VISITING DAY

As usual, the weather cooperated in making Visiting Day 1964 a huge success. Happy parents greeted even happier campers at approximately 1:15 on Sunday afternoon when Lou Fuccillo announced: "Visiting Day is now!" Under Paul Renfrew's supervision a water show, consisting of general swims for the juniors and seniors, a water skiing show, and a swim team demonstration took place. Counselors informed parents just how angelic their little angels were, and all in the camp enjoyed the 3½ hour visit.

BOWLING

Crash! Another pinsetter bites the dust as the West End House Camp invades the Strike 'n Spare Lanes of Kezar Falls, Maine. Geared for rainy days, the bowling program has met with huge success. High for the seniors is Jimmy Finks with a 106. Jim Gordon for the juniors got a 102. Something new for West End House.

5A

Yes, every year campers vie for the honor of being in 5A just so they can go on the fantastic hikes under their leader, Snoopy Nilogram. The first hike, to Blueberry Hill, lasted 3 hours, and only two of the original hikers came back. The second trek took us around the lake. A small rain storm caused a damp woods and wet campers and staff. The third hike took us to a round trip through East Parsonfield as the awed campers admired the wonders of this ancient town. The final hike of this first series took us on a never-before-explored trail which resulted in our again ascending Blueberry Hill, this time completely through the woods. The boys all enjoyed the hikes, and we certainly hope to go on many more before the year is over.

DIET CLUB

Young Dr. Hennekens, stressing Physical Fitness, had begun a weight club whose object it is to make plump happy campers into physically strong happier campers. Dr. C. Hennekens has met with great as can be witnessed by the 40 odd pounds of lost fat lying under his bed. Seriously, congratulations to Charlie for his fine and rewarding efforts.

MORE NOTES: Can you tell us the Zip Code number of East Parsonfield?

Do you know who gave Barry Ratner the mysterious kiss he received on the night of July 25? We do!

Full moon tonight. Jim Finks has advised all boys to lock their doors and, if possible, to carry knives.
