

West End House Camp Staff Packing List

The Packing List below details the clothing and equipment that will be needed at camp. The list is only a suggested guide. Substitutions can be made for individual preferences and age appropriateness. All items brought to camp should be clearly marked with your name. All medicines, vitamins, and other over the counter medications such as melatonin must be clearly labeled and kept in the camp Health Center. WEHC is not responsible for any lost property.

Electronics Policy

Staff are allowed to bring electronics. In our staff lounge (Kezar Building) we have 2 computers with internet access that staff are able to use during their free time. We also have WiFi for those who bring their own computers.

Storage

Each staff man is provided with ample storage space for his belongings. Please do not bring *large* extra storage containers or drawer units, as there is no space for these items. Small organizers are acceptable. We appreciate your understanding. All luggage gets put in storage after the staff un packs.
