

### AMATEUR NIGHT SPARKS OFF THE WEEK

by  
Steven Tuch

This year the first Amateur Night took place last Sunday. It included the following contestants: Stuart Zane (trumpet), Alan Alpert (piano), Bennett Shifman (saxophone), Howie Gershman (piano) and Donny Hurwitz (vocal). Sharky Garsys then favored us with a selection on the piano. He did an excellent job.

In between each contestant's event, a twisting contest was held for ten, eleven, and twelve year olds. Gottlieb challenged Bunk 1A in a twisting contest. 1A won. 5B twisted next; Michael Gordon won. Bunk 4A challenged Bunk 4B. The winner was Sheldon Price (who has promised to give free twist lessons to all those interested). Stanley Porter won in 4B.

A twist contest between Rick Weitzman, Glenn, Al Garsys, Tommy Hennekins, Ed Shane, Paul Lipof, Normy Becker, and \*Sharky\* follo

JUNIOR AND SENIOR DIVISION

by  
Steven Tuch

This year the West End House Camp was divided into two divisions- the Junior and Senior Divisions. Each boy in camp was placed in one of the divisions, depending upon his age and skill in the various sports. Then, each division was further divided into six teams; for each win a team gets ten points. The present standings in both divisions are:

JUNIOR DIVISION

Steelers	40
Lions	35
Rams	30
Colts	30
Bears	30
Eagles	15

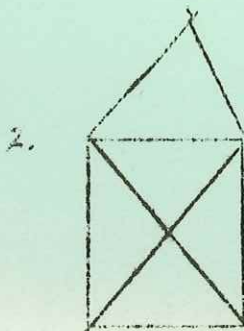

SENIOR DIVISION

Mums	30
Rt. Guards	20
Trigs	10
Roll-Ons	10
Mennens	10
Bans	10

All in all it looks like it's going to be a good year, with keen rivalry between teams.

BLUEBERRY HILL  
by  
Steven Tuch

KAMPIERS  
OMMENTS

Last Sunday Bunk 5A went on a hike to Blueberry Hill. It was a lot of fun, with a great deal of scenery to view on the way. We left camp and started on our way at 2:15. At about 2:45 we reached the road where we turned off. Then began a most tiring hike up the road to the top of Blueberry Hill. Up, up, we went, until everybody was forced to take a rest. Billy Margolin took half the group while Danny Lief took the other half. Danny's group was ahead of Billy's. After walking swiftly for about ten minutes, Billy and his companions still were not able to catch up with Danny. Then Billy heard a noise coming from the woods; it sounded like an owl. Billy said it must have been Danny and his group hiding in the woods. And sure enough, as closer observation showed, it certainly was Danny's group.

As we went on, we passed many old stone walls; cows were grazing behind these walls. Then we passed an old abandoned house with a pair of old-fashioned wagon wheels under it.

On we went, passed more cows and stone walls, until we came to a house with a graveyard in front of it. As we came closer to it, we saw the following dates (of deaths): 1864, 1865, 1882.

Continuing on we stopped to look at an old saw mill. Huge logs were piled around it; a lot of sawdust was on the ground. It was then that one of the hikers found that he had lost his knife. With only one choice left, Billy took four boys and went back to look for it. In about half an hour the knife was found. Billy and his group arrived back in camp at approximately 5:40; Danny and his group had come back at 5:10. The hike was well enjoyed.
