

OGUNQUIT TRIP TAKEN AFTER WEEKS WAIT Larry Leeder

Last Wednesday the entire camp took a trip to Ogunquit Beach. The trip was originally to be the week before, but at that time we had a good deal of rain and of course the trip was called. The weather on this Wednesday wasn't very promising either, but it was decided to go ahead with the outing.

We reached the beach at about 12:00, and ate first. Although it was a little windy, there was enough sun out to make it a pleasant afternoon. After our picnic lunch we engaged in several activities. There was a football game in which Izzy Kaplan's team tied Boboy Gordon's team 18-18, a wrestling match between Jerry Feld and Ralph Santosuosso, (Jerry was declared the winner because he followed his cue cards better) and some of the braver lads even tried the icy waters of the Atlantic. Another activity was the building of a human pyramid which was successful after about umpteen back-breaking tries.

During the afternoon the campers succeeded in buying out the candy store. During the night Mrs. Brewer succeeded in administering lots of Pecto-Bismo.

The movie Saturday night will be Back Up Your Troubles.

J.V. BEATS ROBIN HOOD 9-6

The Junior Varsity Baseball team (10-12) beat the J.V.'s from Camp Robin Hood last Monday. Before the game manager Izzy Kaplan told the R.H. manager that no inning starting after five o'clock would count, and that is the reason for the disallowment of the six runs R.H. scored in the last inning. I include this because some of the fans were under the impression that we had lost the game.

Eliot Sargon was the mainstay on the mound for the West Enders. Completing the batter was Joe Lipof whom Izzy Kaplan described as "a real ballplayer."

On offense, Alan Taylor slammed out 2 big hits and showed the camp some good future varsity material.

The starting lineup for the game: Freedman, Kessler, Taylor, Rotman, Kerman, Rubin, Ward, Lipof, and Sargon.

BOXING

Boxing again came to the Rec. Hall here in the wilds of Maine, and in the words of Howie Levine, "The fighters had more nerve than talent." To combat this situation Boxing will now become a regular activity. Winners were: E. Sherman-Olem (D), Shore, S.Lappen, Aisner, Holtzman, Ligums-Malcofsky (D), Epstien-Lipof (D), and Kawadler.

VARSITY BASKETBALL TEAM BEATS R.H.- J.V. LOSES

The Varsity basketball team beat Robin Hood for the third straight time, 54 - 34.

Playing the game under no warning at all, (we were under the impression that the game was to be the next night) the locals showed the visiting "archers" what West Enders can do even without any pregame instructions.

Dickie Samaria was again the high man for locals; he scored 29 points. Dave Gordon scored 10 and was responsible for many other points with his excellent passing and playmaking. Barry Bennett had 4, Sam Rosenberg had 1, and "Runty" Marinella had 10. Others who played but did not score were: Goldman, Goldberg, Lipof, Becker, Epstein, Stiebel, Norman, H. Barr and R. Levy.

The Junior Varsity, playing on the outdoor court, lost to R.H. 31 - 20. The game was similar to the others, lack of practice told heavily. Bobby Aisner was the high West End scorer with 7 points. Foster had 5, Brown 4, Rotman and Shoenick each had 2. Others who played but did not score were: Taylor, Summers, Needle, and Lipof.

SWIM TEAM LOSES

The varsity and junior varsity swim teams lost to Camp Robin Hood last Saturday. The J.V. score was 22-12, with the following W.E.H. boys placing: Lipof(1), Sandofsky(2), Skiffington(3), Liras(2), and the relay teams in freestyle were Sargon, Foster, D. Hurwitz, and R. Hurwitz.

The varsity club lost their meet by a very similar score, 22-12. Taking places were: Green (3), Needle(3), Summers(2) a freestyle relay team of Crystal, Margolin, Frank, and Bloom. The Medly relay team won their event with a team of Summers, Needle, Lief, and Samaria.

Jim Coats is the coach of the teams.

GORDON WINS THRILLER AND HOLDS FIRST PLACE IN LEAGUE

Bobby Gordon's team barely sneaked by Charlie Hennekns team with a 5-4 win. Ralph Santosuosso's team won their game against Izzy Kaplan's team 11-8, and enabled Ralph's team to stay only half a game out in second place. Al Garsy's team beat J. Feld's, and the 10-8 victory left Garsys' team only $1\frac{1}{2}$ points out of first.

The standings after the fourth week of play are as follows:

Team	W	L	T	P.B.
Gordon	3	0	1	-
Santosuosso	2	0	2	$1\frac{1}{2}$
Garsys	2	2	0	$1\frac{1}{2}$
Kaplan	2	2	0	$1\frac{1}{2}$
Hennekens	1	3	0	$2\frac{1}{2}$
Feld	0	4	0	$3\frac{1}{2}$

As the season draws closer to the end, it looks more and more like Gordon's watermelon. Of course the team that still can't be counted out is Ralph's. Only $\frac{1}{2}$ a point out of first and a strong team put them in good contention for the melon.

VISITING DAY LAST SUNDAY

Last Sunday was visiting day, and an estimated 250 people jammed the camp to see how 123 campers can get along without their parents. The first two hours were used for a general visit about the camp. Later some of the campers put on a water skiing exhibition. After the water show (in which Lou Fuccillo told the crowd just a little about the sport) the parents watched a short general swim. The last half hour was devoted to good-bys.

The usual assortment of candy comic books, clean clothes, and motherly instructions were left to all the campers by their visitors.

Kampers omments

Just for the fun of it, I asked a group of campers what they would like new in camp next year. Some of the things they asked for will help the camp committee to make camp a little bit better for you. Other things are just a little ridiculous, and still others will be realized when they find the moon is made out of green cheeze. Well, here are the suggestions.

New baseball equipment...Football equipment...Riflery...Horse back riding...Fix up the ball field...Water Polo...Burn down the old dock...Tennis courts...Field Hockey...More kickball, Soccer and punchball....A camper hunt....More boats...A camper hunt... Fishing from the boats...More clubs...More hikes...OVERNIGHT HIKES...Rowing instructions...A new 50 star flag.....A new flag-pole...bathrooms for the back bunks...washing machines...more skinny dips...A camp canteen...socials...A diving tower..Climbing ropes for the Rec. Hall ...Weight lifting equipment...more games for rainy days...Checker tournaments...Go to bed at 9:30...Get up at 8:00 ...better movies.. T.V. in the bunks...Camp library... pets...longer rest periods... shorter rest periods...no rest periods...divide the camp into groups instead of cabin agains cabin.

Asking the boys of 1B what some of their favorite things around camp were, they came up with such answers as baseball, swimming, Sunday afternoon diner, punch, softball, and softball.

TRIBUTE TO GEORGE MOURADIAN

Speaking for the staff and for all the campers, I would like to express our thanks for all the tireless work that George has given the camp. In instances like his fixing the power lines late at night and many other times that George has helped the entire camp or an individual camper we all owe a great deal to George.

At this time, I would also like to thank Van for all the help he has been around camp.

The camp is happy to salute you now, George, while the campers are still "so" that you may know how we all feel, and some individual campers and staff members may get to thank you personally.

USE THE LAKE!!!

Allie Coles has requested that all campers use the lake to wash up in the morning. In his own words, "Take a skinny dip in the morning, you'll feel like a million."

AN ORIGINAL SONG

(To the tune of "Ya gotta get up in the morning")

Oh how I hate to get up in the morning,
Oh how I hate to get out of bed,
But the hardest blow of all
Is to hear our Allie call
Get down to the lake
Get down to the lake
Get down to the lake this mornin

Oh some day I'm going to murder that singer,
Some day I'll smash that phonograph,
But first I'll get that other one
The guy who turns the first bell on,
And spend the rest of camp in bed.

"Everybody up, up, up! It's a beautiful morning. Seriously, take a dip, everybody, you'll feel like a million."

With all respect to Allie, it is a beautiful day!
