J.V. BASKETBALL TRAMPLES R.H.  
by  
Lewis Spatz

Varsity baseball has come to camp again. Last week try outs were held under the coaching of Charlie Hennekins and Dick Rosenthal. The first game was played against Camp Robin Hood.

The team lost 13-0, but Steve Brown, Marc Dunay, and Bobby Aisner all got hits for our side.

The starting line up was as follows: (1st) Bob Aisner - 2b, (2nd) Frank Jackman - 3b, (3) Marc Dunay - c, (4th) Steve Brown - r.f., (5th) Mike Hancharyk - ss, Steve Foster - c.f., (7th) Hal Snyder - l.f., (8th) Robert Band - lb, (9th) Marc Kellner - p.

The team really took a beating, but you can't win them all. Charlie Hennekins commented that, "I really don't think we are as bad as we looked today. I hope that by the end of the year we'll be on the other end of the score. Although we'll suffer a great loss when Mike Hancharyk and Frankie Jackman leave after two weeks, I am hopeful that there are some good prospects among the five-weekers."

Tuesday the WEH Camp J.V. basketball team played Camp Robin Hood. We did most of our scoring in the first half. In the second half we didn't do too much scoring.

The high scorer was Reggie Bird with 21 points. Bob Gordon, coach of the team, wants to give his thanks to Reggie Bird for giving up his trip to Sebago Lake and staying here to play for the team. Here is how the scoring went:

Reggie Bird	- 21 points
Larry Taylor	- 10 points
Peter Gordon	- 6 points
Alan Lewis	- 6 points
Tony Alessi	- 6 points
Steve Rubin	- 4 points
Barry Kessler	- 2 points
Mike Krantz	- 2 points

Bob Gordon thinks the team has picked up a tricky defense ( a 1-3-1 zone with a zone press) but they still have to round off the rough edges. Bob said, "Never be satisfied with what you have, but always seek to improve."

Final score; 57-30.

THE BREWERY LEAGUE  
by  
David Sellinger

Millers, Haffenreferers, schlitz! What do those names of beers have to do with the senior athletic division of the WEH Camp? They are among the teams in the Brewery League. The League is comprised of six teams. Danny Lief's Knicks are in first place with 25 points. Next are the Carlings with 20 points, and the Schlitz with the same number. In fourth place are the Millers with 15 points, and the Haffenreferers with 10 points are fifth. Last, but not least, are the Buds with no points.

There is always plenty of competition and action in everything from baseball to archery. The competition is really great, and there is a lot of team spirit. Whether in first or last place, everyone on each team has had a strong will to win.

Ralph Santosousso is the senior division head, and he is in charge of the league.

J.V. BASEBALL  
by  
Joel Black

The J.V. Baseball team has started to practice. They are coached by Carlie Hennekins. Here is what he has to say about the team. "I think we have a strong ballclub. I was both surprized and pleased with the turnout of tryouts. I have high hopes of a very successful season."

Kampers by Harvey Swartz  
Comments

I went around camp asking the 1st year campers what they thought of the WEH Camp. Aldo Ghistalbert said "This camp is pretty good." Keith Sherman - "Camp is O.K., and the food tops all." John Parker - "I like the rec hall and the counselors. Mike Burnan - "The food is very good, and the camp is well organized. It is better than most camps I've been to."  
I agree with all these campers!

TRAILBLAZING ALONG THE WHITE  
DOT TRAIL  
by  
Larry Taylor

Trailblazing along the White Dot Trail is exciting, interesting and fascinating. Some parts are dangerous, for instance: there is a log crossing a stream which you have to cross, and if you don't watch your step your likely to fall in. You must also jump over logs and rocks. The white dots, which indicate in which direction to go, are approximately 6-8 yds apart. Some are further apart which makes it harder for you to find the trail. It starts at the new camp spot, and ends at the same place. The whole trail is about three miles long. It takes about one hour to travel along the trail. Along the way there are some nice camp sites which Paul Levy would like cleared away.

Eventually, Paul expects to have two more trails blazed. So be on your way to crossing logs, streams, waterfalls and rocks, and to having fun!
