A MESSAGE FROM THE PROGRAM DIRECTOR

This camp season was an exciting and challenging summer for all campers and staff.

The intercamp schedule was one of the most extensive ever and almost all the

campers and staff got a chance to participate in the games. Our schedule of forty

intercamp games ranged from 9 and under baseball all the way to the staff basketball

team. West End played against 9 other camps this summer and our rivalry with camp

Robin Hood has never been better. I'd like to thank all the coaches who prepared

to face all these camps, and most of all the campers and staff who enjoyed the

competition.

Once again Leagues went very well this season and my thanks go out to the league

commissioners, David Andelman and Jon Zinman. This summer was a very tiring one for the

staff and there has never been a staff that has worked so hard and has done so well. I

am already looking forward to next summer as a longer and more experienced staff should

prove to be one of the best ever. The first year C.I.T's worked extremely hard

coaching teams, teaching swim classes, working in the kitchen, and doing whatever else

was needed for the camp. Their fantastic job will always be remembered and we hope all of

them will be senior counselors in future years. The Senior Staff was a great bunch of

guys to work with and we hope all will return in '88.

See you next year,

Johnny Stoller

FROM THE EDITOR

As I complete my eighth year here at West End, I look back on many fond memories. Here is a place where I've made lifelong friends, learned the meaning of the word responsibility, and discovered a place to get away from it all. After my years at West End House Camp, I know I will leave here with a sense of pride that this camp has instilled in me. My thanks to Bill Margolin, Johnny Stoller, Lee Rappaport, and Andrew Hurvitz for making this year a bit more bearable.

As far as the Spirit goes, there is no way it could have come out so well and so quickly if not for the untiring efforts of the members of bungalow B3 and every other person listed on the Spirit Staff Autograph page. To anyone not mentioned, Thank you. I hope to see everyone back next year for another fun-filled summer here at West End.

Sincerely,

Mark S. Lustig

A MESSAGE FROM THE NURSE

It has been an interesting experience being the "nurse" to 123 campers and staff. I'm glad that there weren't too many serious injuries. Special thanks to Jim McDonough, Bryan Gardellis, and Charles Grillo who were frequent visitors for sick hall. Best wishes to you all!

Sincerely,

Jeanne Colbath

A MESSAGE FROM THE WATERFRONT

The summer of 1987 was extremely hot and therefore many campers enjoyed the abundant supply of free water. As co-directors of the waterfront this year we would like to thank the three other excellent and skilled teachers for their many hours of hard work and double shifts this summer. Our thanks to Neil Weiss, Mike Andelman, and Adam Bernard for teaching classes. We also would like to thank a few other people for helping out on the other waterfront activities. Thanks to James Hickey III, Eric Liebman, Jaime Zibell, Andy Zinman, Doug Mastro-simone, and anyone else we've forgotten. Thank you for your tireless and devoted help throughout the summer. Thank you all for a great summer and we hope to see you all next year.

Junior Leagues

When my longtime friend and colleague, John S. Stoller, gave to me the coveted position of Junior League Commissioner at the start of the camp season, I sat and wondered if I had what it took to get the job done. I knew the job required a logistical mind, a great deal of patience, and the guts to tell Claudel Franceour to ref a soccer game during the afternoon of a 90 degree day. Unfortunately, as I turned out I possess "none of the above" qualities. I give all my thanks to all the juniors for their understanding, and also a sincere thankyou to my C.I.T., Danny Levine for reffing an occasional soccer game on a hot and humid afternoon.

In the first two weeks, Junior Leagues was the cable league. The teams were named the HBO'S, the Cinemax's, the MTV'S, the ESPN'S, the Showtimes, and of course, the Playboys. The HBO'S were the eventual champions.

For the six week period, there were just four teams, and the league became the hotel league. After the first couple of weeks the Hojos, the Hiltons and the Ramadas were well in front of the cellar-dwelling Sheratons. But the Sheratons, sparked by new arrival Miguel Serrano and his record setting eight goal soccer game, eventually moved out in front for good.

I can honestly say that junior leagues was both enjoyable and competitive this season, and that I very rarely had to tell anyone to get to his respective game. Good luck to all the juniors who will be making the big step up to the senior division next summer.

I expect a letter from each and every one

of you this winter!

SONG

You Can't Hurry Love- Phil Collins

Judges, white, white
is in a bind,
and white needs to find time, to beat Blue's front line

The white will say
We can't beat Platoon
No, we'll just have to wait
they said winning's not easy

Platoon's too tough for white to take
You can't beat Platoon, no, there's too much at stake
just stick with the Blue team and we will never lose a game

How many heartaches, must white stand
Before they find a way to let us win again
Blue is the only team that will be going on
When they feel our strength, white is all but gone
just remember that--

You can't beat Platoon
White will just have to wait
For Blue winning comes easy, Untouchables we will take
You can't beat Platoon
No, there's too much at stake
Just stick with the Blue team, and we will never lose a game
NOW BLUE!!!!

Blue Platoon Songs- 1987

CHEER

Blister in the Sun- Violent Femmes

When Blue's walkin', we strut our stuff,
cause white has run out

We're beating the white, with Blue's might,
we'll win without a doubt

Platoon will go on

we're always number 1

CHORUS

Platoon will go on

The white team is on the run

Goggles and cleats, swim and track meets,

white prepares to die

The white team, they're at the end

Untouchables starting to cry

CHORUS

SONG

Addicted to Love- Robert Palmer

The whites are gone, they're all alone

This war, is now our own

The white sweats, their body shakes

Another win, is what it takes

They can't sleep, they can't eat

There's no doubt, they're in deep

We're here tonight, the Blue Platoon

The final win, will be here soon

CHORUS

You like to think your immune to Platoon, Oh yeah

It's closer to the truth, to say that white's had enough

You know you're gonna have to face it, you've been beaten by blue

You see the signs, but you can't read

Blue Platoon will always lead

Your heart beats, double-time

Cause the Blue is on your mind

A one track mind, you can't deceive

The white should know, it's time to leave

CHORUS

SONG

Happy Together-- The Turtles

Imagine only Blue, Platoon

Blue wins whether it's day or night, it's only right

To beat the Untouchables, and win the fight

Platoon is together

We're gonna beat the white, cause it's our time

The Blue Platoon owns the white, we are so fine

Imagine how the war war will be, white's out of time

Platoon is together

we can't see nobody winning but Blue, not in our time

when your with Platoon the war will be Blue, we're in our prime

Platoon and you, Platoon and me

No matter how they toss the dice, it's meant to be

The only one for me is blue, cause blue is true

CHORUS

3

platoon is together

Blue wins whether it's day or night
to beat the Untouchables, and win the
fight

We're gonna beat the white, cause it's
our time
The Blue Platoon owns the white, we are
so fine

Platoon is together
we can't see nobody winning but Blue,
not in our time
when your with Platoon the war will be

SONG

Land of Confusion- Genesis

White must have dreamed a thousand dreams

Been haunted by the true Blue team

And they can feel the Blue team might

They're running away from the fight

Well did you hear the news today?

Untouchables have run away

And they can't take the Blue team's fight

They're running into the night

We're winning again, the white team will end

They have too many problems

And the white team will go down

Can't you see they're in a state of confusion

This is the war Blue will win

cause white team is giving in

they never started trying

to make it a war worth fighting for

Blue Platoon is number one, Untouchables have been stunned

We are a team, with a power, building the score by the hour

This is the time, this is the place, Blue Platoon is the future

and the white team will go down, can't you see they're in a state
of confusion.

CHEER

T.N.T. - AC/DC

FIGHT!!!! (10x)

See Blue ride out of the sunset,
onto the battlefield

Out for all that we can get,
we never yield

White team to the left of Blue, and White team to the right
Aint gonna run, we're gonna fight
we're gonna beat the white

CHORUS

Cause we're Blue Platoon, we're dynamite.

----- " " , and we'll win the fight!

----- " " , and we've got something to show!

----- " " , watch Blue explode!

We'll lock up the water, lock up the fields
lock up the white team, Blue never yields
Blue is back in town, don't you mess around

CHORUS

BLUE PLATOON!!! FIGHT!!! (3x)

" "

BLUE PLATOON!!!!!!!!!!!! FIGHT!!!

ALMA MATER

Morning Has Broken-- Simon and Garfunkle

Morning has broken, like the first morning
West End has spoken, like the first bird
Praise for the singing, praise for the morning
Praise for them springing, fresh from the world,

CHORUS

Sweet the rain's new fog, sun from heaven
Like the first dew fall, on the first grass
Praise for the sweetness, on West End's garden
Sprung in completeness, will has been God's

Our's is the sunlight, our's is the morning
Born of the one light, we will all play
Praise with elation, praise every morning
God's recreation, on the new day

■
