr. Track + Sr. Swim) to take about a 19-point lead. But, Blue won both (Sr. Track + Jr. Swim) by even more in the afternoon and is now leading Color War by 5.3 points. As expected in Swim Meets, Drew Aggouras, Jordan Goldberg and Alex Tager won every race they were in. Others who did great were Hunter Beaulac, Aidan Connelly, Aidan Tager, and Brandon Goldberg. In the Track Meets there were some great races in the long distances and yet again the most memorable was the "Dan and Dave" (old school Reebok commercial) like battle between Double A and Tristan Placide. Double A was winning the entire race and even had a decent lead as he turned at the left field line and raced to home plate, but Tristan kept gaining ground. Literally, with 1 step left in the race and Double A on the inside, Tristan stuck his leg out around Double A's and tagged home about 1/8 of a second in front of Double A. Unreal. Video evidence supported our original call. Might be one of the best Color War individual matchups of all time. Tristan Goroshko again showed the heart of a true West Ender defeating Joseph Dain the Distance, which was a great race. Tristan doesn't even run at home, but just has so much heart and has that look in his eye that he will not lose. Pretty cool to see. The Middle Senior Steeple wasn't quite as amazing as the Junior one, but LaGordian Brown passed Brandon Buckman about 15 yards from home plate. Brandon gave everything he had, but just couldn't hold off LaGordian at the end. In the least shocking event in Color War Juan Carlos won the High Senior Distance and I think double lapped the entire field. Houston Barenholtz could have won vs. any other opponent except Juan Carlos and did an awesome job at getting 2<sup>nd</sup> place. I think Juan Carlos in the Distance, Kentony Chau in the Broad Jump, Jordan Goldberg and Drew Aggouras in any swim race were the closest things to a guarantee that we had all Color War. By the way, I could be wrong, but I think that makes Jordan Goldberg a

career 15-0 in every swim race he participated in as a 5 year camper. We might need to check that with the Elias Bureau. Who are those dudes by the way?

Predictions for Day 4...

### Morning

Junior Newcomb, I'm taking Double A this time for Blue. Tristan has won a couple epic battles lately, hoop and Steeple Chase, but I think Double A is the best player and Noah Damgaard is solid as well. In Intermediate Softball, I'm going with Blue fairly easily with the Bloch brothers and Sudkin. Also, this is Thomas Griffin's best sport as well. But, it is also Michael Hoffman's for White. In Low Senior Soccer, I'm going with the Twin Tager Towers and Nick Silva for White in a minor upset. I just like their chemistry right now. Blue has Linden Tager, Matt Kern, and Alex Tager, so I may regret this. But, I like the overall positive vibe that the White Team has as the only 3-1 team right now. In Senior Waterpolo, I'm going with Griffin Yas and Drew Aggouras. This could be a blowout for White. Ryan Karp is really good for Blue, but Griffin is the best scorer and Drew the best swimmer. In Middle Senior Football, this is a really tough one. Brandon Buckman is clearly the best QB/runner in the group, but Blue has size and speed everywhere. In a 50-50 game, I'll take Blue, just think LaGordian can contain Brandon and Aidan Connelly could be tough as well. Cole Lepler on the line is a beast. Finally, in High Senior Basketball, the age old West End adage is "Best Player wins HS Hoop every time." I can only think of one time I've ever seen this fail. Blue has Jimmy, enough said. White has the next 4 best players with Almonte Henk, Ben Kaplan, Austin Dodes and Juan Carlos. They also have other solid guys like Jordan Goldberg and this is Raymond Wu's best sport as well. For Blue, they will need huge games from someone other than Jimmy and it could be Houston Barenholtz, who plays like Dennis Rodman. I see Blue playing great D, Jimmy scoring 2/3 of their points, but unable to find enough points elsewhere. I'm going with White here and Jimmy will probably score 50 and make me feel dumb. So, I got 3-3, which would be awesome.

### Afternoon

3 Omelet games these days and I really like Blue in all 3 because they have the better players in each of the older groups in each game. Blue High Seniors, Seniors and Intermediates are really good and those are the older groups in these games. I'm going Blue sweep here, but the most likely scenario is probably Blue 2 games, White 1. As long as neither team is up more than 20 after today, I'll be pumped.

Day 4 Results

### Morning

Well, it did go 3-3 this morning, but not exactly how I figured. In Junior Newcomb, in another epic Double A vs. Tristan matchup, Double A's Blue squad came back after losing the 1<sup>st</sup> game to win the 2<sup>nd</sup> and 3<sup>rd</sup>. I could watch these two battle in the card game War at this point. In Intermediate Softball, as expected, Blue won handily with Thomas Griffin and the Blochs leading the way. In Low Senior Soccer, in another great game in the division, White won 3-2. Javier Mota scored twice for White and Prince Obi again stopped a PK for the White team as they held on. That division is now 4-1 White, but I think it's been a momentum thing. In Senior Waterpolo, in an upset, Blue won 1-0 with Joey Cohen scoring the lone goal. In Middle Senior Football, I was way off. Thought Blue would win a tight game, White crushed them 32-0 with Brandon Buckman and Trevor Kelly dominating the game. Finally, in High Senior Basketball, Jimmy wasn't enough to defeat an outstandingly skilled White team. Juan Carlos Gonzalez clearly was MVP as he locked down Jimmy in the 1<sup>st</sup> half and led his team in scoring with 21 points. Ben Kaplan was huge with 17 playing the high post vs. the Blue zone defense. Jimmy did erupt in the 2<sup>nd</sup> half, but the game was out of control at that point. Blue played hard the entire game, Oudom Seang scored 6 points, and Jimmy ended up with 25. Chase Waxman and

Houston Barenholtz got a ton of boards. But, White also had Almonte “Magic” Henk who controlled the tempo of the entire game and must have had over 10 assists. Almonte has an unbelievable floor sense and it was fun to watch. Raymond Wu hit a couple 3 pointers for White as well. So, Blue was still up 5.3 going into the Omelet games.

### Afternoon

I obviously got this wrong. In the Jr-Intermediate Omelet-game, White started out well scoring 5 runs, with home runs by Tristan Placide and Adam Nigrelli. But, Blue came back with 6 of their own with a home run by Riley Bloch in the bottom of the 1<sup>st</sup>. In the 2<sup>nd</sup> inning, White only managed 2 more runs to take a 7-6 lead. Blue got a man on and Double A hit a deep triple to tie the game. Michael Sudkin got the game winning hit as Double A scored the winning run. In the Low Senior-Senior Game, White upset Blue with Alberto Terrazas leading the way. Craig “Bebes” Beberman, White’s Softball coach, was on this game and did a masterful job of having his guys in the right spot defensively. In the Middle Senior-High Senior game, White won another upset taking the game kind of easily 7-3. I got insider info that “Bebes” was up extremely late the night before writing down where every kid on the opposition hits the ball and gave it to the other coaches on his team. Mitchell Lesser, his co-coach told me “Bebes” should be MVP of the Omelets. So, White is now up by 4.6 points going into Day 5.

### Day 5 Predictions...

I am rooting for either a 3-3 split or a Blue 4-2 split, which would put them up 15.4, which wouldn’t be insurmountable at all. I think any other scenario and Color War will be decided this morning barring a miracle song night performance. Unless of course there is a tie in either the Football game or Waterpolo game. That said...

In Junior Softball, I’m going with Double A and the Blue squad. He is a little better than Tristan at Softball and I think has a little more help as well. In Intermediate Newcomb, which will be an extremely long game as both teams have exceptional talent, I like White with Adam Nigrelli being so tall he can almost spike the ball. Corey Perkins is really good as well. In Low Senior Waterpolo, I think this is the game that is 50-50 and could decide the split and Color War. White has all the momentum with 4 straight wins, but Blue has the best swimmer in Alex Tager and Matt Kern is really good too. Linden Tager is solid for Blue as well. In a minor upset, I’m going with Blue. Senior Soccer should be a great game. White has the best player in Alberto Terrazas. Blue has Joey Cohen and Dutch Senft who are clearly 2<sup>nd</sup> and 3<sup>rd</sup> and even Joseph Dain who may be the 4<sup>th</sup> best player in the group. White also has Griffin Yas, Mohammed Aljundi and Josh Wolf who are all really good too. I’m going with White, who needs a victory from this group as Blue is winning the split 3-1-1 right now and I think Alberto may be way better than everyone else. In Middle Senior Basketball, it’s yet another tough one to call. I learned a harsh lesson not to pick against Brandon Buckman in a sport he is the best at and that is probably the case again here. But, this is different. Max Brody is almost as good and Cole Lepler and Yasmoo should own the paint for Blue and Blue has LaGordian Brown who plays Tony Allen like defense. I’m going with Blue. Finally, in High Senior Football, I’m going with Blue and Jimmy. Blue has the best player and they are the bigger, faster, stronger team. White has a few more skilled guys though with Almonte and Austin Dodes. But, for many of Blue’s players this is their best sport- for example, Drew Seifer who is a sick tight end, Matt Noah, Austin Ricker etc. Actually as I am writing this, I realize that Blue should win easily, which would even the High Senior split to 3-3. I can’t remember the last time that happened. So, that would mean a 4-2 Blue split and a 15.4 lead. I really think that this entire Color War will come down to the Waterpolo and Soccer games today that are 50-50. As for Song Night, I honestly have no clue who is the favorite. White’s head coach, Todd Zucker is a musician and Blue’s head coach, Jonah Rappaport is probably the most well versed counselor ever in the current music trends as that is the field he is exploring for a career while at Syracuse. I think White has some really good Song Night

organizers on their coaching staff though. Tough call, I'll say White is maybe favored by a little. So, I'll predict Blue 4-2, taking a 15.4 lead and White winning song night by 6 and Blue winning Color War by 9.4. Stay tuned.

## Day 5 Results

### Morning

I'll do this in order of when it actually happened to keep everyone in suspense. In Middle Senior Basketball, Blue crushed White, evening the split to 3-3. Yasmo was absurdly good scoring 38 points, well over 10 rebounds and a ton of assists too at the high post. Max Brody was great and LaGordian Brown lived up to his Tony Allen billing D-ing up on Brandon Buckman. In Low Senior Waterpolo, White won 3-2 in what seemed like it would be the key win of the morning at that point. Harry Tager again was MVP and may have been the most dominant athlete in Color War outside the 2 Juniors who dominated. White ended up 5-1 in this group, which was the most lopsided division in Color War. In Intermediate Newcomb, Blue won easily with Michael Sudkin and Riley Bloch leading the way. I was afraid this game was going to take 4 hours as both teams have terrific Newcomb players. This division ended 4-2 in favor of Blue. Off to the fields, where I was way, way off in Soccer as Blue won easily. The combination of Joey Cohen, Joseph Dain and Dutch Senft was too dominant in an easy victory. So, at this point it was 3-1 Blue. White needed at least one of the final 2 games in order to keep CW in reach. 4-2 Blue split and they are still in it though. High Senior Football was its typical epic battle and was almost a huge upset. White carried the play in the first half, but was unable to punch it in. In the 2<sup>nd</sup> half, Blue scored a 3<sup>rd</sup> quarter TD pass to Brady Buckman. White had several chances to tie but just couldn't pull it off. Blue's win made the division a 3-3 split, rarely seen in High Seniors. So, White now desperately needed Junior Softball or they would be done. A 5-1 Blue split would be an insurmountable lead for Blue as it would be 35. But, a 4-2 split would only make it a 15 point Blue lead heading into Song Night. The game was back and forth, but White took a 5-2 lead heading into the last inning. With 2 men on, Noah Damgaard squeezed a hit through the right side of the infield and nobody was in the 2<sup>nd</sup> line of defense. He got a tying home run to make it 5-5. White couldn't score in the bottom of the inning and in extra innings Blue tacked on 2 more to make it 7-5. But, white wasn't done. They scored a run in the bottom to make it 7-6 and had a man on 3<sup>rd</sup> with 1 out. After an easy out, Blue needed just one more out to secure CW and White needed just a single to tie the game and keep them alive. The hitter took a called 3<sup>rd</sup> strike and Blue now lead by 35 points. Juniors went 4-2 for the split in favor of Blue and Double A was dominant again. What a bummer for me, as this war seemed destined for a Song Night outcome.

### Evening

Song Night was solid for both teams. The judges were Neil Sharma, Ben Daigle (Josh's brother) and Kyle Danielson. I loved the Blue entrance, which started with a rap battle. White Freedom did 3 formations, a U, then an S, then an A for USA, which was cool. The Songs from the seats were solid. The skits were terrific. White's skit was about how in 2029, Wesley (my son) and Harper (Josh Daigle's daughter) would be dating while Harper was at the Girls camp. Austin Dodes did an amazing me and had me a little freaked out because I kind of looked like him as a 15 year old. Josh Kornbleuth was great as Steve Lepler and there were some great jokes. Very well written and acted out skit. I thought it was terrific. Blue skit was also terrific as they had the directors and behind each of us were our "Conscience." Drew Seifer was also terrific poking fun of me and Max Brody killed it as Steve. I think the best performer of the night was Jake Sudkin who played "Ryan's Conscience." He is a talented actor as he seemed to be doing improv with his lines and they were all hysterical. The setting took place as the directors were evaluating a few counselors. I have to admit, I missed the alma maters. Wesley was making weird sounds and I didn't want him to distract either team so I took a walk. Heard White's alma

mater was unreal. White ended up winning Song Night by 5, but lost Color War by 29. Great CW by both teams and their sets of coaches.

Some interesting tidbits...

- Brady Bloch and Gio Tammick did indeed accomplish the Triple Crown. Brady is only 7, so he has plenty of years to try to repeat his good fortune.
- 4 Blue Frontier coaches redeemed themselves in winning this Color War with Jonah, Ian Finn, Zach Chason and Joey Cohen.
- With Brady Buckman becoming a captain and B. Buckman going on this year's plaque, what if Brandon his younger brother, becomes a High Senior Captain next year? Would we do B. Buckman again? Bran Buckman? Stay tuned.
- Every single coach in Color War won at least 2 games. Last year there were 3 that didn't.
- High Senior Blue won every game in the fields and White every game in lower camp
- $\frac{3}{4}$  of the High Senior captains are from Sharon with Austin Dodes, Brady Buckman and Jimmy Fitzhenry. Next year Ben Kaplan, Max Brody and Brandon Buckman are in the running. Doesn't make a Stoughton, now Foxboro guy too happy. Kidding, they are all such wonderful kids.
- Best Color War records in camp now belong to James Lee and Max Brody who are both 5-0.
- Most memorable moments of the Color War had to be the ongoing battles with Tristan and Double A (especially hoop and the Steeple chase), the goal line stand in Senior football in overtime, Jimmy Fitzhenry's goal in High Senior Soccer to break the tie and the Prince Obi save in the Junior Apache relay.

See you next year.

---	---

(Chorus)

Did you think It'd be close?  
Still got scars on their back from our beat  
down

White team's chances have past  
These kinds of wounds they last and they last  
Now, does white know that they're through  
They get killed when going up against blue  
Time can heal but this won't

(solo) So get out of our way, west coast

Oh it's so sad when we just beat them  
All the time

Chorus

Band aids don't fix bullet holes  
Here tonight just for show  
We beat them down, now go blue go  
Band aids don't fix bullet holes  
Here tonight just for show  
We beat them down, now go blue go

(solo) Blue hustle on top, of the plaque

(Chorus) (Hey!)

changed  
Every game  
Through sunny days and rain  
We all feel the same things

Everybody knows  
Here's where we belong  
And everybody does  
Right here in Parsonsfield  
Let me tell you what  
The years go on and  
We're still at West End, we're still at West End  
We say goodbye but then realize  
The memories made

When camp is done.  
And time is slow

Every game  
Through sunny days and rain  
We all feel the same things

Everybody knows  
Here's where we belong  
And everybody does  
Right here in Parsonsfield  
Let me tell you what  
The years go on and  
We're still at West End, we're still at West End  
We're still at West End, we're still at West End  
Camp will be in our hearts  
Forever

# GO BLUE

## White Freedom Song Sheet

Best day of my life - American Authors  
We had a dream so big and loud  
We pictured blue team crashing down

Wo-o-o-o-o-o-o x2

We put our bodies on the line  
We will not stop until it's white

Wo-o-o-o-o-o-o x2

We're never gonna give up  
Whoa, were never gonna let down  
No, they can't stop us now

Oo-o-o-o-o-o

This is gonna be the best day of our li-i-i-i-i-ife  
Oo-o-o-o-o-o

This is gonna be the best day of our li-i-i-i-i-ife

We're beating blue in all the games  
We're winning splits and feeling great

Wo-o-o-o-o-o-o x2

With all our teams abilities  
Blue knows white team can't be beat

Wo-o-o-o-o-o-o x2

We're never gonna give up  
Whoa, were never gonna let down  
No, they can't stop us now

Oo-o-o-o-o-o

This is gonna be the best day of our li-i-i-i-i-ife  
Oo-o-o-o-o-o

This is gonna be the best day of our li-i-i-i-i-ife

Shut Up and Dance - Walk The Moon  
We're going for the plaque  
White team is feeling free  
And we're still holding back  
On beating up on the blue team  
This song night is our destiny  
We say fight white!  
We're beating the blue team

Since Blue came out to play  
We're beating them in every split everyday  
And this entire war is going freedoms way  
Oh we were bound to beat the blue team

We took the games  
Blue don't know how it happened  
Now its song night and we say  
We're going for the plaque

White team is feeling free  
And we're still holding back  
Oh beating up on the blue team  
This song night is our destiny  
We say fight white!  
We're beating the blue team

Now that color war is done  
Just look at all the points that we just won  
We were just Americans having fun  
We were bound to beat the blue team  
Bound to beat the blue team  
Since Blue came out to play  
We're beating them in every split everyday  
And this entire war is going freedoms way  
Oh we were bound to beat the blue team

We took the games  
Blue don't know how it happened  
Now its song night and we say  
We're going for the plaque  
White team is feeling free  
And we're still holding back  
Oh beating up on the blue team  
This song night is our destiny  
We say fight white!  
We're beating the blue team

Rather Be - Clean Bandits

Blue's a thousand miles from comfort, They know they have reached defeat  
And as long as white is fighting, there's no place we'd rather be  
Freedom lasts forever, Hustle will be beat  
As long as Freedom's ringing, A white plaque is what we'll see

With every step we take, We beat blue every day  
winning is so easy  
Blue Hustle has no game, Giving blue lots of shame  
We're wild and we are free

Hustle was given a chance but we took it  
It was a shot in the dark and they blew it  
Know with all of your heart, Freedom's winning  
When White is fighting, there's no place we'd rather be

We started out on a mission to keep the white on top  
Winning splits and dominating, The points don't seem to stop  
It's easy beating Hustle, Scared so easily  
As long as Freedom's ringing, A white plaque is what we'll see

With every step we take, We beat blue every day  
winning is so easy  
Blue Hustle has no game, Giving blue lots of shame  
We're wild and we are free  
Hustle was given a chance but we took it  
It was a shot in the dark and they blew it  
Know with all of your heart, Freedom's winning  
When White is fighting, there's no place we'd rather be

Cheer Medley

Time of our Lives – Pitbull

We knew we would win this war about a week ago  
We worked our tails off, and now it's paying off  
And we've got just enough; to go 600 club  
Hang up a white plaque, when this war is up

I'm coming home- Diddy

We're beating Blue  
We're beating Blue  
Tell west end we're beating blue  
Let the pain, come to stay  
Hustle's feeling it everyday  
We know a white plaque awaits  
And we're still screaming USA  
We're beating Blue  
We're beating Blue  
Tell West End we're beating Blue

Play it again - Luke Bryan

And now we say fight white fight, this is our war  
We kept on fighting as our lead grew more  
Playing with class and doing things right  
The plague will soon be white  
Now we say, let Freedom rain let Freedom rain let  
Freedom rain  
And now we say, let Freedom rain let Freedom rain let  
Freedom rain

Jordan Belfort - Wes Walker

We've been winning splits each and every day  
Stacking up the points yelling USA  
Hustle wish they could press replay  
We just beat blue and its time to say  
White Freedom  
White Freedom

Burn - Ellie Goulding

When the war started out they don't  
what went on  
Win the match, chant out loud, giving  
love to the team  
We'll be raising our hands, yelling fight  
white fight  
'Cause we got the fire, fire, fire  
Yeah we got the fire, fire, fire  
And we're gonna let blue burn, burn,  
burn, burn  
We gonna let blue burn, burn, burn,  
burn  
Gonna let blue burn

#### Fight song - Rachel Platten

We're a great team  
We've won every split  
And we wish that  
Blue could compete  
Like a team of stars  
We've won every game  
White could never have a match  
And that means we'll see a white plaque

And all those games Blue could not play  
Freedom took hold of the reigns  
We will shout Fight white fight  
And you will hear our screams because...

We are the freedom  
No team could beat us  
Classy and Reckless  
White team is turned up  
Hustle cannot stop us  
The plaque will hang white  
and we don't really care if blue team ever  
leaves  
Cause we are proud and we know we are free

Blue's losing games and they're losing sleep  
Everybody knows Freedom will defeat  
Blue's in too deep  
yeah they're in too deep  
White has won for two straight years  
We can expect to see blue's tears  
Freedom does believe  
A White plaque we'll see

#### Bless the Broken Road - Rascal Flatts

We drove down to west end house, many years  
ago  
Hoping I would find true friends, at my second  
home  
Days keep on flying through and now we don't  
know what to do  
We couldn't see how every sign pointed  
straight to you

Every long lost day leads me to west end house  
Leaving will break my heart  
This place can't fall apart  
We already can not wait  
For the next year to start  
But this much we know is true  
That when you're one of the boys you're  
always pulling through

#### Solo:

I think about the years we've spent, just  
passing through  
We'd liked to have the time we've lost and  
give it back to you  
But you just smile and take our hand  
You've been there you understand  
You've been part of a grander plan  
That is coming true

Every long lost day leads me to west end house  
Leaving will break my heart  
this place can't fall apart  
I already can not wait  
For the next year to start

And all those games Blue could not play  
Freedom took hold of the reigns  
We will shout Fight white fight  
And you will hear our screams because...

We are the freedom  
No team could beat us  
Classy and Reckless  
White team is turned up  
Hustle cannot stop us  
The plaque will hang white  
and we don't really care if blue team ever  
leaves  
Cause we are proud and we know we are free

X2

But this much I know is true  
That when you're one of the boys you're  
always pulling through

The West End House Camp song we sing today was composed by Al Sherman around 1946; it was first heard at a West End House Show & Dance at the Statler Ballroom in Boston.

Hundreds of hearts that beat as one  
Grateful for all the House has done  
As long as the sun is in the sky  
The Spirit of the House will never die.

James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.

When you're one of the boys  
You're always one of the boys  
And here's one thing you'll do –  
You'll always go through  
You'll always go through  
You'll always go through . . . . .

James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.

Rip, Rip, Rip, Rap, Rap, Rap, West End House (clap, clap, clap),  
West End House (clap, clap, clap), YEAH!
