Approximately 35 boys traveled to Camp Cedar last Wednesday, July 14, to compete in softball, archery, and basketball. The only event that was won was the J.V. basketball game. The starting team consisted of Henry Barr, center; Bobby Hauer and Danny Lief, forwards; and J. Lipof & Stiebel, guards. Taking part in the game for the West End House, also, were Larry Shopnick, Chuck Hamburg, Richard Foster, Lenny Rotman, and Marc Bornstein.

The scoring was as follows: Marc Bornstein, Richard Foster, Chuck Hamburg, and Larry Shopnick were scoreless, but we would not have won without them. Lenny Rotman and Danny Lief each had 2 points. Joel Lipof, 6 points; and Henry Barr and Bobby Hauer, 10 points. Captain and high scorer, Richard Stiebel with 18 points. A lot of credit is due to the coach, Dick Penn, who brilliantly piloted the team to victory.

Our varsity softball team, on the other hand, was defeated by Camp Cedar by a score of 11-6. The main cause of our loss was the unfamiliar field. Our team collected its 6 runs after it got used to it.

The starting line-up was as follows: Kessler, 1B; Kaufman, 3B; Samaria, C.F.; Krivan, P.; Spector, 2B; Porpora, L.F.; Taub, C.; Katz, R.F.; and Ciaramitara, S.S.

Leading our attack were long blasts by Katz and Krivan. The latter collected 3 hits and Kessler and Porpora, 2 apiece. A rematch is scheduled for August 10.

Our archery team, as the softball team, opened another season with a loss against Camp Cedar. Although unsuccessful in winning, the team showed great competitive sportsmanship, characteristic of all our camp teams. The final score was 456-421 which was very impressive to our archery team. High scorer for Camp Cedar was Mike Spero scoring 126 points. High scorers for the W.E.H. were Dana Gladstone scoring 80 points and Melvin Goldberg, 75 points.

**JUNIOR VARSITY BASEBALL TEAM LOSES
THRILLER TO CORNISH L.L.**
By Dick Stiebel

The game last Wednesday, July 15, was a great game from start to finish, but Cornish beat us by the close score of 7-6.

We started off the first inning with 4 runs, followed by a slow second inning with only 2 runs. Cornish scored 2 runs, so the W.E.H. lead 6-2 at the end of two innings.

Cornish put a new pitcher in for the 3rd inning. He kept the Westy scoreless for the remaining four innings.

Cornish didn't score in the 3rd, but got five runs in the 4th, and was kept scoreless in the fifth.

The W.E.H. batting order: F. Jackman, 2b; M. Hancharyk, c; B. Hauer, p; R. Stiebel, ss; H. Barr, 1b; L. Rotman, 3b; F. Puopolo, cf; R. Athanas, rf; and R. Goldstein, lf. At the end of 2½ innings, Joel Lipof went into right field and Marc Bornstein into center field; Steve Guttel played at 1b at the end of 3½.

**2ND APACHE RELAY RUNS CAMP RAGGED
AGAIN !!!** By Ricky Dana
Rennie Robins

The W.E.H. Camp held its 2nd fun-filled Apache Relay on July 12 which proved to be a most exciting and unforgettable afternoon. One of the best spent this season. First, the whole camp was divided into 6 teams and each assembled on the volleyball court for an over-under basketball relay. As soon as each team finished its relay, the boys ran to their assigned places.

Most of the events were the same as the first Apache Relay, but some were different. For instance, this relay demanded a ringer for the horseshoe event; the archery event was also harder. One of the most hilarious events was when #16 man piggy-backed #17 around the bases twice.

The 6 teams lined up again to end the relay on the outdoor basketball court with a tunnel ball relay. Paul Levy's team won first prize. Members of his team were: Faliero, Ciaramitara, G. Feldman, B. Barr, Condon, Bonnstein, Robinson, Brooks, R. Hurwitz, F. Marinella, Dolnick, Holtzman, Constant, Gladstone, Gordon, Cohen, B. Summers.

TALENT NIGHT HOWLING SUCCESS !!
By Donald Hurwitz

Bungalow 1A was the first to present its talent to the camp last July 13. Joe Zimboni introduced two boys who cleverly mimicked the Patterson-Johanson fight. Patterson was knocked out by a slap. 2A presented a Steven Brown production which was a typical camp farce. 3A next gave its skit entitled "The Egghead Award". Ricky Dana and Marc Sandofsky were the masters of ceremony. Steve Daniels was presented the first award for trying to be an archery instructor by Talulah Chuck Hamburg. Ricky Goldstein then presented Danny Krinsky with the next award for disrupting camp. Finally, Ralph Santosuosso was presented with the last award for outstanding progress with Margie. This last award was presented by Gina Lollobrooklynbridgida, or Steve Foster.

It was an evening in 3B for the next skit. Pandimonium broke loose as soon as the counsellor left the cabin. Is this always true? 4A and 4B presented big time wrestling. Mel Goldberg and Neal Gore faced Dick Medin and Dana Gladstone in a comical, but rough match. Gottlieb presented a declamation piece; John Ciaramitaro. 2B provided the finale. Steven Linas played "Pink Shoe Laces" first. Then Larry Taylor, Frank Marinella, and Jason Tobias sang "The Battle of New Orleans". Steve Linas and Don Hurwitz sang "To Know Him Is To Love Him". This bungalow started off the "House Song". Everybody joined in to wind up a very enjoyable evening.

The results of the 3rd week's inspection showed 1A, 3A, 4A tied for first prize with 6 perfect scores of 100%. A note of interest: This is the 3rd straight week of perfect 100% scores for Bungalow 4A. This bunk is setting a new record.
