A MESSAGE FROM THE EDITOR-IN-CHIEF

The following forty some odd pages is a collection of memories which were created over the last eight weeks. They were all combined into the 1985 Spirit in about eight hours, but it was done with the combined effort of many people. The Spirit is so named because it signifies the "Spirit of the House," which, as you all know, will never die.

To put together the Spirit you are about to read took a lot more work than I had expected. I would like to thank several people whose aid I could not have done without. First of all, Lee Rappaport and Neil Weiss, who spent those last few hectic hours with me in Wonderland, typing and copying away. These two also dedicated many hours of work the last four weeks of camp, as they stayed awake with myself and the rest of the Blue Defenders coaching staff until 2 or 3 AM every day. Also, to some special Gottliebbers, who donated their time and effort to making this year's Spirit one of the best ever: Robb Snyder, Mike Sibell, and Scott Shuman.

There are three other people who, it seems, were thanked more than once in the next couple pages. To Gerry Walsh, all the thanks in the world, not only for his help on the Spirit, but for his help over the last two summers. At times, it seemed like the only person I could go to for a talk was Gerry and I'm truly grateful. To Dean Goldberg, for all the trouble and problems I've come to you with, or even caused right in front of you, thanks and good luck at school (again). And finally, to the man everyone knows as "the guy in glasses and with a moustache," Bill Margolin, you put me to a test, and I've learned from it as much as I might have passed or failed. Thank you.

You should all be honored to be able to spend a summer at a place such as West End House Camp. I know I am, and I'll never forget the times I've spent here. I hope you all enjoy the Spirit, and I hope to see many of you back again next summer.

Kevin Lustig

P.S. Thanks to my brother Mark, and to Dave Andelman for their typing assistance.

A MESSAGE FROM THE CAMP DIRECTOR

The West End House Camp has operated continuously since 1908, having been founded two years after the West End House Boys' Club (a Charter Member of Boys' Clubs of America). We are extremely proud of our many accomplishments these many years - and especially honored and delighted that you campers and staff have made this season a safe, happy and fun time for all of us.

My special thanks to Program Director Gerry Walsh (that's "Gerry" with a "G") for his tireless efforts and strong commitment and supervision; to Dean Goldberg and John Stoller for their superb efforts in scheduling games and activities throughout the season; to Kevin Lustig for his waterfront supervision and scheduling as well as for his supreme and extraordinary efforts in publishing this SPIRIT in record time; to Judd Brandeis for combining with Kevin to make the waterfront a safe and active area; and to Senior Counselors Barry Bornstein, Andy Cohen, Jon Schwartz, Robert Goldberg, Scott Goldberg and John Sullivan for their grand efforts and for coming through this year. It wasn't always easy for them or for the rest of the staff - but we all came through with flying colors.

Special gratitude to Camp Committee Chairman Joe Kaplan and Camp Corporation President Mike Cataldo for their advice and assistance all during the year (Camp, after all, is a year round activity for many of us, even if it operates only eight weeks a year); to Connie Guare, our "Unsung Hero(ine)," who was an outstanding nurse and a caring person for all two months; to Dr. Charlie Schlosberg, Camp Medical Director, who has always given so unselfishly of his time and energies to ensure the good health of our campers; to Doctors Charlie Hennekens, Leslie Blachman, Bob Levin and Glen Harper for helping with our medical needs this past season; to Dwight Day - well, what can you say about a guy who can do everything, can fix everything, and who 52 weeks a year keeps the Camp in top condition?; to Chef Manager Sean Callahan and to his crew of Bill Monahan, Joe Hurley and Scott Finer for preparing and serving excellent food.

Special hello to good friends Linda Day, Joseph Day, Jerry Day and George Mouradian for their always welcome visits during the summer. These are special people whose friendships we shall always cherish.

Don't forget your West End House experience. You are all part of a great organization and are also part of the Boys' Club located at 105 Allston St. in the Allston-Brighton Section of Boston. Come visit us during the year and enjoy our great facilities.

This was a special year for Camp. For the first time ever we opened our doors to boys from other Boys' Clubs and with the help of the Godfrey Hyams Trust we welcomed two boys from eight different Boys' Clubs in the Greater Boston area. This was an unforgettable experience and brought together a number of boys from different areas. Many of these boys were able to stay on longer and we were pleased to have this kind of participation in our program. As our founder, James J. Storrow remarked when the Boys' Club began in 1906, West End House will be a place "where all boys are welcomed." We feel we have more than fulfilled his promise.

Please come back next year - bring a friend and let them know the fun times you had. Remember: You are the future leaders and supporters of our Camp. Be proud of your participation here - we were proud to have you.

Enjoy your year at school. I look forward to being together with you again next summer.

William Margolin, Executive Director
West End House Camp, Inc.
West End House Boys' Club

P.S. Two special thanks: To Alex Berger for his constant support and to Dwight Day's great assistant, Larry Meggison.

A MESSAGE FROM THE PROGRAM DIRECTOR

Well, another year has ended here at West End House Camp. We had a great summer for all the campers and staff. During the year, our camp enjoyed a wide range of activities including socials, intercamp sports, leagues, superstars, trips, and of course Color War. The strong finish to our season has left many of us looking forward to next year. I would like to thank all the staff for their help and cooperation and send special thanks to Dean Goldberg, Johnny Stoller, and Kevin Lustig, for they made my job more enjoyable and easier. Also, a special thanks to Mr. Bill Margolin for putting up with me, and keeping his faith in me throughout the summer. I hope everyone had a great summer and has a great winter, and I look forward to seeing you all next summer.

Gerry Walsh
Program Director

A MESSAGE FROM THE ATHLETIC DIRECTOR

This year's athletic program at West End House was a strong one. Although there weren't as many intercamp sports as past years, the leagues were intense as well as Color War. Competition with our main rivals, Robin Hood and Samoset, was stronger than ever. Our intercamp program competed at all age levels in everything from soccer to swimming and took home two tournaments along the way. Once again, West End House finished the summer with a winning record. Special thanks to Gerry Walsh for all his help. Appreciation also goes out to all the people who coached the teams and made the athletic program run smoothly. Have a great year. I hope to see you all again next summer.

Sincerely,

Dean Goldberg

A MESSAGE FROM THE WATERFRONT DIRECTOR

As we end another summer in East Parsonsfield, the waterfront at camp winds down also. This year, the waterfront staff was very young and inexperienced, but with the dedication and hard work of many people, it was run smoothly and safely. I would like to thank Judd Brandeis, who assisted me throughout the summer, and the rest of the swimming teachers: Mark Lustig, Neil Weiss, David Andelman, and Lee Rappaport. Even though there were* no Water Safety Instructors in camp, and only three Advanced Lifesavers, these six teachers helped make the summer an enjoyable and educational experience. I would also like to thank the rest of the waterfront staff who worked hard to fill out activities such as Boating, Sailing, Arts and Crafts, Tennis, Wiffleball, Archery, Boat Rides, and an occassional voyage of Water Skiing. Without the following people, I could not have been able to do it: Jon Tobias, John Zinman, Eric Mason, Scott Niss, Andy Sternburg, Dave Kilroy, Barry Bornstein, Steve Cohen, Marc Cohen, Rob Sternburg, Greg Costello, and anyone I may have forgotten. Special thanks go to Gerry Walsh, who in his own way, made life much easier for me. Have a great school year, and I'll see you all next summer.

INTERCAMP SPORTS

Soccer

- 15 and Under: The 15 and under team traveled to Robin Hood for their only game of the season. Led by captains Mike Sibell and Neil Weiss they came out with a surprise 2-1 victory. Scott Niss was superb in goal and a fine game was also put in by Al Bottari (2 goals) Rob Snyder, and Lee Rappaport.
- 13 and Under: The 13 and under team entered the Realm of Robin Hood as a heavy underdog. The team, though not extremely talented, played them close until the very end when Robin Hood scored 2 quick goals to put it away at 4-1. Fine performances by Daniel J. Kaplan and Michael Andelman.
- 11 and Under: Robin Hood traveled to West End House for the only 11 and under game of the season. The very talented 11 and under team, led by Jason Eich, Danny Andelman and Peter Jonas, put them away early and went on to win 4-1. Jesse Katz put in an outstanding game in net.
- 9 and Under: The 9 and under soccer team was entered in Robin Hood's tournament. In the opening round, Samoset totally outclassed them and won by a shutout 4-0.

We would like to thank Andy Cohen for putting his time and effort to do an excellent job coaching these teams.

Basketball

- 15 and Under: West End House's annual tournament was almost cut short because Robin Hood cancelled out the morning of the tournament. Due to the quick thinking of coaches Dean Goldberg and Gerry Walsh, West End's team was split in 2. The B team opened vs. Samoset. After playing them even in the first half, Samoset came in with some new big men and pulled away to win the game by 8. Scott Shuman led the team with 18 points. Our "Ateam" was a little more fortunate. They opened us. Camp Cody and played a tough game and won 51-43. Then they came out in the finals and destroyed Samoset, 51-32. Daniel J. Kaplan and Robb Snyder were the MVP's of the tourney and David Andelman also provided excellent shooting from the outside. We also were entered in Robin Hood's tournament. We opened vs. Winaukee and just blew them off the court 41-31. Dave Andelman led the team with 21 points. In the second round we played a tough team in Camp Mooselauke. We lost the game 34-25 but good efforts were put in by J.J. DiRuscio and Neil Weiss.
- 13 and Under: The 13 and under basketball team opened the season with a home game vs. Robin Hood. Robin Hood had a great center but West End hung tough only to lose 38-34. Daniel J. Kaplan, Dan Levine and Matt Wiener all had a good game. That, however, was just the beginning of their season. In the Robin Hood tourney they had

to play a grueling 3 games in one afternoon, but it was well worth it to bring West End House yet another trophy. They opened vs. Camp Mooselaukee, played a sound game and won 40-31. In the second round they played Winaukee, and coasted to a 38-30 victory. In the final game we breezed to a 50-37 victory over Camp Alton. Great performances by Daniel J. Kaplan, Ari Labell, and Mike Andelman.

We would like to thank Dean Goldberg and Gerry Walsh for their great coaching.

Swim Team

16, 13 and 11 + Under: We went to Robin Hood for a Swim Meet. After zero practices we came out with a startling third place finish. Fine performances by Jesse Katz, Mark Lustig and Scott Shuman.

Thank you to Kevin Lustig and Judd Brandeis for their time and effort.

Baseball

15 and Under: The first game of the season was played at West End against a tough Robin Hood team. It was a close game until the 6th inning when Lee Rappaport hit a homerun into the center field gulley. In the seventh, Robin Hood scored 1 and the game ended in a tie. West End House traveled to Robin Hood later in the year for a tournament. In the first game Camp Moosilaukee came to play and beat us by a score of 10-1. A good game was played by Andy Zinman and Neil Weiss.

14 and Under: West End went to Camp Takaho to play in Alton's tournament. Andy Zinman pitched a tough game. But we lost to Wildwood 13-6. Some great hitting was displayed by Rob Snyder, Evan Cohen and Ari Labell.

Softball

10 and Under: The 10 and under team played two games against Samoset. In the first game Samoset won 5-3. Peter Lesburg, Bryan Gardellis and Jesse Katz played well. In the second game West End won 9-2. Scott Eagerman, and Josh Deth played well.

9 and Under: The 9 and Under team went to Samoset for a game and crushed them 9-1. Bryan Gardellis (2 home runs), Jesse Katz (3 for 4) and Josh Deth were the MVP's.

Once again, West End House had a strong intercamp schedule. We had fine teams and ended up with a 10-7-1 record. As usual West End displayed excellence in ability, sportsmanship and effort. Thank you and congratulations to all who played and coached.

Sincerely,

Lee Rappaport and Scott Shuman

Socials

After a year of absence, socials were once again held with Camp Huckins for girls at the West End House. The first of the two was held in the Rec Hall on July 11th. The girls arrived and the music sounded; it was to be a fun night. Favorites to perform (courtesy of Andy Hurvitz) were Robb Snyder (2-5), Evan Cohen (4-1), Lonnie Elfbaum (5-1), and Robert Goldstein (7-1); they all performed. Evan Cohen was MVP of the night, with Rob Goldstein, Lonnie Elfbaum, and Robb Snyder as honourable mentions.

The second social was held on the 23rd of July. Once again Robb Snyder went in with the highest odds (2-5), with his fellow Gottliebbers and Neil Weiss right behind. Although Camp Huckins arrived late with less girls, the dance was to be equally as good as the first. Robb Snyder and Neil Weiss were MVP's on the night with Lonnie Elfbaum also putting on a strong performance.

Both socials ran extremely well with virtually no conflicts. WEHC looks forward to more socials with Camp Huckins in future years.

COLOR WAR 1985

On the morning of Wednesday, August 7, it seemed like the beginning of a typical West End House day. Second bell rang and all campers began to assemble in front of the mess hall for line up. Once everyone had gathered, they were told to face the flag in normal everyday fashion. Raising the flag that morning were Eric Mason and Mike Tollins. Once everyone had quieted down, Jimmy Klapman volunteered to lead the camp in the Pledge of Allegiance. However, as the pledge began, the campers were interrupted when Mason and Tollins draped open the flag which stated "COLOR WAR IS NOW!"

The two teams this year were the Blue Defenders and the White Express. The Blue Defenders consisted of head coaches Kevin Lustig and John Sullivan, and were also coached by Andy Cohen, Mike Gladstone, Neil Weiss, and Lee Rappaport. The White Express' head coaches were John Stoller and Judd Brandeis, and was also coached by Scott Goldberg, Robbie Goldberg, Jay DiRuscio, and Dave Andelman.

Color War was fairly close. The White Express jumped out to an early lead, but the Defenders battled back and it was tied going into day 3. Track and swim were close, but the Blue began to build a lead. The Defenders slowly increased their lead and were ahead by 55 going into song night. The White fought hard to come back but 55 was just too much to make up. They won song night by 22 points which made the final score of Color War:

The Blue Defenders	564
The White Express	531

Both teams showed excellent hustle and desire, and, it was a shame to say that one team had to win, and another had to lose.

However, there was a third team in Color War this year- The Bakers and their Doughboys. The function of this team was to see that all games and activities ran smoothly. While picking up some points along the way, and if not for a few unfortunate incidents, the Bakers would have won the war. A list of the Bakers and Doughboys and their assignments follows:

Blue Team Entrance

Captain's solo to "All Night Long"

Well, judges, the time has come,
Raise the roof and have some fun.
Come in blue, there's work to be done.
Let the music play on, play on.
Everybody sing, everybody dance.
The White Express don't have a chance.
We're going to party, come on and sing along.
Come on and sing along. (2x)

Team enters to tune of 'Rockit'

Sing to tune of "Miller Beer Commercial"

Blue is made the American way,
We're having fun and we're to stay.
Just as proud as our team who is winning here today,
Blue is made the American way.

Sing to tune of "Wonderful World"

Judges, we're here to tell you 'bout,
The guys that make the white team pout.
We're a group you can't do without.
When you hear us coming you all shout.

CHORUS: We're the Blue Defenders, that you know,
And without Express, we will show
What a wonderful camp this will be.

Tonight, we're here with a grin,
The Blue Defenders have to win.
A white victory would be a sin,
So we won't even let white in.

CHORUS

Sing to tune of "There's no Stoppin' Us"

Up in the fields, white won't survive by being weak.
This is our war, and Blue team owns this floor.
White team tried to lock us out, but Blue's breaking down the doors.
And all we're prepared to do, judges:

CHORUS: There's no stoppin' blue, no stoppin', no team does it better.
There's no stoppin' blue, no stoppin', white team doesn't matter.

Blue Defenders, are playing games with white's minds.
Nothing to prove, white team Express will lose.
We have waited far too long for this victory to arrive, and

CHORUS (1½x, followed by 2 loud claps)

Blue team song from the floor

Sing to tune of "You Are"

SOLO: White team you'll find, that in the end you've run out of time.
We've got so much love;
And beating you so, our love for blue, we'll never let go.
We've got so much love.

TEAM: All we want is to be blue, let us show you how much we love. **blue**
We don't mind and we don't mind.
Blue we love, there's no one above you.

CHORUS: We're number one, Defenders reign
To blue you are a foolish game
Go blue team go, we love you so
And we'll do it all again and again.
(Woo, woo, woo, yea yea)

SOLO: We tell you it's true, white can't believe what we do for blue.
We've got so much love;
And our love you'll see, we'll stay together forever we'll be.
We've got so much love.

TEAM: Only blue, you'll see, we'll tell you how to love blue.
We don't mind and we don't mind.
Blue we love, always thinking of you.

CHORUS

We know you know the way we feel
We'll be blue for always, cause
When we're with blue we fall in love
Again and again and again, judges:

CHORUS

Blue team cheer from the floor

Sing to tune of "V-A-C-A-T-I-O-N"

(D-E-F-E-N-D-E-R-S) in the summer time
Put away the white, Defenders rule
The weather's warm, but we play it cool
We are the blue team, having lots of fun.

() in the summer time
We're gonna' beat the white on the land
Make it so the white understand
We're the Defenders and the war is ours.

() we are superstars
Yeah, the blues are flyin' and the whites aren't movin'
Express has nowhere to go
Just wait and see our victory
As we say GO BLUE GO!
We're gonna' beat the white in the fields
Don't let up and watch the white team yield
We're number one, in this color war.

() we're gonna' have a ball.
Yeah, the blues are winning and the whites are losing
Express has nowhere to go
We're gonna' sing a song, sing it strong
As we say, GO BLUE GO!
We're gonna' win tonight in this ball
The white Express is about to fall
You can't beat blue team cause we're just too strong.

() we're gonna' have a ball

() we are number one! YEAB!!!

Blue team song, from the benches

Sing to tune of 'We Belong'

Many times we tried to tell white
Blue Defenders won this war
Always we're surprised how well we nailed your team against the floor
Blue wants to tell you truly, how much we want this war
Blue won't give up that easy, you will see the blue team wants it more

CHORUS: We belong to the blue
We belong to Defenders
We belong to the war of West End
You will see we are stronger
Whenever we decide to defend the Dynasty's title
We belong, we belong, we belong to the blue team.

Maybe it's a sign of weakness
When you don't come out to play
Maybe they wouldn't know what to do with their team anyway
We have become the champions of this year's color war
Now there's no looking forward, now there's no turning back ...
When you say ...

CHORUS

Blue team cheer from the benches

Sing to tune of 'We're not gonna' take it'

CHORUS: They're not gonna' take it, no, they're not gonna' take it,
- Express ain't gonna' take it anymore.

Blue has the right to choose it
There ain't no way we'll lose it
This is our war we will defend!
We'll fight the white Express
There's no need for distress
You can't beat us - you don't belong.

CHORUS

The blue team is defending
Our goal is never ending
We're here to win, win again
The white has tried but failed
Defenders just won't yield
If that's your best, your best won't do.

Wooo! Wooo!
We're one! Yeah!!
They're two! Yeah!!
Second to none! Yeah!!
We're blue! Yeah!!

CHORUS (2x)

Blue team Alma Mater

Sing to tune of "Vincent"

Starry, starry night, paints your face a happy glow;
Happy times we'll always know, when we see our friends from long ago.
Thinking of the fun, makes us want to come again,
Knowing we'll have good times when, we come back to the camp we call West End.

CHORUS: Now we understand, why you help us live and grow,
And why you teach us all the things we know;
But tomorrow, we must go.
Tears are in our eyes- all this is true- West End House, we love you.

Starry, starry night, flaming flowers that brightly blaze,
Swirling clouds in violet haze, above us on a bright and shiny day.
Summer's passed away; times we spend here at West End,
Are times that we will not forget, through all the good times and through
all the bad.

Memories of West End, friends for life are often made.
Look out on a summer's day, with eyes that show the pain of going home.
Wishing we could stay, but we know the time has come,
We must leave the place we love, and hoping to return again next year.

CHORUS

CURID I LOVED YOU- The Spinners SONG

CHORUS { Express, let's steal the show
And let the Blue team know
We'll rob the judges' hearts
Wow me, nobody but meee
Express, reveal our pride
And let our spirit fly
Straight to the judges hearts
Straight to the judges hearts

Now, I don't mean to pick on Blue but White
IS the best
There's danger of Blue losing all of their happiness
For I head a team who knows all of the tricks
And this you can't fix, Ooooh

CHORUS

Wow, Express and Defenders made a great Color War
I promise that we'll beat them out on this Rec-Hall floor
I know between the two of us, the war White can steal
Express is for real, Ooooh

CHORUS

Don't you hear me calling
Straight to the judges hearts (chorus members)
My voice keeps wailing
Straight to the judges hearts (chorus members)
We will beat the Blue right now.

WE ARE THE CHAMPIONS-Queen- SONG

We've paid our dues
All through this war
Beaten the Blue's
Now, we'll shut the door
And bad mistakes
We've made very few
Sometimes it looked like we lost the race
But we've come thru
Gotta keep going on, and on, and on and on

CHORUS

We are the Champions my friend
And we'll keep on fighting 'till the end
We are the Champions, we are the Champions
No time for Blue team 'cause we are the
Champions, of this war

We've taken our blows
Had our share of falls
But unlike the Blue team
We're standing tall
It's been no bed of roses
No pleasure cruise
We considered it a challenge before West End House Camp
That we'd never lose
Gotta keep going on and on and on and on

CHORUS

WE'RE TALKING BASEBALL- SONG

The White team has done it
The Express now has won it
And we have had a good 'time all the while
Alegend is being born
And everyone on Blue will mourn
So down at West End House,
It's time to raise just one more White plaque

ORUS { We're talking White team- from Spartans to Express
We're talking White team- we know that we're the best
With Union, the Stallions, and Crusade
The memories of Blue will start to fade
Especially this year, White in '85

We were always winning
Even from the beginning
Wins on the field and vic-tries in the lake
Right from the opening bell
We all played so well
Defenders had no success at all at old West End

CHORUS

YOUR THE BEST- Karate Kid- CHEER

White is the best, cause we are the Express
And the Blue's got to learn to take it
Try to believe though the going gets tough
That we gotta hang tough to make it
Victory is in our hands
Try and we'll succeed
Never doubt we're number one and we can have our dream

chorus
3 times

{ We're the best
Around
Nothing's ever gonna keep us down

Fight 'till the end
'Cause the war could depend
On the strength we have inside us
Ohhh gotta be proud
Standing out in the crowd
When the odds of the war defy us
Try our best to win them all
And one day time will tell
When we're the ones standing there
We've reached the final bell

CHORUS 3X

WE'RE THE BEST

RHYTHM OF THE NIGHT - DeBarge- SONG

When it feels like
The war is almost over
And all of Blue's losses
Have got them goin' crazy
It's time to get out
Step out into the street
Where all the Defenders
Are right there at our feet, well
We are the team that can beat the Blue right away
In this Rec Hall, here tonight
Just come with us and we can shake the Blues right away
We'll be doing fine once the music starts

CHORUS
To the beat of the rhythm of the White
Winning morning, noon, and night
Forget about the worries on our mind
'Cause we can leave the Blue behind
To the beat of the rhythm of the White
Oh, woow the rhythm of the White

Look at our team now
Express is just beginning
The music's playing
A celebration's starting
Blue can't defeat White
The scene is being set
A night for victory
A night Blue won't forget, so
Come join the fun this ain't no time to be stayin' home
Oooh, there's too much going on, Oh
Tonight is gonna be a night like we've never known
We're gonna have a good time the whole night long

CHORUS
