DEDICATION

You were our handyman,
You kept us lit up, watered down, and in clean clothes.
You were always here to lend us a hand, and now,
We only regret that we could not have done the same,
You were our friend.
Tragedy came altogether too quickly,
But it is the good memories;
The happy grin, and
The picture of the perpetual WWH hat and T-shirt
That will live on.
You will always be missed,
As long as the sun is in the sky.

This SPIRIT is dedicated to the memory of Phil Daw.

A Letter From The Program Director

Well, what can be really said? Another summer at W.E.H. has gone by. It seems that the buses pulled in only yesterday, and I was greeting all the campers. They were assigned to their bunks, and everyone met their old and new friends. I told the kids how great the summer would be, and, believe me, it was a great one. As they say, time goes quickly when you're having fun, and this year was no exception.

This is my fourteenth year at camp, and I will always say that there is no better place to spend a summer. I've been cross-country, to other camps, and even after my absence last year, West End is the place to be for the summer.

The thing that makes West End so special are the unique friendships that are found here. A W.E.H. is a life long friend and there are no exceptions. Perfect examples are this year's staff, the young kids in the fives, and the old ones in the fours and in Gottlieb....why don't I just say the kids in every cabin?

Of course, there is Old Timers week, too. During that one week, over 200 former campers come up and get together for a great time. They range in age from 21-90 and the only way to find the reason is to spend a summer here.

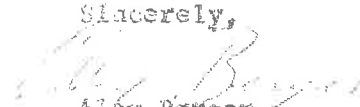

So what was the meaning of these eight weeks at W.E.H.? For some, it was leagues, for others it was intercamp sports and color war. Maybe a homerun, a swim class, or even cake and milk, and, yes, a punishment for some had meaning. It is my hope that you have learned from experience and grown as a person. These memories can be foundations upon which future dreams are built. For all those who have lived together here at W.E.H., I hope that our experiences and dreams help us to grow in the future.

At this time, I would like to thank this year's staff. In particular, I would like to thank Peter for his work at the waterfront. To one of my best, Jimmy Stoller, for running a great color war, a super waterfront, but, most of all, for being there. I would also like to thank Dean Goldberg for running leagues. Thanks to QB for being so great. To Billy Margolin, for being a friend first, and for being a pleasure to work with! You are the best person for this camp.

In closing, I would just like to say that I hope that my years as program director have caused as much pleasure as that which I felt during my years as a camper. I want the kids to be able to say, "This was the best summer of my life," every year.

Hope to see you next year!!!

Sincerely,

Alex Berger
Program Director

 Song (30) ...

WINTER WONDERLAND

We're the blue, and we're glistening, We're here to sing, are you listening?
Working as one, having some fun, Carrying on the Blue Dynasty.

Gone astray, in the white team, HERE To stay is the blue team,
We're singing this song, doing so wrong, Carrying on the Blue Dynasty.

In the fields we can beat the white team, CARRYING ON THE Blue Dynasty,
We'll say are you winning, they'll say no way,
And this is how the war will always be.

Later on, they will see, the plane that shows our victory,
We're happy to say, we're to stay, Carrying on the Blue Dynasty,
Carrying on the Blue Dynasty,
CARRYING ON THE BLUE DYNASTY!!!

POPULAR SONG- NELL Diamond

It's the year of the blue, the starting of a new Dynasty,
And there's something, about it, can't live without it,
Blue's the pick of the day, somehow we take it away,
And it grabs you, and it holds you, feel blue control you,

CHORUS
Makes you wanna clap your hands, makes you wanna stomp your feet,
MAKES YOU WANNA SING ALONG, We want business
It's the year of the blue, and we're going to start something new,
It's the year of the blue, and we're going to start something true, with you.

We're the Dynasty, the unbeatable Dynasty,
Our story, it's simple, wrapped in glory,
Once you see us you'll know, you've got to get up and go,
Blue's power, try it, you can't deny it,

Makes you wanna clap your hands, makes you wanna stomp your feet,
MAKES YOU WANNA SING ALONG, We want business,
IT'S the year of the blue, and we're going to start something new,
IT'S the year of the blue, and we're going to start something true,

BLUE DYNASTY SONGS

GIVE MY REGARDS TO BROADWAY

Give my regards to Blue team, Remember all the wins we shared,
Tell all the gang at West End House, That Blue won again this year.

Tell them how nothing's changing, History is true and Blue,
Give my regards to the Dynasty, And tell them how I love the Blue.

Send my regards to the Dynasty, Together we have worked as one,
Tell all the gang at West End House, We truly had alot of fun.

Tell them of how white's falling, History is true and Blue,
Give my regards to the Dynasty, And tell them how I love the Blue.

KNICK KNACK PADDY WACK

Here tonight, We will sing, One more Blue plaque we will bring.

CHORUS - With a knick knack paddy wack, white will fall,
Dynasty is what we're called.

PLAY to win, won't say quit, We know this year Blue is it,

CHORUS

Beat the white, in the fields, We're the team that never yields,

CHORUS

They have seen the Rising Sun, Now the white team's on the run,

CHORUS

Dynasty, mean and tough, White Alliance had enough,

CHORUS

This great team, team called blue, We won't stop until we're through,

CHORUS

It's all through, We had fun, Dynasty is number one,

• With a knick knack paddy wack, Standing tall,
• Dynasty will never fall.

SING A SONG

Sing, sing with blue, Sing out loud, Blue is true,

Blue is winning this war, We are fighting for more,

Sing, sing with blue, Make it simple, **UNTIL THE WHITE IS THROUGH,**

Don't worry if white's not good enough, there's always another year,
Just be, be with blue.

LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, LA, .

Sing, sing a song, Let the blue team, sing along,

Sing how winning could be, Sing for you and for me,

Sing, sing with blue, make it simple, until the war is through,

Don't worry if white's not good enough, there's always another year,
Just be, be with blue.

HOT DIGGIDY DOG

Hot diggidy dog diggidy, look what you do to me,

YOU'RE so true to me, what you do to me.

Hot diggidy dog diggidy, look what you do to me, when we're beating the white.

Never dreamed anybody could win that-away,
make blue go that-away, what a win that-away,
what a wonderful feeling to feel that-away,
tell me where have you been all this time.

CHORUS

NEVER knew that our team could go "zing" that-away,
Ting-a-ling that-away, make us sing that-away,
Said good-bye to our troubles, they went that-away,
Ever since blue came into our life.

CHORUS

Never thought the white team would give up that-away,
Sum it up that-away, give it up that-away,
Always put the white team in their place that-away,
Ever since blue came into camp life.

Hot diggidy dog diggidy, look what you do to me,
You're so true to me, what you do to me, hot diggidy dog diggidy, look what you do
WHEN WE'RE BEATING THE WHITE!!!

THE HANDS OF TIME - Johnny Mathis

IF the hands of time,
Were hands that I COULD HOLD,
I'd keep West End and all her friends,
We'd not have to go.

Hand in hand we choose,
The friendships that should last,
The lovely moments that should have,
No future and no past.

The summer from the top of a field,
The comfort in the sound of the waterfront,
The in-absence of camp that we feel.

But most of all the moment when West End
Touched me.

All the happy days,
Would never learn to fly,
Until the hands of time
Would choose to wave good-bye.

Good-bye West End.

THAT'S ALL - Phil Collins

Just as they thought it was going alright,
We know they were wrong when they said they had might,
Always the same, it's just a shame, That's all.

During the day, during the night,
Alliance was always shaking with fright,
Always the same, it's just a shame, That's all.

White could leave, but they won't go, though their hearts might tell them so,
They can't feel a thing from their head down to their toes,
But why does it always seem to be, another blue team victory,
Always the same, it's just a shame, That's all.

Turning us on, being so clutch, making them feel like we are too much,
Dealing with blue is just putting them through it all the time.

Running around, hearing the white,
Taking it all, instead of just one bite,
Dealing with blue is just putting them through it all the time.

White could leave, but they won't go, though their hearts might tell them so,
They can't feel a thing from their heads down to their toes,
But why does it always seem to be, another blue team victory,
Always the same it's just a shame **THAT'S ALL!!!**

WEST END HOUSE CAMP SONG SHEET

The Star-Spangled Banner

Oh say! can you see, by the dawn's early light,
That so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh say, does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

The Pledge of Allegiance

I pledge allegiance to the flag of the United States of America.
And to the Republic for which it stands, one nation under God,
Indivisible, with liberty and justice for all.

The House Song

Hundreds of hearts that beat as one
Grateful for all the House has done.
As long as the sun is in the sky
The Spirit of the House will never die.

James J. Storrow will always live
Our support we will always give.
As long as the sun is in the sky
The Spirit of the House will never die.

When you're one of the boys, you're always one of the boys
And here's one thing you'll do—
You'll always go through,
You'll always go through,
You'll always go through . . .

James J. Storrow will always live
Our support we will always give.
As long as the sun is in the sky
The Spirit of the House will never die.
