THE STORY OF WEST END HOUSE CAMP by Allie Coles

The West End House first opened its doors in October of 1906. Our benefactor was James J. Storrow. The purpose: to have a clubhouse where all boys could meet, form clubs, and be good citizens.

The camp was started in 1908 on its present location, which we think is the most beautiful in Maine. We had only eighteen campers and a single director in those early years, slept in tents, and carried on in a rather primitive fashion. Our only buildings were a small dining hall and a very small recreation hall. We did have great times.

About twenty years later, the West End House Alumni was formed, not only to get together on occasions, but to show our appreciation for the many fine things that were done for us in our youth. The purpose of this West End House Alumni is to promote the usefulness and extend the service rendered by the West End House. To the Alumni goes the credit for the wonderful camp you see today. It is their work and their generosity which is directly responsible for all the buildings and all these great improvements we now have. The West End House Alumni Association is one of the finest in the United States. You, too, fellow camper, can someday be a member in good standing of this great Alumni. You are presently a member in good standing of our Junior Department.

A MESSAGE FROM ALLIE:

I want to congratulate our Program Director, Bobby Gordon, and his entire staff for an outstanding job. Barring rain, it was a good camp season.

To all the campers: I know you are a fine group of boys, so stay healthy, do good work in school, and I hope we'll see you back next year.

Allie Coles
Executive Director

A MESSAGE FROM THE PROGRAM DIRECTOR

Despite some unfortunate weather, the West End spirit continued to mount most obstacles. The excellent facilities, a willing and skilled counseling staff, and a group of exuberant boys and the end product should result in a fruitful summer for all concerned.

I would like to express my thanks to this year's staff for a job well done. Successful summers are guaranteed through the efforts of a co-operative group of counselors. I would also like to wish both campers and counselors the best in the coming school year. I can only hope that everyone has fond memories of their summer, and that all will be returning next year for another camp season.

WATERFRONT - 1969

This being my first season at West End House Camp, I was thrilled indeed to work on a waterfront with so many good facilities and equipment. A host of exciting activities was available to campers, depending only upon their swimming abilities. Waterfront 1969 offered skiing, sailing, canoeing, boating, fishing, skin-diving and, of course, swimming. Instruction for each activity was provided by an enthusiastic all-star cast which added zest to the summer down at the waterfront.

Skiing was one of the most popular areas around this year, with both whalers in working order almost the entire summer. Jay Wilton did a superb job driving, and many campers made it up on two skis for the first time. Another new member in the waterfront staff was an extremely versatile chap, John Speare, who helped out driving the ski boats in expert fashion and did a little swimming instruction on the side. Also worthy of special mention was Jan Singer, who gained the coveted title of "big C.I.T. on the ski dock."

Sailing, another all-time favorite, was handled by Marty Jacobs this year. Although there weren't a lot of big winds, old skipper Marty came through with a stunning all-around performance as campers of all ages passed their sailing test. Dana "Paddle" Jackson took good care of the canoeing department. Several bunks went on overnight camp-outs across the lake --- outfitted by Dana's canoes and aided by his paddling prowess. Worthy of note is Buddy "Big Bud" Pickman who gave a hand all summer long to both Dana and Marty, on the docks and on the rocks.

And last but not least, I must commend the swimming staff--- a fine bunch of men, including such heroes as Dick "Sharpie" Sharpstein, Keith Sherman, Chuck Schwartz, and yours truly, The Big Cheese. I must soberly admit that, with three full weeks of rain, I never thought any campers would finish their Red Cross Achievement Cards. But alas! the swimming staff came through; and, by their efforts, many campers won the cards they worked so hard for. Of great aid to the entire swimming staff was Bobby "Little Sharpie" Sharpstein, and up-and-coming instructor who will be around to help out for many seasons to come.

My congratulations go to the entire Waterfront 1969 staff for their supreme efforts and deserved accomplishments.

Mike Gabel
Head of the Waterfront

BOATING ACTIVITIES REPORT

One of the most common occurrences of this past season for the boating staff was the balling out of the boats. The rains came almost continuously.

Between the drops of rain, the boats went out often enough to take for plenty of enjoyment. Although there was trouble with the motorboats, they were in operation almost all the time. Buddy Pickman did a fine job consistently in this part of the program as well as helping greatly with canoeing and sailing.

Dana Jackson handled canoeing expertly and also helped out with the other facilities. Splash King fights in the canoes down at Harards were, of course, daily happenings --- and enjoyed by all who took part in them.

The sailing program was enhanced this year with the introduction of shore lessons and testing. Many people were allowed in the sailboats this year ---and there were more people than ever who actually know what they were doing. This included everything from rigging boats to the actual sailing technique. Dana and Buddy were a great help to me in this program.

Water skiing was once again one of the most popular activities in camp --- this year under the direction of Jay Wilton and John Speare. The motorboats were constantly in use with a great number of campers learning this sport.

Many thanks once again to the entire boating staff for helping to make the program successful.

Marty Jacobs
Boating Director

ARTS & CRAFTS

Once again Wonderland's physical structure remained intact (much to my amazement) after being besieged by 133 campers, a week of Carnival preparations climaxed by the C.I.P. Horror House, and an onslaught on Blue and White color war coaches. The leather, clay, paints, photographic equipment and gimp have all been used and many fine articles have been made.

In leather this year the main emphasis shifted from moccasins to vests and wristbands, with many creative designs and styles being produced. Wallets, coin purses, comb and key cases, and hair bands were also made along with the ever-popular lanyard.

The potter's wheel and kiln were used to produce many useful and good-looking vases and pots.

The new darkroom under the direction of Larry Payson developed and printed rolls of film and unfolded the mystery of picture-taking and -making to many campers.

Wonderland this year has been active and rewarding for me, and I wish to thank Larry for his assistance in my Arts & Crafts program.

John Diem
Arts and Crafts Director

ARCHERY - 1969

This year archery continued its growth in popularity, begun four years ago under the direction of Dana Jackson. A number of improvements in the program can be credited for this growth. The new laminated bows, matched arrows, and a new target are improvements in the area of equipment. The new bows and arrows aided the camp's accomplished archers in getting the feel of fine equipment. The new target, being larger than the old one, aided new archers in the field of confidence, and saved arrows due to fewer misses. To me, the largest improvement was the addition of an inter-camp archery meet against Camp Harist. Although we lost the meet, it was the first step in gaining a regular archery team, and competition in all age groups.

As in the past Camp Archery Association Awards served as the main stimulus in the program. The awards served notice of the increasing competence of most End bowmen, as a NUMBER number of boys gained the rank of Archer, a very reasonable accomplishment.

Especially the future holds improved equipment, more meets, and possibly experiments in different types of archery, such as field or flight shooting.

Mark O'Donoghue
Archery Program Director

TENNIS

Mike Sacks joined the tennis staff and proved to be an excellent addition. Mike, Jimmy Gordon, and I managed to teach a few crash lessons and squeeze in the tournament during the summer rains.

The 15-and-under tennis team beat Camp O-At-Ka twice, 3-2 and 5-0. The members of the teams included: Jimmy Gordon, Mike Sacks, Bob Rosenberg, Marc Cutter, Jeff Swartz, Mike Finn, and Dave Bikofsky.

Stuart Brightman won the 12-and-under Singles title, beating Andy Perkins 6-3, 6-0 in the finals. Ricky Gordon and Barry Geller beat Brightman and Jeff Rublin in the 12-and-under doubles finals 6-2, 6-2. In a marathon final, Cutter and Rosenberg beat Finn and Swartz 3-6, 8-6, 6-2 for the 14-and-under doubles championship. Finn will play Rosenberg in the 14-and-under singles finals.

Terry Coombs

14-AND-UNDER BASEBALL

On July 25, the 14-and-under baseball team defeated Camp Robin Hood, 7-2, in the only game of the year. Mike Finn pitched a strong game, ending up with 12 strikeouts. Peter Kaplan, Mitchell Asch and Jeff Swartz were outstanding with the bat, while Gordon Skrier and Gene "Llama" Randal were outstanding in the field.

Thanks for a job well done.

Chet Herwitz
Peter Nason
Bill Swiecicki

16-AND-UNDER BASKETBALL

The 16-and-under basketball team compiled a record of 0 wins and 3 losses. The record was no indication of the work the boys put in and the contests were fairly close.

I'd like to thank all those who participated and praise them for their efforts.

Coach Peter Gordon

the 16-and-under team: Bill Griffin, Ricky Boulier, Mike Finn, Peter Nason, Jan Singer, Peter Kaplan, Bert Savitsky, Bill Sw., Roger Sherman, Billy Swiecicki, Jimmy Gordon, Neil Goldberg, Mark Cohn, & Chet Herwitz.

14-and-under BASKETBALL

Once again the West End House 14-and-under basketball team posted a winning season. Although we played only two games, they were excellent indications of the potential and ability of the members of the team. The highlights of both games were the control of the boards by the big men, and the tight, passing, man-to-man defense of the backcourt. Mike Finn, John Klapman, Gordon Shrier, and Arthur Baker showed Camp Robin Hood, our opponent in both games, no mercy in battling for rebound, while the backcourt of Peter Kaplan and Mitchell Asch confused, harassed, and repeatedly stole the ball from Robin Hood. But what is a team without bench strength? Alan Jacobs, Dave Zikofsky, Steve Marcus, Jeff Swartz, and Gene Handel provided the necessary reserve strength for victory, coming off the sidelines to add their spirit, desire, and all-around hustle.

The combination of all these factors enabled the West End House Camp to defeat Robin Hood twice, by scores of 36-23, and 45-35.

I would like to ~~thank~~ thank ~~all~~ all the boys who gave so much of themselves!

Reggie Bird

SOCCER AT WEST END HOUSE

For the West End House Camp, soccer turned out to be a very successful sport this year. Coaches Barry Freedman for the 10 and 11 year old teams, and Chuck Schwartz for the 12 year old team ~~W.H.~~ put together good teams in 1969. The only loss of the season came in the first game, at the hands of Camp Robin Hood by a score of 4-3 in double overtime. Even in defeat, W.E.H. Camp played a fine game, with Eric Oldsman scoring twice. The next game was a 4-1 victory over Robin Hood with last-minute starter Mike Greenberg scoring twice and Eric Oldsman again coming through with a goal. The third game of the season was a stunning 7-0 victory over Robin Hood. Mike Greenberg was unbelievable as he poured in five goals and set up a goal by the consistent-scoring Oldsman who also managed four assists in the game. Our season ended with a bang as W.E.H. defeated Robin Hood for the third consecutive time, by a score of 4-1. This was the only game for the 12 yr. old team, but it was a fine one. Peter Greenberg was superb in the goal and his brother Mike again provided the spark needed with a goal and an assist. Eric Oldsman again scored.

This year's teams provided many exciting moments for their coaches and for the whole camp, and it looks as though there will be another year of fine soccer teams to look forward to next summer.

Also many thanks to Rico Gordon, Barry and David Geller, Ricky Olin, Tommy Regis, Ned Cohen, Wayne Swartz, Andy Starr, and all others who participated in making this a great year for soccer at West End House Camp.

and a case of Clearasil.
We leave Bobby Rosenberg two more.....

We leave Gottiled a can of disinfectant spray to cleanse
the pier and a guide to leadership

WATERFRONT - 1969

This being my first season at West End House Camp, I was thrilled indeed to work on a waterfront with so many good facilities and equipment. A host of exciting activities was available to campers, depending only upon their swimming abilities. Waterfront 1969 offered skiing, sailing, canoeing, boating, fishing, skin-diving and, of course, swimming. Instruction for each activity was provided by an enthusiastic all-star cast which added zest to the summer down at the waterfront.

Skiing was one of the most popular areas around this year, with both whalers in working order almost the entire summer. Jay Wilton did a superb job driving, and many campers made it up on two skis for the first time. Another new member in the waterfront staff was an extremely versatile chap, John Speare, who helped out driving the ski boats in expert fashion and did a little swimming instruction on the side. Also worthy of special mention was Jan Singer, who gained the coveted title of "big C.I.T. on the ski dock."

Sailing, another all-time favorite, was handled by Marty Jacobs this year. Although there weren't a lot of big winds, old skipper Marty came through with a scintillating all-around performance as campers of all ages passed their sailing tests. Dana "Saddle" Jackson took good care of the canoeing department. Several bucks went on overnight camp-outs across the lake -- deflated by Dana's peeces and aided by his paddling prowess. Hooty of note is buddy "Big Bud" Pickman who gave a hand all summer long to both Dana and Marty, on the docks and on the rocks.

And last but not least, I must commend the swimming staff--- a fine bunch of men, including such heroes as Dick "Sharpie" Sharpstein, Keith Sherman, Chuck Schwartz, and yours truly, The Big Cheese. I must soberly admit that, with three full weeks of rain, I never thought any campers would finish their Red Cross Achievement Cards. But alas! the swimming staff came through; and, by their efforts, many campers won the cards they worked so hard for. Of great aid to the entire swimming staff was Bobby "Little Sharpie" Sharpstein, and up-and-coming instructor who will be around to help out for many seasons to come.

My congratulations go to the entire Waterfront 1969 staff for their supreme efforts and deserved accomplishments.

Mike Gabel
Head of the Waterfront

BOATING ACTIVITIES REPORT

One of the most common occurrences of this past season for the boating staff was the hailing out of the boats. The rains came almost continuously.

Between the drops of rain, the boats went out often enough to make for plenty of enjoyment. Although there was trouble with the rowboats, they were in operation almost all the time. Buddy Pickman did a fine job consistently in this part of the program as well as helping greatly with cantering and sailing.

Dana Jackson handled cantering, rope work and also helped out with the other facilities. Splashing and fighting the canoes down at Canards were, of course, daily happenings and enjoyed by all who took part in them.

The sailing program was enhanced this year with the introduction of shore lessons and testing. Many people were allowed in the sailboats this year -- and there were more people than ever who actually knew what they were doing. This included everything from rigging boats to the actual sailing technique. Dana and Buddy were a great help to me in this program.

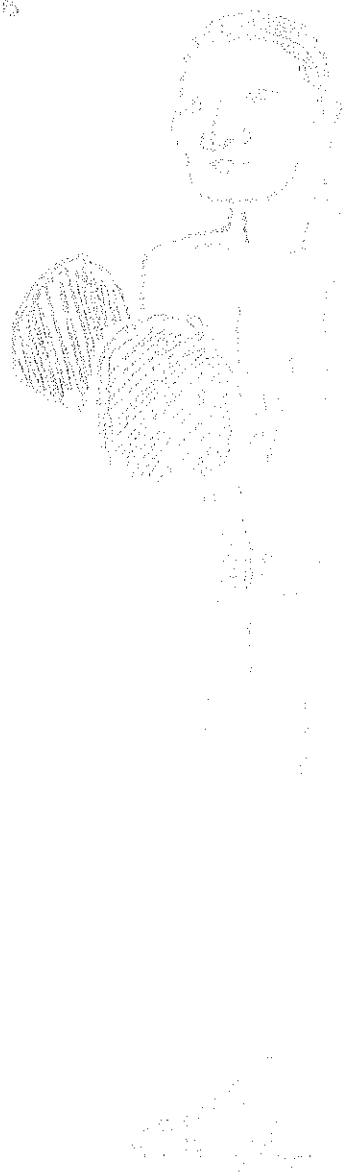

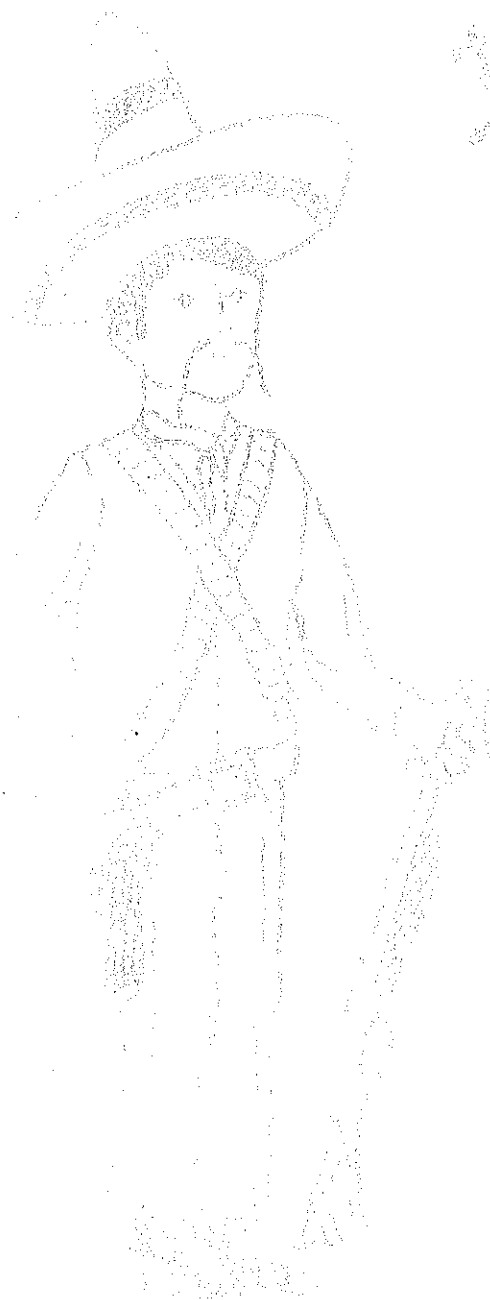

Waterskiing was once again one of the most popular activities on camp --- this year under the direction of Jay Wilton and John Spears. The motorboats were constantly in use with a great number of campers learning this sport.

Many thanks once again to the entire boating staff for helping to make the program successful.

Marty Jacobs
Boating Director

WHITE MAN SONG (to the tune of "March, Now the Best Ashore"
and "Swing Low, Sweet Chariot")

The Great White Hope is on its way --- Hallelujah
Corkin' forward to the judges' day --- Hallelujah.

Let's go, O Great White Hope
Comin' for to win this war.
Let's go, O Great White Hope
Comin' for to win this war.

Proclamation on our heads is strong --- Hallelujah
The lovely blue head man's last long --- Hallelujah.

Oh grave, O Great White Hope
Gonna show the black man's boss.
Oh grave, O Great White Hope
Gonna read the black man's loss.

The war is long and the war is rough --- Hallelujah
Be assured that the whites are tough --- Hallelujah.

Stand tall, O Great White Team
Surely gonna do our thing.
Stand tall, O Great White Team
Listen to us as we sing.
(Repeat first 2 verses in unison twice)

WHITE TEAM CHORUS

It won't be long till the blues are out
The Whites will win without a doubt
The blues are down, the count is on
His team courage is almost gone.

Oh! the blues have tried and failed
Now they're dead, the coffin is nailed
The Whites are winning and showing their worth
It's their fault when the blues are made their first.

Courage is carved in every heart
Before had the blues from the very start
In the days went by the Whites got stronger
The Negroes called for Whites to outgrow.

Something's coming, something's here
The blues' victory's in the air.
The blues are dead, we'll lead them victors
The Great White Hope, the war is over.

White Team Song

(Chorus) We got the whole war in our hands
We got the whole war in our hands
" " " " " " " "
" " " " " " " "

Well it won't be long 'till the blues are out
The Whites will win without a doubt
Hear us as we sing and shout
We got the whole war in our hands

(Chorus)

We got Marty Jacobs on the run
We're not in this color war just for fun
The Whites are the best team under the sun
We got the whole war in our hands

(Chorus)

We're gonna show Peter Gordon where it's at
We're gonna let him know, we won't stand pat
We're gonna beat the blue team and that's that
We got the whole war in our hands

(Chorus)

White Team -

We may be wrong
But we think we're right
Our own feelings are with the white
The Taurus, the Libra, the Gemini twins
Makes no difference what group we're in.

We all, we all have white hope.

United we stand
Divided we fall
All for one and white for all
We'll meet 'em, we'll ~~whip 'em~~ beat, we'll whip 'em and then
We'll keep rolling and do it again.

We all, we all have white hope.

There is a blue team
Who will not beat the white team
For being such a great team
Because we have have a hopeful dream

Spirit we found
And we won't give ground
We are the greatest team that is ar-

We all, we all have white hope.

White Team Cheez

We've got that feeling --- yeah yeah
It's in our shoes ---- yeah yeah
We've got that feeling ---- yeah yeah
That we can't lose ---- yeah yeah

We've got that feeling --- yeah yeah
It's time to soar ---- yeah yeah
We've got that feeling ---- yeah yeah
We'll win this war ---- yeah yeah

The teams have merged --- yeah yeah
Our hopes are high ---- yeah yeah
The whites have surged ---- yeah yeah
So hear our cry ---- yeah yeah

So look out blue ---- yeah yeah
The die is cast ---- yeah yeah
To white we're true ---- yeah yeah
You're time is past ---- yeah yeah

The time is near ---- yeah yeah
To win this war ---- yeah yeah
So never fear ---- yeah yeah
We'll win for sure ---- yeah yeah

We've got that feeling --- yeah yeah
It's in our shoes ---- yeah yeah
We've got that feeling --- yeah yeah
That we can't lose ---- yeah yeah

Blue Song Wake up and face our cast
(to the tune of "Feeling Groovy") You gotta know that we outclass ya
Moving down the winning path
Proving our strength white is gloomy

Dah Dah Da Da Dah, White is gloomy

Hello whitey, How's it going?
We got all our spirit flowing
Don't you see reality
Showing our pride, blue is beauty.

Dah Dah Da Da Dah, White is gloomy

We got no shoes, no promises to keep
White's baffled and beaten and ready to weep
When the morning dawns softly, victory reaped
War is over, blue is beauty

Dah Dah Da Da Dah, blue is beauty.

Good-bye. And face the facts
You know the streak is gonna last
Color War has come and gone
Until next year we sing this song
Dah Dah Da Da Dah ---- White is gloomy
Dah Dah Da Da Dah --- blue is beauty

BLUE TEAM CHORUS

Viva Blue, Viva Blue
Bombs strong, bombs true
Bombs fast, jumping high
Strong Blue team rolling by.

Viva Blue, Viva Blue
In game spirit, we can do,
Rolling out in every sport
On the ballfield, on the court.

Viva Blue, Viva Blue
Your white team this day they use,
Bombs' courage from the heart
Blue has won from the start.

Viva Blue, Viva Blue,
A rolling front, a leaping crew,
Smell of victory coming near
The great Blue Bombers give their cheer
Viva Blue, Viva Blue.

BLUE SONG

Do you know of "Consider yourself part
of the family?"
By look at us we're BLUE
And exciting as marching to victory
We've beaten the white no long
It's clear we're going to get along.

Do remember us we're true
Consider yourself one of our family
Our spirit is so strong
It's glad you want to come along.

Any chance we someday need enhance
Our number nine
Don't check the score and game
With the whites may dare to make our famous
Come in vain
- Sing our proud refrain:

Do you know us we're BLUE
Believe in us we're right
With all consideration we're the best
- BLUE team - - TONIGHT.

BLUE TEAM CHORUS

Time: Tic Toc Tic Toc
Tic Toc Tic Toc

The time has come today
Poor whites have turned away
The day is near
The victory here
The whites have had their day

Time: Tic Toc Tic Toc
Tic Toc Tic Toc

The sand has sifted through
The winning color is BLUE
The hour calls
The whites they fall
BLUE spirit revived anew.

(REFRAIN)

The hails begin to speak
Bombs reach their peak
The 99 minutes close
The question is posed
Was the Blues oriented their
streak?

(Refrain)

The face shouts out a song
The Blues march 60 strong
This is the second
Glory does beckon
Listen to the victory song

Time: Tic Toc Tic Toc
Time: Tic Toc Tic Toc

HOW!

THEY'VE BEEN ALL THE WAY TO THE TOP OF THE MOUNTAIN

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

The war, the love, the joy
To rise above the spirit and light
To give peace to the world
To learn to give of yourself

With a goal
To win the war
There is our duty
To win the world

To fight for a cause
Without question or pause
To be willing to give, of ourselves
To win the world of the world

And the war will be better for this
That young boys have gone off to
The place of learning and teaching

That day, a banner for sure
The House, the spirit is here
The day, the day, the day

THEY'VE BEEN ALL THE WAY TO THE TOP OF THE MOUNTAIN

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

The war, the love, the joy
To rise above the spirit and light
To give peace to the world
To learn to give of yourself

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

THEY'VE BEEN ALL THE WAY TO THE TOP OF THE MOUNTAIN

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

The war, the love, the joy
To rise above the spirit and light
To give peace to the world
To learn to give of yourself

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

The war, the love, the joy
To rise above the spirit and light
To give peace to the world
To learn to give of yourself

They had, saying our praise
A song, an echo, an answer
A tale of courage and laughter
The days of hardship and joy

THE BOYS OF THE WEST END HOUSE

As long as the sun is in the sky,
The lights of the house will never die.
As long as the sun is in the sky,
The lights of the house will never die.

As long as the sun is in the sky,
The lights of the house will never die.
As long as the sun is in the sky,
The lights of the house will never die.

As long as the sun is in the sky,
The lights of the house will never die.
As long as the sun is in the sky,
The lights of the house will never die.

As long as the sun is in the sky,
The lights of the house will never die.
As long as the sun is in the sky,
The lights of the house will never die.

THE BOYS OF THE WEST END HOUSE

THE BOYS OF THE WEST END HOUSE

We're the boys of the West End House
You've heard so much about --- Hey!
The farmers hide their daughters
When we come out --- Hey!

We're noted for our decency
In everything we do --- Hey!
Everybody likes us,
We hope you like us too --- Hey!

When we go marching
The band begins to P-L-A-I
Then you will know that
The boys of the West End House are on their way ---
Hey! Hey! Hey!
