A MESSAGE FROM THE PROGRAM DIRECTOR

Although Camp lasts only eight weeks, the time and energy that go into the planning of each season last all through the year. No less than eight committees meet regularly at the West End House to discuss such items as food, program supplies, staff, campers, the kitchen, the budget, and medical personnel and supplies. The dedication and care that is shared by the committeemen and the chairmen cannot be put into words. I have had the chance to observe and take part in these meetings and I have felt very proud and happy to be part of the decision making processes that have resulted in the fine summer I feel we have had.

My special and sincere thanks go to Joe Kaplan, Mike Cataldo, Allie Coles, Albert Stearns, and Joe Palladino for their assistance and advice; to the counseling staff for their excellent performance; to Miss "Frazer" Purrington, Dr. and Mrs. Nathan, and Dr. and Mrs. Baehner for their friendship and hospitality, and for making me drink my orange juice every morning; to Bob Jaynes, Ed Collins, and the kitchen staff for their fine efforts and superb food; to George and Eddy Mouradian for being George and Eddy- I cannot express it any other way; and to the campers who make West End House Camp the truly great place that it is- even if they do ask a lot of questions.

The West End House Boys' Club is within 30 minutes of most of you boys. Why not come down and use the fine facilities and renew old acquaintances? When you do come to Allston just ask for Snoopy Nilogram and I'll be happy to show you the building.

It was great getting to know all of you- have a fine year and best of luck.

A MESSAGE FROM THE EDITOR

It is now past midnight, the camp is quiet, another season has ended, and another SPIRIT has been successfully completed.

This year's SPIRIT, the fifteenth anniversary issue, is one of the biggest and most comprehensive ever printed. I would especially like to thank Mark "Mag" Cohn for all the help that he has given me in this endeavor, for without him, finishing this yearbook on time would have been an impossibility.

I would also like to thank Jim Diem for his fine idea, and excellent drawing of the cover. In addition, my heartfelt thanks go to Jeff Solomon, for helping run off this issue; to David Geller, for his help in sorting and counting the pages; to David Zoll and Jimmy Weinberg, for all the help they offered to me in my time of need; to Joel Solomon, for his help; and to Snoopy, for his assistance.

I have done my best in making this yearbook as interesting and meaningful as possible, and it is my hope that you will enjoy it and look back at it many times during the winter to recall all the great times and fond memories that this summer has brought you.

Good luck and have a great year.

SENTIMENTS EXPRESSED

The Infirmary

Throughout the many summers that the West End House Camp has been in operation, we have been very fortunate to have a competent and dedicated medical staff serving us 24 hours a day. This season has been no exception, due to our friends Nurse "Frazer", Doctor Nathan and Doctor Bainher who served us nobly, above and beyond the call of duty. To this outstanding trio goes our deep and sincere thanks and our prayers for the best of health and happiness in the future.

Special thanks go to Doctor Nathan who dedicated a good portion of the summer while serving us and to our Nurse "Frazer" for her sweet and charitable ways in her eighth year at West End House Camp.

The Kitchen

A monumental task, indeed, is preparing tasty and nutritious meals for 170 hungry men and boys. However, as always, the kitchen crew made it through the summer with relatively few problems. This year's Kitchen staff consisted of cooks, Bob Jaynes, Ed Collins. Kitchen boys Mark London, Steve Korn, Mark McCrensky, Jerry Robertson, John Davis and Harry Haber. Also campers James J. Weinberg and Dan Coles lent their talents to the kitchen in time of need. To these soldiers of the kitchen we give our deep thanks and appreciation.

George Mouradian

It has been written that men who possess praiseworthy talent, achievements and character are indeed far and few in between. George Mouradian is one such individual. Once again with the hard work that has been his trademark, he has kept the camp in excellent condition ready to battle, wind, rain, snow, hail and even campers.

Also this summer West End was privileged enough to have George's son, Ed take over the position as assistant to his father, a spot he has held more than once in the past. To these two very fine individuals we extend our deep appreciation and thanks for the outstanding job they have done. We extend our best wishes for a healthy and prosperous winter.

ARTS and CRAFTS - WONDERLAND

Wonderland was again a wonder this year as candle making made a first run appearance. Wax was in such demand that I had to order more and more. Copper enameling also made a brief, but well used showing.

Leathercrafts was always, as usual, in great demand. Belts being the number one priority, followed closely by wrist bands.

Clay was used by many campers this year and the kiln was used several times to finalize the product.

Thanks to Jeff Solomon for his help.

Jim Diem, Arts and Crafts
Director

ARCHERY

This year at West End House Camp, the Archery program got off to a flying start. The program was enjoyable, and many campers were using the Archery facilities. As the year progressed arrows became fewer and fewer, and thus the Archery program lessened a bit in significance.

There were however, about 15 campers that won their Jr. Yeoman, 10 won Bowman, and two won their Sharpshooter awards. A special mention should go to our Waterfront Director, Rich Weiner, who was the most improved archer in camp this year, gaining his Bowman and Sharpshooter awards.

Brighton Lew
Archery Director

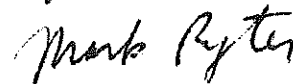

TENNIS

It was a good year for the West End House Camp Tennis program. The tennis courts were in constant use throughout the season, and they seemed to be very popular among the campers. Tennis instruction was held to a minimum this year, as the campers seemed more interested in having fun, than perfecting their skills.

The camp tennis teams had a fine year, finishing with a combined record of four victories and one defeat. They were coached by Dave Bikofsky and Mark Ryter.

The camper-counselor tennis tournament got off to a fast start but was never completed due to lack of time.

All in all, it was a good year down at the courts, with much thanks to Dave Bikofsky for his outstanding work, and help.

Mark Ryter
Tennis Director

INTERCAMP SPORTS

The 1972 West End House Camp Season witnessed a record number of intercamp athletic events. Even after facing an extremely rugged schedule, the boys from West End still managed to do themselves proud.

11-under Tennis: With great spirit and determination the 11-under Tennis Team rolled to an undefeated season. Their season consisted of two matches against Camp O-At-Ka. On both occasions the West Enders were easily victorious. The opponents managed but 1 point from the victors. Coached by Dave Bikovsky were Bruce Balder, Andy Wolfe, Bobby Krantz, Jim Musiker, Bob Eggert, Rich Ross and David Krakow.

11-under soccer: Coach Mark Cohn and his forces had only one encounter this season but made it a memorable one by solidly trouncing Camp O-At-Ka, 5-0, at O-At-Ka's field. This was a tremendous team effort and all participants should be congratulated. Scorers were David Krakow who had 3 goals and Jim Musiker who copped 2. The defense, led by Ed Jacobs and Brett Barenholtz was also outstanding. Ned Cohen also coached and did an excellent job. Team members were Dave Krakow, Bob Marcus, Brian Minsk, Mike Paul, Jim Zalchman, Mike Geller, Bob Eggert, Brett Barenholtz, Ed Jacobs, Willie Gropman, Mike Gropman, Porry Cortell, Rich Stroughman and Steve Sheinfeld.

11-under Softball: In the lone game of the season for the 11-under team, they won an extra inning affair by the score of 5-4. This was an excellent effort by the team members. Team effort best describes this thrilling game because every boy played at least 3 innings. The winning run was scored by Willie Gropman on a long drive by Big Ed Jacobs. This was among the most exiting intercamp games all summer. Coaches were Mark Cohn and Barry Lederman. Team members were Bruce Balder, Bob Eggert, Keith Reiner, Ed Fitzgerald, Jamie Civian, Jim Musiker, Paul Galaid, David Rosenberg, Ed Jacobs, Jim Weinberg, Andy Wolfe, Ron Leppo, Jimmy Fox, Willie Gropman, Rich Stroughman, Mike Gropman, Steve Goldstein, Rich Ros and Jim Zachman, Brett Baronholtz (King Baren), Carl Leppo, Allan Sands, Todd Kalick, Arron Leppo.

13-under Tennis: This season's team played only one match and after a long, fiercely fought battle, finally went down to defeat at the hands of Camp O-At-Ka, 3-2. Coach Dave Bikovsky had his men thoroughly inspired but it just wasn't enough. Team members were Wayne Swartz, Dave Goller, Steve Shuman, Bob Goober, Bill Stuart, Alex Berg and Bob Brown.

13-under Basketball:The 13 and under basketball squad was invited to play in the Camp Beaumont Tournament. Against some very stiff competition, the opening game for West End turned out to be their last. The West Enders took it on the chin very soundly, but gained valuable experience while doing so. All the boys who participated in the tournament will remember it as one of the most exciting parts of camp. Coached by Pete Avorgun were Wayne Swartz, Bob Musiker, Howie Finn, Mark Swartz, David Geller, A. Berger, Bob Goober, Chris Jennings, Steve Shuman, and Lorenzo Mondizabal.

13-under Soccer:Displaying great hustle and excellent skills were the boys from West End House Camp in a sound victory over Camp O-At-Ka. The final score was 3-0 in a very lopsided game. The abundance of talent that West End has was never more prevalent than in this encounter. All team members were outstanding and deserve much credit. Goal scorers were Bob Musiker, Chief Jay Cohen and David Krakow. Coaches were Peter Kaplan and Steve Marcus and team members were Bob Musiker, David Krakow, Jay Cohen, David Krakow, M. Geller, Bob Marcus, Brett Barenholt and Chris Jennings, Lorenzo Mondizabal, Jim Musiker, Jerry Fox, Bob Goober, Bob Brown, J. Gamor, Mark Miskin, Mark Swartz, Wayne Swartz, Alex Berger, Brian Sherman, David Geller, Andy Burnes, Danny Alford, David Barenberg Steve Shuman and Bob Gilman.

13-under Baseball:The thirteen and under baseball team had two games this summer and were victorious in both. They defeated Camp O-At-Ka and Camp Robin Hood. In both encounters the typical west End House Spirit and determination was omnipresent. Dons Mason and Sherman shared the coaching duties and brought home two very impressive victories. Team members included Wayne Swartz, Andy Burnes, Chris Jennings, Dave Geller, Mark Markell, Bob Musiker, Rich Macdonald, John Macdonald, Scott Richman, Jom gamor, Lorenzo Mendizabal and Bob Goober.

14-under tennis:The combination of outstanding talent and superior coaching paved the way to an undefeated season. The final record was 2-0 with Camp Marist being the victim each time. Coaches Mark Ryter, Chuck Giancola and Dave Bikofsky did an excellent job and hats of to team members Rico Gordon, Steven Prelack, Larry Deraney, Tom Regid, David Geller, Wayne Swartz, Doug Schoff.

14-under Basketball:This year's squad played but 1 game which end d in a 54-37 victory for West End over Camp Marist. Big Bob Musiker and Larry Deraney led the way in West End's romp with Bob Musiker netting 17 big points. Coaches were Pete Avorgun, Pete Kaplan and Mike Finn. Team members Rico Gordon, Larry Deraney, Bob Musiker, Mike Greenberg, Paul Cohen, Steve Prelack, Tom Regis, Mike Grant, Mike Swartz, and Greg Rubin.

15-under Baseball Facing only the toughest of competition, the fifteen and under basketball team provided West End House Camp with many thrills. Despite a less than prestigious 1-2 record, the West Enders showed the desire and determination that has made them famous. Highlight of the season was West End House Camp's first participation in the Camp Beaumont Basketball Tournament where the West End House Camp were eliminated in the semi-finals. Jan Singer, once again did an excellent job but it wasn't enough. All in all, it is this reporter's opinion that this season provided many great experiences. Team members were Larry Derany, Rich Schwartz, Ned Cohen, Rick Gordon, Steve Lepler, Jeff Kublin, Jeff Solomon, Paul Cohen, Bob Musiker, Steve Korn, Mike Finn, John Klapman and Dave Bikofsky.

15-under Baseball The game of baseball made a comeback at West End House Camp this summer with the 15 and under team leading the way. Their season consisted of a two game series with Camp O-At-Ka which was split 1-1. West End House was beaten in the first match but bounced back in the second game with a thrilling 1-0 victory behind the fireballing Tom Regis. Coaches were Reggie Bird, Peter Kaplan, Jon Klapman. Team members included Rich Schwartz, Ned Cohen, Mark McGrensky, Steve Lepler, Barry Lederman, Jeff Kublin, Mike Greenberg, Larry Deraney, Tom Regis, Scott Richman, Bruce Foreman, Paul Cohen, Rico Gordon, and Rick Berman.

15-under Soccer: Exciting and always hustling is the best way to describe the 15 and under soccer team. They were defeated by Camp Robin Hood and were victorious against Camp O-At-Ka. As has been the case in the last couple of years, soccer continued to improve at West End House Camp. Sparked by some excellent talent, this year's team made believers of their opponents. Peter Kaplan did an outstanding job coaching as he lent his infinite bank of knowledge to the team. Ned Cohen was the team's high scorer as he displayed his always improving skills. Coaches: Peter Kaplan, Mark Cohn. Team Members were Ned Cohen, Rick Schwartz, Mark Miskin, Bob Musiker, Mike Arkin, Bob Musiker, David Geller, Jeff Kublin, Steve Katzen, Mark Swartz, Tom Regis, Mark Effron, Wayne Swartz, Jeff Solomon, and player-coach Kappy.

Counselor Basketball: Keeping in the tradition of West End House Camp, this summer the WEH Staff fielded a talented and determined group. No win-loss column can tell this story of the battling men from West End House. With the exception of the slaughter at the hands of Camp Beaumont, the West Enders were in every game. Pistol Pete Avorgun and Mike Finn were the big guns for West End but not to be overlooked were the efforts of all the members of the team (just about every staff man in camp) After seeing the staff of West End House play, one can easily see why the campers at West End never give up. A player-coach, Jan Singer, deserves a special mention.

WEST END HOUSE CAMP OPENS FOR 64th SEASON

After a ten month vacation, the West End House Camp re-opened its doors for another camping season on June 20. That saw the arrival of the cooks and the kitchen boys. The counselors, two C.I.P.'s and Billy Marjolin arrived the following day to prepare for the onslaught of campers on Sunday, June 25. They weren't let down, as at about 12:45 five Greyhound buses carrying 130 campers, 70 C.I.P.'s, and 400 volunteers pulled in to the camp grounds. The campers were then told to put their red positive rabies swab tests, supper, and the traditional "pre-game" song game followed to wrap up a great opening day of what we are sure will be a great camp season. (Issue #1)

TODAY MARKS THE END OF CAMP FOR 48 TWO AND FOUR WEEKERS

The time has finally come for the two and four weekers to bid West End House Camp farewell and end a most enjoyable camp season. Today (July 23, 1972) as we await the arrival of the new four weekers, the 20 two weekers and the 28 four weekers that are currently here will pack... and prepare for the bus ride home. We would like to wish them good luck, and we are looking forward to seeing them all again next summer. (issue #3)

W.E.H.C. INVADED BY STATE POLICE

West End House Camp was honored to have as its guests, Warden Charles Cochran, the area game warden, and Sargeant Paul Falconer a Maine State Police officer... They showed two movies... "Cry of the Marsh", and "Patterns of the Wild".

The movies were very enjoyable and kept the interest of the vast majority of campers. (issue #3)

4A DOES IT AGAIN-WINS INSPECTION RECORD 3rd CONSECUTIVE WEEK !!

Cabin 4A has set a W.E.H.C. record with an overwhelming inspection victory for the 3rd straight time. They showed amazing consistency by placing 2nd every day, but winning for the week. Once again they were led by Rich Weiner, Wynner, and Leps.

(issue #3)

DID YOU KNOW...?

by Wynner

- That Jeff Kublin is a "spiller"?
 - That cabin 4A has set a W.E.H.C. record with two T.V.'s in one bunk?
 - That believe it or not, Jan Singer really isn't from Mayberry R.F.D.?
 - That Joe Spinale really isn't a camper? Honest!
 - That Jimmy Diem really does own a baseball glove?
 - That Ricky Schwartz really isn't a Rabbi?
 - That Mike Arkin really doesn't know everyt hing?
 - That Steve Marcus and Doug Hill are...?
 - That Joe Spinale thinks that he's going to be director next year?
 - That "Staffo" rots?
 - That Ricky Schwartz makes Andy of Mayberry look like Al Capone?
 - That Mag snuck in my trunk on the way into the Cornish Drive-In?
 - That someone told me, I won't say who, that a \$1.98 cooler doesn't hold 27 cans of beverage and 15 pounds of ice?
 - That the 5B counselors didn't think that visiting day was so great?
 - That as soon as camp is over Ricky Schwartz will be starting his own congregation?
 - That Color War is coming...?
- (highlites from "Did You Knows", issues #2-4)

DID YOU KNOWS made especially for the 1972 SPIRIT...

- That another Color War has come and gone?
- That according to Rich Weiner, Cooney's party was no let down?
- That for the 329th consecutive year the screen on the mess hall porch felt the effects of Color War?
- That the first thing that Ricky Schwartz does when he walks into HoJo's is clean the bathroom? (That was Peter Avergun's line).
- That the rumor that Rich Weiner has swapped his car for a Greyhound bus without a muffler is false?
- That, and this is the truth, Kubby actually poured hot wax down the sink in Wonderland?
- That the "Ballard of the Whites" has proved many things to those who read it?
- That camp re-opens in 310 days?

Visiting Day

As has happened in past years, the East Parsonsfield weatherman co-operated once again, giving us bright sun and clear skies for this years annual Visiting Day. Although it had been scheduled to begin at 1:30, because of a great plea by the campers they were allowed out of their bunks at 1:00 to see their loved ones, and collect their candy, cookies, and other assorted stomach stuffers and tooth decayers...

Visiting Day officially ended at 4:30, and at that time most of the parents... departed, whereupon many campers returned to their bunks and stuffed their faces some more... (issue #4)

COUNSELOR BASKETBALL

by M. Gorilla

On Monday, July 31, the staff from W.E.H.C. encountered the men from Camp O-At-Ka. The result was not surprising as the West Enders came away victorious by the score of 73-63. This as always was a superb effort, and all participants should be congratulated. Mike Finn and Peter Avergun displayed their basketball wizardry ... and were high scorers...

COLOR WAR

WHITE

BLUE

On Thursday night, August tenth, the fourteen and under basketball team from Camp Marist showed up for what had been planned as another of the many inter-camp games scheduled this year. However, that was not the case. Immediately following the introduction of the two teams, the boys from Marist tore open their jackets, and revealed that "Color War is Now".

This years Color War was as wild as could be imagined. The WHITE SPIRIT jumped off to an early lead and gradually built it until it reached a high of 97 points after the morning of the third day. It was then, that the BLUE BANDITS started to make their move. That evening the Blues picked up 20 points by winning the junior "Apache Relay", and two of the three senior spelling bees. The following day they continued their surge and by the evening of the fourth day the score was the White 327 $\frac{3}{4}$, and the Blue 313 $\frac{3}{4}$, a mere fourteen point difference.

Tuesday morning witnessed the Blues and Whites each win one omnilette game, the Blues winning the junior game, and the Whites sneaking away with a 4-3 victory in the senior contest. This allowed the Whites to carry a fourteen point lead into song night.

It was an excellent song night, with the Blues winning 102 - 98. But, it was not enough, and thus the WHITE SPIRIT held on and came away with a ten point, 440 $\frac{3}{4}$ to 430 $\frac{3}{4}$ Color War victory, making it the first time since 1959 - 1960 that the Whites have won Color War two years in a row.

WHITE TEAM ENTRANCE to the tune of Sgt. Peppers, and "With a Little Help from my Friends"

It was 13 years ago today
That the White team started on their way
Now battling with a brand new style
SPIRIT has been winning all the while
So may I introduce tonight with great pleasure and delight
The one and only SPIRIT of the White

We're the raging SPIRIT of the White, we hope you will enjoy the show
We're the raging SPIRIT of the White, sit back and let the evening go.
It's wonderful to be here, it's certainly a thrill
White SPIRIT is unbeatable, we'll never let you down for sure,
We'll never make you frown

I really want to start the show, and I thought you might like to know,
That the SPIRIT's gonna sing a song, and we'd like you all to listen
So may I introduce tonight, with great pleasure and delight, along,
The one and only SPIRIT of the White

What would you do when they turned out the lights and the Whites are
the team that has one?
Lend us your ears, and we'll sing you a song which will tell you how it
was done?
Oh, it was all in the might of the White,
Yes, it was all in the fight of the White.

What do you say when the Whites have their way, and the SPIRIT has
come out ahead?
Don't be surprised when you open your eyes and you find that the
Blue team is dead.
Oh, it was all in the might of the White
Yes, it was all in the fight of the White.

Judges please hear our story, Blue team's now on the run,
Judges look at our glory, we're not in this war just for fun,
Oh, it's all in the might of the White,
Yes it's all in the fight of the White,
Hmm, it's all in the fight of the White
Yes it's all in the might of the White.

WHITE TEAM CHEER

| | |
|---|---|
| We have the SPIRIT, we're hot, We can't be stopped; | We are brave, we're bold, We'll stop them cold; |
| The Blues are running, they're scared, They won't be spared; | The time is now, we're best, We'll meet the test; |
| We are the best, it seems, We'll wreck their dreams; | The SPIRIT's flying, it's high, It will not die; |
| We've got the pride, inside, To stem their tide; | Cause we are great, we're true, We'll beat the Blue; |
| In football, and softball, We'll meet the call; | We'll win this war, that's right, So FIGHT WHITE FIGHT!! |
| On the courts, the field, We'll never yield; | |

WHITE TEAM SONG to the tune of Cabaret

Look who is standing alone at the top, watching around below
White team will win this color war, Blue team won't even show.

Spirit is mounting an awesome attack, Blue bandits must run and hide
Pride is the thing that makes us go, victory's our only goal.

Down at the pond, across the fields, the Blues are powerless to fight
'Cause they know we will win tonight

Our seniors and juniors have hustle and guts, they never want to quit
In every sport they will show their skill, a touchdown, a goal or a hit.

We're roaring, we're soaring, we can't be stopped, this is a White team
year
In this war so very hard fought, whites are ahead, that's clear.

As we surge on until the end, there is no doubt about it, Whites will
win let's sing and shout about it.

Raise high our symbol, a flaming red torch, let it light up the sky
We are the best team under the sun, White Spirit will never die.

WHITE TEAM SONG to the tune of "Windy"

Who's sprinting out across the vast ballfields, with a great speed
that is faster than sound
Who's working hard to capture the victory, everyone knows it's White
Team.

Who makes the Blues look like a bad nightmare, whipping them badly
at every match,
Who's breaking records at the West End House, Everyone knows it is
White Team.

White Spirit is strong and bright, they clash at the sound of fight
And Spirit has power to soar
Above the Blues (above the Blues)
Above the Blues (above the Blues)

Who's got desire that will not be let down, showing the world how
Color War is played
There'll be no doubt who will be this year's victors
Everyone knows it is White Team.

White Spirit is strong and bright, they clash at the sound of fight
and Spirit has power to soar
Above the Blues (above the Blues)
Above the Blues (above the Blues)

Everyone knows it is White Team
Everyone knows it is White Team

WHITE TEAM CHEER

Amidst the sound of a raging war,
came a loud and thunderous roar.
Onward and Onward with all their might,
The great White Spirit began to fight;

Mighty White Spirit was on the prance,
the lowly Blues had not a chance.
Determined to win was what they said,
they wouldn't give in 'till Bandits were dead;

Day by day Blues lost their strive
They know that they could not survive
As the end entered in sight,
Emerged a victor, it was the White.

Cause. . . The Whites are the team that is best,
We've tried and have proven our valor,
We've met and beat the Blues in every test,
And we've shown White Spirit doesn't rest.

Diem's got his Whites up on the top,
While Pistol's got no ammunition,
The Bandits are nothing but a flop,
Just watch them begin to drop.

Now you may think the victor will be White
Well-YOU'RE RIGHT!

WHITE TEAM ALMA MATER

Yesterday, camp was such a happy place to stay,
Now we're packing and we are on our way,
Oh bring us back to yeasterday.

Summertime, laughing in the sun without a care,
Splashing in the water, times to share,
Oh West End House, beyond compare.

Now we have to go but the memories won't fade
Freinds we have grown to love, now I long for
yesterday ay ay at

West End House, you have given us a chance to grow,
Thankfully to you our prayers do go,
Oh West End House we love you so.

We must bid adieu one more year you've pulled us through,
You can count on us to be true in all we do oo oo for

West End House, shed a tear for sons who now leave you,
Give our souls if you would ask us to,
Oh West End House we love you true,
West End House we love you true.

BLUE TEAM ENTRANCE to the tune of "Sounds of Silence"

1. Hello Judges our old friends, we've come to meet with you again

While the Blue team keeps on sweeping, and our lowly foes are weeping

And the war that was fought on our terrain; still remains, in the minds of bandits.

2. In victory we stand alone, the White Team has been overthrown, and even though they keep on trying, they always somehow end up dying and pierced by the swords of the Blue team's might, they ran in fright, in fear of bandits.

To the tune of "What a day for a daydream"

1. Now's the time for the blue team, gather round while we show you the way, there is no hope for the White Team, We're ahead and triumphant to stay.

And now the victory has come so near, the victory that we can see so clear. You better watch out Whitey for your team's defeat, get ready boys for your team's retreat.

Now it is time for the bandits, they are the team that is so great, run in fear from the bandits, we are the ones who really rate.

Now don't you know that we have won a lot, but that is because we have fought and fought, you better watch out for your team's defeat, get ready boys it is time for your team's retreat.

Now it's time for the Bandits
We said it's time for the Bandits
Same as above

FADING OUT

The "Chicken of the Sea" Jingle
Color war has ended, it is clear as can be
mighty Blue team Bandits, Victors you will see!!!!

BLUE TEAM CHEER

Come on Bandits, fight, fight, Show the White your might, might.
Blue team we can't rest yet, that's why we are the best bet.

Whites have no desire, Bandits light the fire.

Whites have bowed; they are all through, We're on top now GO BLUE

COWBELL CHEER *TWICE

Whitey thought that crime was sin, that is the tool that did them in.
Did 'em in, that's right, did 'em in.

COWBELL CHEER...BLUE
COWBELL CHEER...WIN

BLUE TEAM SONG to the tune of "California Dreamin"

Color War is now
And the Blues are best
We've been fighting hard
To fulfill our quest
We will win this war
White will not contest
Mighty Blue team Bandits
Outclassed all the rest

Now the war is through
All the battles fought
We beat them all the way
They're buried in a plot
Our victory's complete
All the goals we've sought
Gaining Blue team Bandits
We've come out on top

Walked out on a court
We began to play
Whitey got down on his knees
And he began to pray
You know we didn't have to tell them
That they would lose the fray
Fighting Blue team Bandits
Grow stronger every day

Walked out on a field
They began to yield
Whitey got down on his knees
And he began to pray
You know we didn't have to tell them
That they would lose the fray
Fighting Blue Team B'd'its
Grow stronger every day!

BLUE TEAM SONG to the tune of "So Happy Together"

Imagine Bandits Blue, I do
We think about the days and nights, we have to fight
And think about the team we love, it's outta sight
We're banded together

You know that White has lost, you hear them whine
The Blue team courage stole the war, the perfect crime
Imagine how we Bandits feel, so very fine
We're banded together!

White team dying, the wars over now to be sure; We broke their heart
Blue team Bandits, giving their lives for this war; Right from the start

Take a look at White, they're full of fright
And when you look at Blue, you see our might
We've got them where we want them now, we've won the fight,
We're banded together

Ba,ba,ba, ba, ba, ba, ba, ba, ba, ba, ba, ba, ba, baba

BLUE TEAM CHEER

The Whites are through, we're Blue, your team will never do,
We are the Blue...Bandits

We have the fight, the might, the Whites are full of fright
We are the Blue...Bandits
Spirit about to die, we fly, they cry,.....we know why!

Bandits have hit the White Spirit tonight
We'll win this war, we're really out of sight
We've broke our backs to be the best, and know we've finally passed the test

Blue Bandits, we see White team flee
Blue Bandits, fight on to victory

The Whites are t hrough, we're blue, you're team will never do

The Whites are through!!!

BLUE TEAM ALMA MATER to the tune of "You've
Got a Friend

Now the war has ended,
And we're back as one again
Oh West End, you've been our guiding light
We bow our heads and think of you
We will return next year
You brighten up even our darkest nights

CHORUS: When we call out West End
And you know wherever we are
We've got brothers... to meet us again
Why is it that we never fall
It's because we always can call
And you'll be there, yes you will

And the camp, has taught us
Not just sports, but right from wrong
And the thoughts we love will linger on
We all stick together, no matter what the need
Come rain or shine, We're of a special breed

REPEAT CHORUS

And ain't it good to know that we've got West End
Where people can be so warm
They won't hurt you and won't desert you
They'll build your soul when you're with them
We're glad we're with them

REPEAT CHORUS

THE HOUSE SONG

Hundreds of hearts that beat as one,
Grateful for all the House has done.
As long as the sun is in the sky,
The Spirit of the House will never die.

James J. Storrow will always live,
Our support we will always give,
As long as the sun is in the sky,
The Spirit of the House will never die.

When you're one of the boys
You're always one of the boys.
And here's one thing you'll do-
You'll always go through,
You'll always go through,
You'll always go through...

James J. Storrow will always live,
Our support we will always give.
As long as the sun is in the sky,
The Spirit of the House will never die.

RIP, RIP, RIP, RAP, RAP, RAP, WEST END HOUSE

WE'RE THE BOYS...

We're the boys of the West End House
You've heard so much about. Hey!
The farmers hide their daughters
Whenever we go out. Hey!
We're noted for our decency
In everything we do.
Everybody likes us
We hope you like us too. Hey!

As we go marching
The band begins to P-L-A-Y!!
Then you will know that
The boys of the West End House
Are on their way- Hey! Hey! Hey!
