

# WEST END HOUSE CAMP

**2005 SPIRIT**

## DEDICATION

There are many people each year who are responsible for the success of the camp season. Some of these folks are well known by everyone; others, by the nature of their work and their personalities, are behind the scenes individuals. Indeed, if they were campers, they would be recipients of the Unsung Heroes award!

Two people who have distinguished themselves as caring, conscientious, and dedicated workers for the West End House Camp are Norman and Joan Scott.

Norm Scott was hired as Camp Custodian in 1996. This is a position that in many respects is the key job within our organization. It not only involves work seven days a week from mid April through mid November, but also requires a presence during the winter months to check on the camp and take appropriate actions as a result of snow or ice storms. The Camp Custodian is part maintenance man, part local ambassador, guide, spokesman, and guardian.

Norm was someone who had previously had some interaction with the camp and would be, we felt, an excellent choice for the vacancy. When he was interviewed for the position, his wife, Joan, was with him so that both could later discuss the options available. This is something that has been true of these two outstanding individuals during their 50 years of wedded partnership – working together, sharing, and making important decisions based on both of their lives and schedules and those of their family.

During the past decade Norm Scott was responsible for the physical upkeep of our beautiful facility. It was (and remains) a daunting task, one which he always faced with calm determination and wisdom gained from life's experiences. Joan was also often on the scene to assist, usually before and after each season – but also during the summer. They became more than employees – they became our friends, our advisors, and, indeed, our family.

Although Norm retired as Camp Custodian effective last season, he continues to work for West End House, assisting his son-in-law, John Fredette, who is delightfully of the same mold! Joan also continues her affiliation with the camp, so we still have the benefit of the presence and efforts of this remarkable couple.

In honor of their 50<sup>th</sup> wedding anniversary, and in tribute to their devotion and dedication to the West End House Camp, the 2005 Spirit is respectfully and fondly dedicated to

**NORMAN AND JOAN SCOTT**

## ACKNOWLEDGMENTS

There are many people whose assistance during this past year has been invaluable to us. We would like to acknowledge the following individuals and institutions that contributed to the success of the season:

·Marty Jacobs, President of the WEH Camp Corporation, for his leadership, advice, and presence all during the year.

-Members of the Camp Corporation, who oversee the operation and whose committees have been meeting regularly to ensure that WEH Camp is the very best it can possibly be. These great people are listed elsewhere in the Spirit and each has been tremendous in his support of the Camp. Special thanks to Adam Barr for his work on the website, to Steve Curley for arranging for the donation of so much of our athletic and program supplies, and to Immediate Past President Henry Barr for his continued support and efforts.

·Aaron Leppo (Full Line Graphics) – thank you for your patience and generosity in arranging for the printing of the 2005 Spirit!

·The Camp Breakfast is always a great time, and Bert Wynn ensures success by buying and providing a huge number of raffle prizes for the children.

·Art and Elyse Zucker volunteer their services each summer. Art spends a good deal of time after Visiting Day taking campers waterskiing, and Elyse takes pictures and creates a thoroughly entertaining DVD for presentation at the Camp Breakfast. Thank you both for your kindness!

·Bobby (“Tank”) Sherman – thank you for your generosity each summer in supplying the staff shirts. They are quality shirts that have added to the quality of the camp operation.

·Richard McKenna drove the rented supply truck round trip on staff opening day in June, and Tony Goroshko picked up excess luggage in the Goroshko Moving Co. truck on the last camp day in August. Thank you both for your great efforts!

·Caritas St. Elizabeth’s Medical Center in Brighton for the donation of medical supplies (thank you Joe Walsh, Jr.!).

-The fine folks at Franciscan Children’s Hospital in Brighton – we thank you for the use of your parking lot for bus departures and arrivals. It is an ideal meeting space!

·Sincere gratitude to the staff at the West End House Boys & Girls Club, especially Executive Director Andrea Howard and Director of Support Services, Karen Cyr, for cooperation and assistance throughout the year.

·Sam Finn - thank you for your efforts during the last week of Camp in gathering materials for the Spirit, and Steve Lepler, Danny Barr, Josh Swiecicki, and Bryna Leeder – thank you for your last minute assistance in finalizing the preparation of this yearbook.

## ABOUT THE COVER

In keeping with the tradition of having “nostalgic” covers for each year’s Spirit, the cover for 2005 is actually a scene from about twenty years ago. Any of you who have been to camp on Opening Day will recognize it and can relate to it, no matter in what year you may have attended. There is something about the buses, filled with campers and driving into camp, that continues to bring out excitement from among everyone. Once the campers step out of the buses, suddenly the facility is alive once more with laughter, music, animated conversations, and activity! The faces may have changed, but the camaraderie and the spirit live on just as they did in the past – and will in the future.

This is a great example of the saying: “The more things change, the more they stay the same!”

## MESSAGE FROM THE EXECUTIVE DIRECTOR

I am writing this message on Friday, January 6<sup>th</sup> (2006), and as you read this (after the Breakfast) we are virtually at the half way point between the end of last season and the start of next season. Slowly we are gaining more daylight each day and time will seem to pass by more quickly.

This is the final piece of the Spirit before Aaron Leppo picks up the master copies and arranges for the printing. As I reread the pages, I truly realize that last summer we experienced another tremendous season, capped off by a one point Color War! The operation of the camp just does not happen by itself - some of the people who were so helpful are listed on the acknowledgments page. I do, however, want to single out some very special individuals.

Camp would not be where it is today were it not for the efforts of Steve Lepler. He is tireless in his efforts to make West End House Camp the best it can possibly be, and although he works full time during the off season, he devotes the equivalent of a full time job (and more!) on camp matters also! It is a pleasure to work with him - he always stays focused and has been responsible for so much of the success during his seven summers as Assistant Executive Director.

Danny Barr once again proved himself to be most excellent Program Director. We were delighted that he returned in 2005, and equally thrilled that he will be with us again in 2006. I honestly believe that when he is not teaching he is spending 100% of his time on Camp matters!

The staff was superb - the veterans were great, and the new counselors were super. Thanks again to Evan Lepler for recruiting some excellent Wake Forest students to work as counselors, and to Evan, Robbie Gordon, Dan Liebman, and Josh Swiecicki for their extra efforts.

It is always difficult to secure the services of a nurse, but for the last two summers we were so fortunate to have with us Sandi Nelson. She is a caring and conscientious person who ministered to our health needs all summer, and rarely, if ever, left camp. She is looking forward to returning, complete with camper and dogs!

Our head cook, Lee Russell (assisted by Corey), returned for his second year and was even better than in 2004! He is a person who genuinely takes pride in his work. What a delight to have him on board - I hope he will be back for many more summers!

Our gratitude to Virginia Smith, Registered Nurse, who volunteered during the summer to assist with medical matters. Virginia and her family are always welcome at camp!

John Fredette, the Camp Custodian, is a tremendous person and a vital asset to the Camp. He is a very knowledgeable and talented person who made sure that the facility ran smoothly at all times. We look forward to a long relationship with him! As I have said many times, the Custodian is the key to the operation, and John willingly faces any and all tasks. Thanks, also, to Norman Scott, who continues to work at the camp, and to Joan Scott for her help and support.

I want to express my gratitude to Ramie Lepler, who once again this summer volunteered in many instances and was always ready and willing to lend a helping hand. Thank you, Ramie, for all that you have done for our West End House family.

I am especially pleased to offer my appreciation to my wife, Bryna. Her volunteer efforts keeping track of the campers' spending money, picking up the mail, making trips to the clinic or hospital, running the canteen, helping in the infirmary, picking up supplies, etc. are truly invaluable.

Don't forget to check out our fantastic website ([westendhousecamp.com](http://westendhousecamp.com)) and to let your friends know about us! We continue to attract new campers largely through word of mouth, and we welcome your referrals.

In the meantime, stay well, and take care. Call (617-787-4044, ext. 18), email ([wehbgclub@aol.com](mailto:wehbgclub@aol.com)) or write (105 Alston St., Allston, MA 02134-5029) me if I can help in any way.

- Bill Margolin

## MESSAGE FROM THE ASSISTANT EXECUTIVE DIRECTOR

I just got back from my annual post-camp walk in order to unwind – this year a seven mile stroll past West Pond, by the famous East Parsonsfield Post Office, and back to my cabin on Long Pond. As I look out at the calm and still lake, I realize that it matches the current atmosphere at the camp, but it is so different from the energy and activity of the great 2005 camp season – truly one of our best ever.

What made this year so special? First and foremost was the outstanding group of new and veteran campers. They made all the bunks great places to be in, activities exciting, and the friendships ones that will last forever.

Equally vital to the success of 2005 was the excellent staff. It takes a mature, experienced, enthusiastic group of counselors to lead and to mentor. This is what we had. Combined with the quality campers and unforgettable activities, this summer was smooth, upbeat and fun for all.

Special thanks go out to Program Director Danny Barr and his assistants, Robbie Gordon and Evan Lepler. Special events such as Color War, Desert War, and the evening activities went extremely well. League Commissioner Josh Swiecicki did an outstanding job of organizing exciting Junior and Senior League schedules with several new and interesting twists. Waterfront Director Dan Liebman was hard working, responsible, and effective in ensuring that all campers learned skills, sampled the many options we have, and stayed safe in and around the water.

It is so rewarding to see counselors whom I first met when they were campers or CIT's maturing and stepping up to be such valuable staff members and quality young adults. Similarly, I see the amazing growth of each and every camper during the camp season. I look forward to witnessing and hopefully contributing a bit to this continuing development during the upcoming 2006 season and for many years to come.

West End House Camp continues to be the best place on earth – well, at least in the United States! Working alongside Bill Margolin is a dream job. I cannot wait to see all of you soon by the beautiful, calm, and still Long Pond, even though it will not be so calm once you return!

Best regards to you and your families.

-Steve Lepler

## MESSAGE FROM THE PROGRAM DIRECTOR

There really is not a better place to spend a summer than at West End House Camp. Since the age of 8, I have enjoyed being a part of the WEHC tradition, which really is something special that no other experience can match. The friendships formed go well beyond the summer months and the memories of camp are part of conversations for years amongst campers and alumni alike. West End is much more than a camp, it is a place where guys, no matter the age, hang out and become friends for life.

I would like to take the time now to thank the two people that made the summer of 2005 what it was for me personally and one that I will always remember.

The first person I would like to acknowledge is Josh Swiecicki. Josh began his summer duties for camp over the winter months as he helped me develop an improved Leagues format. We put our ideas together, typed up the new program, and prepared the entire summer's league schedule prior to the start of camp. This was a major project that Josh was a huge part of and at camp he ran both Junior and Senior Leagues himself. If that wasn't enough, in early spring Josh began calling camps as Intercamp Director to ensure we had games and tournaments fully scheduled for kids of all ages. Josh put together one of the most age and sport diverse intercamp schedules of all-time. From all this, to assisting running Desert War with me, to being a staff man in my bunk, to coaching baseball with me, to being a color war coach with me; Mr. Swiecicki is a good friend of mine who really was the key to the summer's success. Thank you very much Josh.

The second person I would like to thank for being a real good friend and very helpful is John Moriarty. What most people don't realize is that over the "off-season" John helped me design and type up the practice drills for before league games, listened and gave me feedback on my ideas for the summer, and was more excited than anyone for camp. As the captain of the 15-under basketball and 15-under baseball teams I coached, a staff man in my bunk, a color coach with me, and an assistant basketball coach with me; John was always there to help out and to want to do what he could to make camp better for everyone. John has done lots of work for just two years on the staff and his efforts have been clear by the excellent results they have produced. Thank you John.

Intercamp sports coaching is always a big part of my summer and this year was no exception to the trend. From the full court press defense in the House Game, to Ben Brink's lights out Hood Game performance, to Matt Newman stealing home in the finals of the 15-Under Baseball Tournament, to Danny Bernard providing unbelievable maturity and leadership as 15-Under Basketball captain; it was a very memorable and enjoyable year coaching WEHC.

I hope that many people are able to return next year to West End and keep the tradition alive and well. I leave you with this quote:

"But the best is a matter of standards-And I set my own standards. I inherit nothing. I stand at the end of no tradition. I perhaps may stand at the beginning of one."-A.Rand

Whatever it is that makes YOU happy in life is what you should do regardless of what "others" may say. Enjoy what you do and continue to "set your your own standards" of what is best for yourself.

Your Friend, Danny "Dooba" Barr

## **Message from the Intercamp Director**

Fellow camps always enjoy playing West End because of our intensity and sportsmanship both on and off the field. 2005 was no different. With a very dense intercamp schedule, both juniors and seniors had many opportunities to be a part of a team.

For juniors, we hosted both a 10 & under day against Camp Robin Hood and an 11 & under day against Camp Winaukee in two separate times of the summer. Both events consisted of soccer, softball, newcombe and basketball games.

Seniors had more of a chance to play intercamp sports. West End competed in 13 & under soccer, 15 & under baseball, 13 & under baseball, 13 & under basketball, and three 15 & under basketball tournaments. We hosted our own 15- under basketball tournament, along with the 13- under baseball tournament. The good guys came away victorious in the 13 under baseball tournament, and finished runner up in two of the 15- under basketball tourneys, along with the 15- under baseball tournament.

As always, there are people that deserve to be thanked for their time and effort. Initially, I would like to thank all coaches. Thank you for taking the time out of your day to make up practice plans. More importantly, thank you for teaching campers about what they are representing when putting on a West End jersey. I would also like to thank the referees, and all of the staff that helped oversee the events held at West End.

On a final note, I would like to recognize Danny "Dooba" Barr for his effort with Intercamp Sports. Along with assisting me with the schedule, Danny coached both the 15- under basketball team, and the 15- under baseball team. His expertise and brilliant coaching ability is something that is easily seen by both campers and staff alike, and he deserves to be praised for his hard work and success.

Stay in Touch,

Josh Swiecicki

Intercamp Director

**FINAL INTERCAMP RESULTS FOR 2005: 17 WINS, 14 LOSSES**

## **Message from the League Commissioner**

Senior and Junior Leagues were upgraded in 2005 when compared to prior years. Though the overall foundation stayed intact, there were many additions in order to boost the competition and overall intensity. For starters, the teams were named after college mascots, and each camper was placed on a different team after each week session was completed. Danny Barr and I made the schedules for each team before the summer, which allowed captains and coaches to look ahead and get an idea of what the team was going to play in the future. Also, there were additional activities that would gain teams bonus points. This included Conference Challenge ju-ju bee, and Bracketbuster Saturday. Bracketbuster Saturday consisted of teams playing two games in one day, each game being worth double the points.

Overall, Senior and Junior Leagues were extremely successful. Though the changes were helpful, leagues would not have run smoothly without the following people.

First off, I would like to thank the refs for all of their hard work and commitment all summer long. With almost all of the officials being senior staff, the leadership, expertise, and effort certainly did not go unnoticed.

Secondly, I want to recognize the first year C.I.T's and Gottlieb's who helped coach Junior Leagues. Thank you for your patience and hard work in helping the juniors. It is a tough job, and your work was greatly appreciated.

I cannot complete this write-up without thanking the campers. Your intensity, enthusiasm, and suggestions are very important, and I thank those of you who served as role models to both younger campers and fellow peers by exhibiting these qualities. Stay in touch, and I hope to see all of you in 2006.

Josh Swiecicki

League Commissioner

### WIFFLEBALL MADNESS

The Council Ring held many exciting wiffleball moments in 2005, including batting practice, home run derbies, pick-up games, and tournament action. During the first half of the summer, there was the Junior World Series and the Senior World Series. In the Juniors, there were eleven 3 person teams competing for the championship. After many fun and competitive games the team of David Goldstein, Marcus Tingling, and Roque Reyes defeated the team of Zach Leppo, Matt Jellison, and Jacob Leppo.

In the Seniors, there were eighteen teams questing after the coveted crown. There were extra inning games and walk-off home runs. When all was said and done, the powerful team of Ganson Pollock, Brian Tait, and Danny Bernard overcame an excellent squad of Nick Sobel, Alex Casler, and Dan McDonnell in the finals.

The granddaddy of all tournaments was the Camper-Counselor Tournament, which included twenty-eight teams of 4 (usually one counselor, two Seniors, and one Junior). This started before Visiting Day and concluded on the last full day of camp.

There were many memorable performances, including Mike Stawowy's 7 for 8 with six home runs in one game! The hot team of the final day (Evans Joseph, Matt Newman, Matt Spector, and Jarrid McElligott) finally succumbed to the quality team of Evan Lepler, Ben Yudysky, Danny Bernard, and Eric Lesser. "Team Sharon" gained the title after being the runner-up last year.

At the evening awards ceremony, the champs received a great ovation and the unforgettable prize of tube socks for each member!

Congratulations to all for a truly enjoyable tourney.

### 1, 2, 3 HIKE!

This summer again saw much interest in hiking in and around the gorgeous West End House Camp and White Mountains areas. Several groups walked up to the cliff overlooking Long Pond and West Pond, and were hosted by Buster, a gentleman who lives up there. A couple of groups did the perimeter hike around Long Pond, a 3 mile stroll that goes past may cottages, Hatchet Harry's cabin, Kennard's, and back around to camp. Campers at even the younger stages are beginning to realize what a beautiful area we have.

There were three groups that traveled to the White Mountains for fun and challenging hikes. The first group headed to Mount Chocurua on July 14<sup>th</sup> to ascend the Brook Trail and to walk down the Liberty Trail. This 8 mile loop was proudly accomplished by Aleks Makowski, Noah Segal, Jon Lipshutz, Alex Hebert, Nick Gaudette, Ryan Leary, Evan Swartz, Chris Collins, Mike Everest, and Nagib Habeych, and was led by Calum Anderson and Steve Lepler.

The second hike was the Auction prize for Cabin 2A, which wisely chose a full day trip to South Moat Mountain, Lake Chocurua, and KHOP. On August 2<sup>nd</sup> Steve Lepler led an energetic group consisting of Caleb Johnson, Mike Cheesman, Cole Higgins, Jeff Adams, Mike Mullaley, Jesse Weiss, Ashan Singh, and Maveric Casia on this breathtaking 5½ mile round trip.

The third hike of the season was memorable in many ways. Forty campers were eager to join the group and there were only 13 spots in the van. Therefore, we held a lottery to determine fairly who would be able to participate. The campers soon found out that after the third name was picked, Steve was hit in the face with two pies and Color War began! After the end of Color War, though, we did journey on August 17<sup>th</sup> to the Brook and Liberty Trails of Mount Chocurua. The lucky group consisted of Jacob Leppo, Thomas Ryabin, Chris Moriarty, David Baker, James Bickford, José Noyola, Sam McGann, Mike Tejada, Ben Eggert, Damian Dobson, Drew Dehahn, Brion Rock, and Justin Fitzpatrick and was led by Steve Lepler and Mike Stawowy.

Because of the amazing interest in (and success of) the 2005 hikes, we will definitely be doing more for adventurous campers in the upcoming year!

### DANCE TO THE MUSIC!

When was the last time there were four socials for the boys from the West End House Camp? The answer, we believe, is never! This year a busload of eager and charming campers headed out four times to dance and mingle with girls at local camps. Three of the socials were held at Camp Huckins on Lake Ossipee, New Hampshire (for 13, 14, and 15 year olds); the fourth and last social took place at Camp Pondicherry in Bridgton, Maine (for many campers 11 years old and up).

All of the socials were very successful, with our boys representing West End House with style and class. Special thanks go out to Andy Trafford, who served as the "human pace car" at two of the dances, really helping to get things started.

Given the positive experiences of this year, be ready for a bunch of socials in 2006!

## COLOR WAR 2005

What turned out to be perhaps the most exciting and dramatic Color War in history began on Wednesday, August 11<sup>th</sup> after lunch when Steve Lepler was picking names out of a hat. The lucky campers chosen were to go with Steve on a hike to the White Mountains the next morning, but those plans were interrupted by Robbie Gordon and Evan Lepler bursting out from the kitchen, planting a pie on Steve's face, and announcing that "Color War is now!"

When this annual event ended on Monday night, August 16<sup>th</sup>, it was very clear that each point won or lost during the preceding 5½ days had been absolutely vital, that both sides were to be commended for the razor thin finish, and that it's not over until it's over!

Thanks to the campers, coaches, referees, and other staff for making this such a memorable event, and special gratitude to Robbie Gordon and Evan Lepler for overseeing this remarkable activity.

## One More Day- Rascal Flatts

Last night I had a crazy dream  
A wish was granted just for me, it could be for anything  
I didn't ask for money, can't imagine life without white or blue  
I simply wished for one more day with you

One more day, one more time  
One more sunset maybe I'd be satisfied  
But the again, I know what it would do  
Leave me wishing still for one more day with you

First thing I'd do is pray for time to crawl  
Spend my time on the ballfields, and at the waterfront  
I'd savor every second, cause I love West End through and through  
That's what I'd do with one more day with you

Chorus x 2

## Taking Care of Business- BTO

We get up every morning  
At the 1st bells warning  
The white team's beating starts right there  
from the very start  
We knew that we'd go far  
Because the kings are always running-scared  
And if the judges are on time  
We'll have won the war by nine  
We beat the white and made them pay  
Blue team never gets annoyed  
We are simply overjoyed  
That the shield is gonna win the day

And we'll be taken care of business  
Every day  
Taking care of business  
Every way  
We'll be taken care of business  
It's alright  
Taking care of business and beat in on the white

It's been an easy mission  
All whites coaches should have kitchen  
All this losing makes the white so sad  
The blue is goin-far, while the king are on the tar  
We never knew the white was this bad

Chorus x 2

## I fought the Law- The Clash

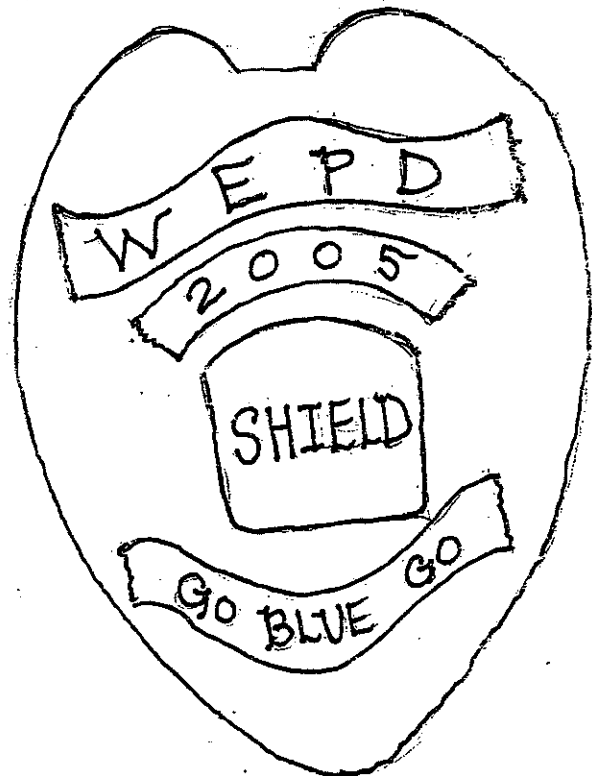

White fought the law X2  
And the law won

We made the white team feel so bad  
I guess this war is won

Blue's the best the House, ever had  
White fought the law X2  
And the law won

Beating White and having fun  
The White team is all done  
Their coaches are all really dumb  
White fought the law and the law won  
White fought the law and the law won X2

They think they are so tough  
But they've had enough  
We are the best and the war is done  
White fought the law and the law won  
White fought the law and the law won X2

### Highway to the Danger Zone- Kenny Loggins

Revvng up the Engine listen to it high and low  
White team under pressure begging us to let them go  
White is in the danger zone  
We'll take them right into the danger zone

Heaven for the blue team we are going to win tonight  
Knock 'em to the floor we'll show them how to do it right  
White is in the danger zone  
We'll take them right into the danger zone

Never say hello to white  
Once we knock 'em down  
They will know our might  
We will over throw the Kings  
And White will know the pain that blue team brings  
We will lock them up and they'll never see the light of day  
We'll never let them go  
Cuz Blue will always make them pay

Chorus x 2

### Cheer Medley-

White team  
White team  
What you gonna do  
What you gonna do  
When we come for you

White think they're still alive  
Joke's on them blue shield's arrived  
Throw your hands up in the sky  
The war is done, White's lost their drive

This is how we DO  
We take white down cuz they think they're so tough  
This how we DO  
We're the best so show us some love

We ain't going nowhere  
We ain't going nowhere  
We can't be stopped now  
Cuz it's blue shield for life

### Lyin' Eyes- The Eagles

The Blue shield always gets up early  
And they always go the extra mile  
We beat the White and we don't have to worry  
We will ride in blues and win in style

White can't hide their cryin' eyes  
And their smile is a think disguise  
Thought by now they'd realize  
There aint no way to hide their cryin' eyes

Day and night the White team's getting lonely  
Because every time they lose, they pay the price  
And it breaks their hearts, to realize White is only  
In this war til blue tightens up the vice

### Chorus

On the other side of the camp the blue is waiting  
TO beat up White in ways they could not see  
White can't sleep at night anticipating  
Blue celebrates another victory

# WHITE KINGS

## Shut Up- Simple Plan

There Blue goes, they think they're all right  
They're all a big joke, they think they're so cool  
Blue thinks they know, that they're the best team  
They always waste time to criticize Kings  
It seems like everyday they make mistakes  
Shield just can't get it right  
It's like we're the ones they love to hate  
But not tonight, so...

Chorus

Shut up (x3)- don't want to hear it  
Get out (x3)- get out of our way  
Step up (x3)- you'll never stop us  
Nothing you say this war is gonna bring us down

There blue goes, they always will cry  
They're wasting their time, whatever they do  
They think they're special, but we know and they know that they're not  
We know that Blue's coaches are all fakes  
And we laugh in their face

Chorus

## After the Summer- PC Quest

These last few weeks at camp  
Have been the best of our lives  
And it's our knowing tonight  
That we'll be saying goodbye

When you're all alone somewhere  
On a cold winters day  
Remember these warm summer nights  
And the friendships that we've made

Chorus

We'll be missing camp  
After September  
We'll be wanting camp  
So always remember  
How we loved West End  
After the summers gone

So dry your eyes for me  
Before we start to cry  
We can tell you that life isn't fair  
But we still can't tell you why

In a world that's as big as ours

It's amazing we've met  
I've a feeling that we'll meet again  
So we'll never forget

Chorus

## Welcome to My Life- Simple Plan

Do you ever feel like breaking down  
Do you ever feel out of place  
Like somehow you just don't belong  
And now one cares about you  
Do you ever wanna run away  
Do you lock yourself in your bunk  
With the white team beating you up so bad  
That no one hears you screaming

Chorus

No we don't know what it's like  
When nothing goes alright  
No we don't know what it's like to be like Blue  
To be hurt, to have lost, to be left out in the war  
To be kicked when you're down,  
To feel like you've been pushed around  
To be on the edge of breaking down  
And no one's there to save you  
No we don't know what it's like, welcome to your life

Do you wanna be somebody else  
Are you sick of feeling so left out  
Are you desperate to find something more  
Before this was is over

Are you stuck inside a game you hate  
Are you sick of everyone around  
With your big fake coaches and stupid songs  
While deep inside you're crying

Chorus

## Behind These Hazel Eyes- Kelly Clarkson

Throughout this color war, the Blue team was a choke  
Blue used to stand so tall, they used to be so strong  
Our grasp around them tight, everythings goin' right  
Unstoppable, the Kings have won this war  
Now Blue can't breathe, no they can't sleep  
Their losing all their spits

Chorus { Here we go once again, Blue's torn into pieces  
Win tonight, win again, judge's we're number one  
Broken up deep inside, we'll all get to see the tears blue cries  
In front of the judges eyes

You knew you wouldn't win  
Beating white would be a sin  
Blue thought they were right until they met the White  
Now all that's left of Blue, there's nothing they can do  
We're together but their broken up inside  
Cause Blue can't breathe, no they can't sleep  
Their losing all their spits

Chorus

## Mr. Brightside- The Killers

Coming out of our cage  
And we are doing just fine  
Gotta gotta be down  
Because we want it all  
It started off with a win  
How did it end up like this  
It was only a win  
It was only a win

Chorus { Shield is falling apart  
And their stomachs are sick  
And its all in their head  
White is gonna win this war now  
Shield has no chance now  
Just let go  
The Kings will win  
It's obvious  
Whites taking control

Jealousy white team is killing Blue  
Blue team has no alibi  
Choking in all the fields  
But its just the price they pay  
Destiny is calling white  
Open up Blue's eager eyes  
Cause Kings will win tonight

Chorus

## Cheer Medley

2x { Well Blue don't know what the white can bring  
Why don't you try and play with us  
You wish you were a king

2x { Don't be scared now  
Got it made now  
Come to lay it down  
Winning the war now

2x { Ante up kidnap the Blue  
Ante up and we'll beat them too

Step by step  
Heart to heart  
Left right left  
Blue team falls

Like toy soldiers

Bit by bit  
Torn apart  
Blue wont win  
The war goes on  
The kings on top

Don't cha wish the Blue team was hot like us?  
Don't cha wish your coaches were the bomb like?  
Don't cha (pause) Don't cha  
Don't cha wish the Blue team was strong like us?  
Don't cha wish the Blue team was sick like us?  
Don't cha (pause) Don't cha

## HOUSE SONG

The West End House song we sing today was composed by Al Sherman around 1946; it was first heard at a West End House Show & Dance at the Statler Ballroom in Boston.

Hundreds of hearts that beat as one  
Grateful for all the House has done  
As long as the sun is in the sky  
The Spirit of the House will never die.

James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.

When you're one of the boys  
You're always one of the boys  
And here's one thing you'll do -  
You'll always go through  
You'll always go through  
You'll always go through . . . . .

James J. Storrow will always live  
Our support we will always give  
As long as the sun is in the sky  
The Spirit of the House will never die.

## ORIGINAL HOUSE SONG

The words and music to the original West End House Song were written by John Channell and were first published in 1909.

Let me sing to you a song of a House not far away  
Where we gather every evening and we laugh and sing and play  
Many social clubs are gathered, points of interest for each one  
And we'll be glad to welcome you to join us whene'er you come.

We are the boys of the West End, and there we'll join together  
One thousand members there attend, the House we'll cherish ever  
Our Benefactor in our hearts to cheer our best endeavors  
Then West End House will seem to us like Home Sweet Home.

Many literary functions we attend, in due season socials, too  
And our athletic teams are flourishing for to win their aim in view  
And we camp out in the summer on the shore near woods and plain  
But we are happy when we see the West End House again.

We are the boys of the West End, and there we'll join together  
One thousand members there attend, the House we'll cherish ever  
Our Benefactor in our hearts to cheer our best endeavors  
Then West End House will seem to us like Home Sweet Home.
